INDEPENDENT AUDITORS' REPORT

To the Trustees
Walters & Wolf Retirement Plan
Fremont, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Walters & Wolf Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Walters & Wolf Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Walters & Wolf Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Walters & Wolf Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Trustees
Walters & Wolf Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Walters & Wolf Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Walters & Wolf Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees
Walters & Wolf Retirement Plan

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WALTERS & WOLF RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 PLAN DESCRIPTION

The following description of Walters & Wolf Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Walters & Wolf Glass Company and first became effective July 1, 1978. The Plan covers all full-time non-union employees of Walters & Wolf Glass Company (the Sponsor), Walters & Wolf Interiors, Walters & Wolf Precast, Walters & Wolf Curtain Wall, Walters & Wolf Construction Specialties and Walters & Wolf Architectural Systems (the Participating Employers) who have three months of credited service and are at least twenty-one years of age. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

On an annual basis, participants may contribute up to 100% of their annual compensation, subject to IRS limits. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 38 mutual funds from which participants may choose. The Plan also calls for the Sponsor and Participating Employers to match 33.33% of participant contributions, up to a maximum of \$1,000 per participant.

On an annual basis, the Sponsor and Participating Employers may also make discretionary profit-sharing contributions to the Plan. Annual contributions are subject to certain limitations.

Participants' account balances are increased by the participants' contributions and allocations of the Sponsor and Participating Employers' contributions, increased or decreased by the Plan's investment income or losses and decreased by an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Participants are immediately vested in their contributions and the employer matching contributions. Profit sharing contributions vest ratably over five years of credited service.

The Plan allocates participant forfeitures to reduce the employers' discretionary profit-sharing contributions. Forfeitures for the years ended December 31, 2024 and 2023, were \$203,831 and \$143,451, respectively.

WALTERS & WOLF RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 PLAN DESCRIPTION (continued)

On termination of service, treatment of participant account balances varies based on the vested account balance. If the vested account balance is less than \$200, the account balance is distributed to the participant via a check. If the vested account balance is more than \$200 but less than \$1,000, after sixty days, the account balance, net of tax withholdings, is distributed to the participant via a check. If the vested account balance is more than \$1,000 but less than \$5,000, after sixty days, the account balance is deposited into an IRA in the participant's name. If the vested account balance is greater than \$5,000, the account balance remains in the Plan until the participant makes an election.

Certain fees are charged to the funds and are offset against Plan investment income and loss as presented in the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on various types and amounts of investment fees charged to the Plan and their individual accounts.

Although it has not expressed any intent to do so, the Sponsor and Participating Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared using the accrual method of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The Plan's investments in mutual funds are stated at fair market value as determined from quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. See Note 9 for discussion of fair value measurements.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant's employment is terminated, the outstanding loan balance is treated as a distribution based on the terms of the Plan and included in "deemed distributions" on the statement of changes in net assets available for benefits.

Financial instruments which potentially subject the Plan to credit risk consist of investments and participant loans receivable.

Participant benefit payments are recorded when paid.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company (the Custodian), a qualified institution.

Investments held and certified by the Custodian consist of:

	2024	2023
Mutual funds	\$ 120,535,820	\$ 124,983,971
Notes receivable from participants	\$ 622,625	\$ 548,386

Investment income for the year ended December 31, 2024, certified to by the Custodian is:

Dividend income	\$ 6,036,100
Interest income on notes receivable from participants	\$ 42,981
Net increase in fair market value of investments	\$ 10,320,367

NOTE 4 NOTES RECEIVABLE FROM PARTICIPANTS

Included in assets at December 31, 2024, were 58 notes receivable from participants, collateralized by their vested account balances at the inception of the loans. The notes receivable mature between 1 and 5 years at interest rates ranging from 4.25% to 9.50%. Principal and interest payments are paid ratably through weekly payroll deductions.

Loans are available to participants who meet certain loan qualification requirements. The maximum amount of a loan cannot exceed the lesser of fifty percent (50%) of the participant's vested balance or \$25,000.

NOTE 5 SEPARATED PARTICIPANTS

Included in investments at December 31, 2024, were accounts valued at \$19,495,034 of which \$18,763,196 is vested, representing deferred benefits for 167 separated participants. The Sponsor has notified each separated participant of their deferred vested benefit.

NOTE 6 TAX STATUS

The Sponsor and Participating Employers have adopted the Volume Submitter Profit Sharing Plan with CODA. The Internal Revenue Service has determined and informed the Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Sponsor and Participating Employers. No such officer or employee receives compensation from the Plan. The majority of the fees related to the Plan are paid directly by the Sponsor and Participating Employers. Fees paid by the Sponsor and Participating Employers for the year ended December 31, 2024, were \$262,317, which are included in "other income" and "investment expenses" on the statement of changes in net assets available for benefits.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. They are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such a change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 FAIR VALUE MEASUREMENTS

The Plan has adopted *FASB ASC 820, Fair Value Measurements* (ASC 820), which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the calculation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 9 FAIR VALUE MEASUREMENTS (continued)

- Level 2 – Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability and
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2024 and 2023:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023.

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments in mutual funds are managed by the Custodian. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 8, 2025, the date which the financial statements were available to be issued.
