Independent Auditor's Report

To the Participants and Administrator of
Sound Physicians 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sound Physicians 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Sound Physicians 401(k) Plan
Independent Auditor's Report, Continued
December 31, 2024 and 2023

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Sound Physicians 401(k) Plan
Independent Auditor's Report, Continued
December 31, 2024 and 2023

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (I) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, and (II) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sound Physicians 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

1. Plan Description

The following description of Sound Physicians 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan was established July 1, 2005 and is a defined contribution plan covering eligible employees of Sound Inpatient Physicians, Inc. dba Sound Physicians and adopting affiliates (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (“ERISA”). The Plan’s trustee is responsible for oversight of the Plan. The Plan’s 401(k) investment committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the trustee.

Contributions

Each year, participants may contribute up to 100 percent of their annual compensation, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other qualified plans. Under the terms of the plan document, the employer may make matching contributions to eligible participants. For the year ended December 31, 2024, the employer elected to remit a matching contribution to eligible participants in an amount equal to 100 percent of their contributions up to 2.50 percent of their eligible annual plan year compensation not to exceed an annual dollar amount of \$5,000 per participant. Employees hired on, or subsequent to, January 1, 2012 are eligible to participate in the Plan with respect to employer matching contributions upon completion of 18 months of service, as defined. Only participants who have completed 1,000 hours during the plan year and are employed on the last day of the plan year shall be eligible to share in the matching contribution for the year. Participants direct the investment of all contributions credited to their accounts into any of the various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and earnings thereon. Participants are fully vested in employer matching contributions made subject to the Plan’s current 18 months of service requirement. Certain employer contributions vest according to legacy schedules, including various three to six year vesting schedules, as described in the plan document.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000. Loans may not exceed 50 percent of the participant's vested account balance. The loans are collateralized by the vested balance in the participant's account and bear interest at rates determined by the plan administrator at the date of issuance of each loan. Principal and interest is paid ratably through payroll deductions. Loan terms may not exceed five years except for the purchase of a primary residence.

Sound Physicians 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

Payment of Benefits

As defined by the plan document, upon termination of service due to death, disability, other severance of employment, or retirement, a participant may elect to receive a lump-sum distribution or begin receiving a series of distributions up to the total of the participant's vested account balance. Under qualified conditions of financial need, a participant may apply for a hardship withdrawal of their contributions subject to certain limitations.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$326,281 and \$29,524, respectively. These accounts may be used to pay administrative expenses or to offset future employer contributions. Employer contributions for the year ended December 31, 2024 were reduced by \$318,273 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced to zero and a corresponding benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses related to certain participant distribution and loan processing fees and expenses for certain electronic transactions are charged directly to the participant's

Sound Physicians 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

account and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Management has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1. Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Level 2 inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability, and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023. Fair values are provided by the Plan's investment custodian for all of the Plan's assets as follows:

- Common/collective trust investments are valued at the net asset value ("NAV") of units of a collective investment trust. The NAV, as provided by the custodian, is used to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. This value is not used when it is determined to be probable that the Plan will sell

Sound Physicians 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

the investment for an amount different than the reported NAV. Participant transactions, including purchases and sales, are valued on a daily basis. Certain participant-initiated withdrawals may be executed subject to a 90-day redemption notice period. Were the Plan to initiate a full redemption of the Morley Stable Value Fund, under the terms of the collective trust agreement the investment issuer reserves the right to temporarily delay withdrawal from the fund for up to one year. At December 31, 2024, the fund's average yield and crediting rate were approximately 4.93 percent and 2.85 percent, respectively.

- Registered investment companies, including money market accounts and other mutual funds, are valued at the daily closing price as reported by the fund. Registered investment company investments held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market accounts	\$ 1,285,581	\$ -	\$ -	\$ 1,285,581

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Sound Physicians 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

5. Related Party and Party-In-Interest Transactions

Certain of the Plan's investments are shares of mutual funds managed by Charles Schwab Trust Bank or its affiliates. Charles Schwab Trust Bank is the Plan's investment custodian; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for certain investment management services are included in net appreciation in the fair value of investments, as they are paid through revenue sharing rather than a direct payment. During the year ended December 31, 2024, the Plan made direct payments totaling \$402,120 for a portion of the Plan's administrative expenses, including investment advisory and management fees, which were not offset by revenue sharing. The plan sponsor pays directly certain other fees related to the Plan's operations.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in the employer contributions portion of their respective accounts.

