To the Trustees
FGS, Inc. d/b/a Good Shepherd Communities
403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of FGS, Inc. d/b/a Good Shepherd Communities 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FGS, Inc. d/b/a Good Shepherd Communities 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Trustees
FGS, Inc. d/b/a Good Shepherd Communities
403(b) Plan

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FGS, Inc. d/b/a Good Shepherd Communities 403(b) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FGS, Inc. d/b/a Good Shepherd Communities 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

To the Trustees
FGS, Inc. d/b/a Good Shepherd Communities
403(b) Plan

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FGS, Inc. d/b/a Good Shepherd Communities 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FGS, Inc. d/b/a Good Shepherd Communities 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

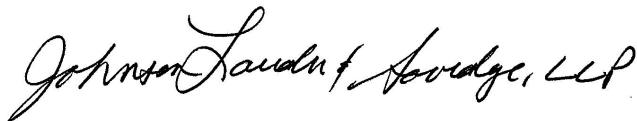

To the Trustees

records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Forfeitures are used to reduce employer contributions. Amounts used were \$1,435 and \$2,466 for the years ended December 31, 2024 and 2023, respectively. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$12 and \$1,394 respectively.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the employer’s contribution, and the account net investment earnings (dividends reinvested, realized and unrealized gains/losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of Benefits

Upon normal retirement, disability or death, or other means of termination of service, the participant is entitled to the vested interest in his or her account. Payments are in the form of a lump sum payment. If the vested amount of an account is less than \$1,000, a participant authorization for a lump sum payment is not required.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1: PLAN DESCRIPTION (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the vested portion of the participant's account balance. The maximum repayment term is five years, but this may be extended for the purchase or construction of a principal residence. The notes are secured by the participant's account. The interest rate, determined at the time the note is processed, is set at a rate of prime plus 1%. Principal and interest are paid ratably through payroll deductions. Upon termination from the Company, the note must be fully repaid by the participant, or it will be deemed distributed.

Vesting

Participants are vested immediately in their contributions plus earnings thereon.

Vesting of the employer discretionary contribution portion of their accounts is based upon years of service as specified in the Plan document. Participants with 0-2 years of service are vested at 0% while participants with 3 or more years of service are fully vested at 100%.

Administrative Expenses and Exempt Parties in Interest Transactions

Administrative expenses may be paid for by the Plan or the Sponsor. Administrative fees paid by the Sponsor are excluded from these financial statements. Fees associated with plan loans by participants are deducted from the participant accounts. Investment-related expenses are included in the net appreciation of fair value of investments.

NBT Bank, N.A., as trustee, holds the funds for the Plan and is responsible for managing the Plan's investment assets and executing all investment transactions. For the years ended December 31, 2024 and 2023, certain Plan investments were funds managed by Charles Schwab Retirement Services, through NBT Bank. Such investment transactions qualify as party-in-interest transactions but are exempt from the Department of Labor's party-in-interest reporting requirements.

Notes receivable from participants qualify as party-in-interest transactions, as defined by ERISA. Such receivables were \$151,060 and \$158,118 as of December 31, 2024 and 2023, respectively.

Plan Termination

The Sponsor anticipates and believes the Plan will continue; however, in the event of termination of the Plan, the Plan provides that the net assets of the Plan are to be set aside for the exclusive benefit of the participants. Benefits accrued to the date of a Plan termination, to the extent funded, shall be 100% vested.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1: PLAN DESCRIPTION (Continued)

Cash and Cash Equivalents

The Plan considered all highly liquid instruments purchased with an original maturity date of three months or less to be considered cash equivalents. These instruments include money market funds the Plan is invested in, and they are valued at their cost which approximates fair value. Typically, cash is only held until certain receipts, such as contributions or rollovers can be properly allocated.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on an accrual basis of accounting. Any investment contracts held by the Plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant estimates identified include valuation of assets at fair value.

Investment Valuation and Income Recognition

The participant's directed investments in the Plan are stated at fair value, as determined by the trustee, based on prices published by security exchanges. The trustee accounts for the change in the difference between the fair value and the cost of investments as unrealized appreciation (depreciation). Realized appreciation (depreciation) in the aggregate fair value of investments is the difference between the proceeds received and the average cost of investments sold.

Fair Value Measurements

FASB Accounting Standards Code 820 (ASC 820) establishes a hierarchy for information and valuations used in measuring fair value that is broken down into three levels based on reliability.

The Plan Administrator assesses the fair value methodologies applied by the Trustee. The Plan Administrator, together with the Trustee, determines if the current valuation techniques used in the fair value measurement are appropriate.

Contributions

Participant contributions are recorded by the Plan when deposited. Employer contributions are recorded when earned by the participant.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded at either December 31, 2024 or 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid

Benefits to participants are recorded when paid.

