Board of Directors
Lutheran Immigration and Refugee Service 403(b) Plan
Baltimore, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Lutheran Immigration and Refugee Service 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lutheran Immigration and Refugee Service 403(b) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To the Board of Managers of the
Lutheran Immigration and Refugee Services 403(b) Plan
Baltimore, Maryland**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lutheran Immigration and Refugee Service 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lutheran Immigration and Refugee Service 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lutheran Immigration and Refugee Service 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

**To the Board of Managers of the
Lutheran Immigration and Refugee Services 403(b) Plan
Baltimore, Maryland**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LUTHERAN IMMIGRATION AND REFUGEE SERVICE 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

(1) DESCRIPTION OF PLAN

The following description of the Lutheran Immigration and Refugee Service (“**LIRS**”) 403(b) Plan (“**Plan**”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The plan was adopted on May 1, 2020. Prior to May 1, 2020, Lutheran Immigration and Refugee Services employer sponsored retirement plan operated as a church plan (the “**Church Plan**”) and was not subject to Employee Retirement Income Security Act of 1974 (**ERISA**) requirements.

A. General

The Plan is a defined contribution plan covering eligible employees of LIRS. The Plan commenced on May 1, 2020 and is subject to the provisions of (**ERISA**). All employees are eligible to participate in making elective deferrals as of their date of hire.

B. Contributions

Participants may contribute pre-tax compensation as defined in the Plan document subject to Internal Revenue Service (“IRS”) statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants at least 18 years of age that normally work at least 20 hours per week or have completed one year of service are eligible for matching contributions up to 7% of eligible compensation. Such employees are also eligible for non-elective employer contributions of 3%.

C. Participant Accounts

Participants are provided a selection of mutual funds in which to invest contributions as described in B above. Earnings are credited to each participant’s account, which are distributed by the respective mutual funds. Each investment account is revalued on a daily basis of fair market value.

D. Vesting

Participants are always 100% vested in all of their Plan accounts.

E. Participant Loans

The Plan permits participants to borrow from their fund account up to \$50,000 or 50% of their account balance (\$1,000 minimum). Loans are secured by the balance in the participant’s account and bear interest at the prime rate published in The Wall Street Journal on the first business day of each month, plus 1%. Interest is charged on loans at rates ranging from 4.25% to 9.50%. Principal and interest are paid through payroll deductions. General loans have amortization periods of 12 to 60 months and residential loans have durations of 61 to 360 months. Advance payments may be made at any time and upon termination from the Plan, all such balances outstanding are due immediately. Outstanding balances are reported as notes receivable from participants in the accompanying statements of net assets available for benefits.

LUTHERAN IMMIGRATION AND REFUGEE SERVICE 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2024

F. Investment Options

Upon enrollment in the Plan, and at any time during the plan year, a participant may direct all future employer contributions into any of the investment options available under the Plan.

G. Payment of Benefits

A participant's vested benefits will normally be distributed upon termination of employment, disability or death of the participant.

Participants who have attained normal retirement age and remain employed, may defer the receipt of benefits until they terminate employment, but generally not later than age 73

Hardship withdrawals from a participant's account are permitted when certain criteria are met.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared under the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Shares of registered investment companies are valued at quoted prices which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at cost, which approximates fair value.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

LUTHERAN IMMIGRATION AND REFUGEE SERVICE 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2024

(3) INVESTMENTS

The Plan's investments are held in a directed trust. There are several investment options available to the participants at the time of this report. Participant accounts are allocated based on the decisions of the individual participants. The following table presents the fair value of the investments, as of December 31, which have been certified by the Plan's custodian and trustee:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 19,914,242	\$ 13,841,465
Total investments at fair value – December	<u>\$ 19,914,242</u>	<u>\$ 13,841,465</u>

The Plan utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities. The summary of inputs used to value the Plan's assets that are carried at fair value as of December 31 is as follows:

	<u>2024</u>

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2024

(4) PLAN TERMINATION

Although it has not expressed any intent to do so, LIRS has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(5) TAX STATUS

The trust, established under a prototype plan to hold the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. Although the Plan has been amended, the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Management has reviewed the tax positions for the open tax years (2021 - 2023) or expected to be taken in the Plan's 2024 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

(6) RISKS AND UNCERTAINTIES

The Plan invests in shares of registered investment companies which employ various investment strategies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(7) PARTY-IN-INTEREST TRANSACTIONS

Certain administrative costs of the Plan are paid by the employer/sponsor. The Plan allows notes receivable from participants. These qualify as party-in-interest transactions which are exempt from the prohibited transactions rules.

(8) DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2024, there was \$163 of participant contributions related to the 2024 plan year that were not remitted to the Plan on a timely basis. The amount has been reported on the Supplemental Schedule of Delinquent Contributions accordingly. Subsequent to year-end LIRS corrected the delinquent contributions for the plan year ended December 31, 2024.

(9) SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2024 financial statements for subsequent events through October 15, 2025, the date the financial statements were available to be issued.