7. Tax Status

The Plan has adopted a volume submitter agreement as the plan document which the Internal Revenue Service has determined, by a letter dated June 30, 2020, is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed, and currently being operated, in compliance with applicable sections of the IRC and, therefore, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, such as pandemics or international conflicts, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Sound Physicians 401(k) Plan
Notes to Financial Statements

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the amounts presented in the Plan's Form 5500 at December 31, 2024 and 2023:

	2024	2023
Net assets available for benefits per the financial statements	\$ 556,897,117	\$ 511,391,626
Less: Amounts allocated to withdrawing participants	<u>(768,152)</u>	<u>(273,990)</u>
Net assets available for benefits per the Form 5500	<u>\$ 556,128,965</u>	<u>\$ 511,117,636</u>

The following is a reconciliation of benefits paid to participants per the financial statements to the amounts presented in the Plan's Form 5500 for the year ended December 31, 2024:

Benefits paid to participants per the financial statements	\$ 89,613,227
Less: Amounts allocated to withdrawing participants at December 31, 2023	(273,990)
Plus: Amounts allocated to withdrawing participants at December 31, 2024	<u>768,152</u>
Total benefits paid to participants per Form 5500	<u>\$ 90,107,389</u>

Included in net assets available for benefits in the Plan's financial statements are amounts allocated to individuals who have submitted an election to withdraw from the Plan but whose distributions have not yet been disbursed. Plan assets allocated to the accounts of withdrawing participants totaled \$768,152 and \$273,990 as of December 31, 2024 and 2023, respectively. The Plan's Form 5500 presents these amounts as benefit claims payable in the period in which the withdrawal elections have been received and approved for payment.

10. Delinquent Participant Contributions and Loan Payments

As reported on the supplemental schedule of (II) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions, certain employee contributions and loan payments were not remitted to the Plan within the timeframe specified by the Department of Labor, therefore constituting nonexempt transactions between the Plan and the Company for the year ended December 31, 2024. The related lost earnings remittances required under applicable regulations to correct the delinquent participant contributions were pending payment as of December 31, 2024.

11. Subsequent Events

Effective January 1, 2025, the Company adopted certain amendments to the plan document. The amendments resulted in changes to the Plan's employer matching contribution formula, eligibility requirements for matching contributions, and vesting provisions.

Through December 31, 2024, the employer elected to remit a discretionary matching contribution to eligible participants equal to 100 percent of their contributions up to 2.50 percent of eligible annual plan year compensation not to exceed an annual amount of \$5,000 per participant. Employees were eligible to participate in the Plan with respect to employer matching contributions upon completion of 18 months of service, as defined. Only participants who completed 1,000 hours

Sound Physicians 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

during the plan year and were employed on the last day of the plan year were eligible to share in the matching contribution for that year.

Effective January 1, 2025, the Company elected to begin remitting discretionary employer matching contributions to eligible participants equal to 100 percent of their contributions up to 4 percent of eligible compensation each payroll period. The plan document has been amended, effective January 1, 2025, to increase the annual limitation on employer matching contributions from \$5,000 to \$7,500 per participant. Employees will be eligible to participate in the Plan with respect to employer matching contributions upon completion of 12 months of service, as defined. Eligible employees will receive employer matching contributions regardless of the number of hours completed during the plan year and without regard to employment status on the last day of the plan year.

Except with respect to certain employer contributions that vest according to legacy vesting schedules, participants employed on or before December 31, 2024 will remain 100 percent vested in the employer matching contributions portion of their accounts.

Effective January 1, 2025, employees hired on or after that date will vest in the employer matching contributions portion of their accounts based on years of credited service as follows: 25 percent after one year, 50 percent after two years, 75 percent after three years, and 100 percent after four or more years.