Administrative Expenses

The plan sponsor pays a portion of the Plan's administrative expenses. Expenses incurred are as follows:

	2024	2023
Paid by sponsor		
Audit fees	\$ 11,750	\$ 11,000
Administration fees	5,015	5,436
Total fees paid by sponsor	<u>\$ 16,765</u>	<u>\$ 16,436</u>
 Paid by plan		
Administration fees	<u>\$ 42,603</u>	<u>\$ 38,707</u>

Certain administrative functions of the Plan are performed by officers or employees of the Sponsor. No such officers or employees receive compensation from the Plan.

Events Occurring After Reporting Date

The Plan has evaluated events and transactions that occurred between December 31, 2024 and October 15, 2025, which is the date that the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. No significant events or transactions were identified that would require adjustment to, or disclosure in, these financial statements.

NOTE 3: INACTIVE PARTICIPANT INFORMATION

As of December 31, 2024 and 2023, the plan assets include approximately \$3,815,881 and \$4,727,594, respectively, in vested amounts allocated to participants who are inactive due to termination, retirement, or disability.

NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE

In accordance with Department of Labor Regulation 2520.103-5, certified "Statements of Account" for the Plan for the years ended December 31, 2024 and 2023 have been provided by the custodian of the Plan. The plan administrator has obtained a certification from the custodian that such information is complete and accurate.

The net assets of the Plan and the changes in the Plan net assets certified by NBT Bank, N.A. are summarized as follows:

	2024	2023
Investments		
Cash and cash equivalents	\$ 623,971	\$ 578,560
Mutual funds at fair value	7,999,037	8,241,387
	<u>\$ 8,623,008</u>	<u>\$ 8,819,947</u>
Changes in investments		
Interest and dividends	\$ 326,549	\$ 375,588
Realized gains (losses)	227,753	(34,112)
Unrealized appreciation (depreciation)	451,845	975,971
	<u>\$ 1,006,147</u>	<u>\$ 1,317,447</u>

NOTE 5: RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE 6: TAX STATUS

The original Plan began as a non-ERISA document dated January 1, 2005. It was restated in 2009, and again on January 1, 2012. Historically, the Internal Revenue Service has not issued approvals for 403(b) Plan documents. However, the Plan is constructed under a prototype document, and it has received an opinion advisory letter that it is acceptable under section 403(b). As such, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provisions for income taxes have been included in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 7: INVESTMENTS AND FAIR VALUE MEASUREMENTS

For the years ended December 31, 2024 and 2023, the Plan utilized Charles Schwab’s service through NBT Bank to determine its securities’ fair values. The Plan estimates fair value based on a valuation framework that uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy, as defined by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, are described below.

- *Level 1* - Unadjusted quoted prices in active markets that are accessible at the measurement date for assets or liabilities.
- *Level 2* - Prices other than quoted prices in active markets and are either directly or indirectly observable as of the date of measurement.
- *Level 3* - Prices or valuation techniques that are both significant to the fair value measurement and unobservable or investments with liquidity restrictions.

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets at fair value on a recurring basis as of December 31, 2024:

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual funds	<u>\$ 7,999,037</u>	<u>\$ 7,999,037</u>	<u>\$ -</u>	<u>\$ -</u>

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets at fair value on a recurring basis as of December 31, 2023:

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual funds	<u>\$ 8,241,387</u>	<u>\$ 8,241,387</u>	<u>\$ -</u>	<u>\$ -</u>

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan administrator has also evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2024 and 2023, there were no such significant transfers.

NOTE 7: INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

The availability of market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

NOTE 8: RELATED PARTY TRANSACTION

The Plan administrator is an employee of the Plan sponsor. The trustees, administrators, and employees of the plan, the officers of the Sponsor, and relatives of these various individuals are included in a category referred to as "parties-in-interest" (PII). Service providers to the Plan, as well as participants who obtain loans from the Plan, are considered PII.

NOTE 9: CONTRIBUTIONS RECEIVABLE

Employer contributions receivable were \$31,335 and \$29,978 at December 31, 2024 and 2023, respectively. There were no contributions receivable from participants at December 31, 2024 or 2023. The financial statements were prepared after funding was made in the subsequent years, so no allowance for uncollectable amounts was deemed necessary at either December 31, 2024 or 2023.

NOTE 10: OVERFUNDING OF EMPLOYER CONTRIBUTIONS

Employer deposits are made during the year in anticipation of a discretionary contribution being approved by the Board at the end of the year. These deposits are held in a suspense account until the contribution is approved then allocated and credited to the participants' accounts in the following year. At times the amount deposited may exceed the contribution amount. The overpayment will be used to fund future employer contributions. Any overfunding is shown as a liability in the statement of net assets available for benefits. These amounts totaled \$0 for both the years ending December 31, 2024 and 2023.
