INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Local 20408 United Warehouse,
Industrial and Affiliated Trades Employees Pension Fund

Opinion on the 2024 Financial Statements

We have audited the accompanying financial statements of Local 20408 United Warehouse, Industrial & Affiliated Trades Employees Pension Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits - liquidation basis as of December 31, 2024 and the related statement of changes in net assets available for benefits - liquidation basis for the year then ended, and the related notes to the financial statement.

In our opinion, the financial statement referred to above present fairly, in all material respects, the net assets available for benefits of Local 20408 United Warehouse, Industrial & Affiliated Trades Employees Pension Fund as of December 31, 2024 and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Local 20408 United Warehouse, Industrial & Affiliated Trades Employees Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Cont'd)

In preparing the 2024 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 20408 United Warehouse, Industrial & Affiliated Trades Employees Pension Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local 20408 United Warehouse, Industrial & Affiliated Trades Employees Pension Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 20408 United Warehouse, Industrial & Affiliated Trades Employees Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 4 to the financial statements, the Board of Trustees of the Fund, the Plan’s sponsor, voted on December 31, 1987 to terminate the Plan. The financial statements are presented on the liquidation basis of accounting.

Other Matters – Auditor’s Report on the 2023 Financial Statements

The 2023 financial statements for year end December 31, 2023 were audited by other auditors whose report dated October 10, 2024 expressed an unmodified opinion.

Note 1. Description of the Plan

The following brief description of the Local 20408 United Warehouse, Industrial and Affiliated Trades Employees Pension Fund (the Plan) (in liquidation) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from Plan management.

General

The Plan is a defined benefit pension plan established under an Agreement and Declaration of Trust dated January 1, 1973, pursuant to collective bargaining agreements between the Local 20408 United Warehouse, Industrial and Affiliated Trades Employees Union and various employers in the warehouse, trucking and affiliated industries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was terminated effective December 31, 1987 (see Note 4).

Pension Benefits

The Plan provides for monthly pensions to eligible participants. Under certain circumstances, beneficiaries of deceased participants may be entitled to limited pension benefits. Benefits are being paid subsequent to termination from the accumulated assets of the Plan and, as necessary, from assistance provided by the Pension Benefit Guaranty Corporation (PBGC) (see Note 4).

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). Under the liquidation basis of accounting, assets are presented at estimated realizable amounts and liabilities are presented at the amounts of cash expected to be paid.

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 3. Actuarial Information

This plan is an insolvent multi-employer pension plan that needs to have the actuarial valuation done every five years. The last valuation was performed as of January 1, 2023, the PBGC approved the Plan to have the next valuation done as of January 1, 2028.

For the valuation as of January 1, 2023, the individual benefits used in the valuation for terminated vested participants reflects use of amounts that have been reduced to the PBGC guaranty level. Terminated vested participants over the age of 85 were removed from the census data. Prior to this valuation, no terminated vested participants had been removed from the data. The impact of this change was the removal of 10 participants and a liability reduction of \$493,786. In addition to the valuing the future benefits payable to terminated vested participants, retroactive benefits back to the participants aged 65 were valued. These retroactive benefits were accumulated to the valuation date using the Plan's interest rate of 6%. Benefit obligation to pensioners was valued at \$361,368, to terminated-vested participants was valued at \$283,014, retro annuity payment obligation was valued at \$416,033, totaling \$1,060,415 in benefit obligations as of January 1, 2023.

Actuarial assumptions used for the January 1, 2023 valuation were as follows:

Discount rate:	4.70%
Mortality assumption:	ERISA 4044 Mortality – 2023
Terminated vested members assumed retirement age:	65
Accumulation of post age 65 missed payments:	Interest rate of 6%

Note 4. Plan Termination

The PBGC, in a letter dated April 13, 1989, has acknowledged the notice of termination of the Plan as of December 31, 1987 and has indicated that under Section 4041A of ERISA, the Plan shall: (1) limit the payment of benefits to benefits which are nonforfeitable under the Plan as of the date of termination, and (2) pay benefits attributable to employer contributions, other than death benefits, only in the form of an annuity, unless plan assets are distributed in full satisfaction of all nonforfeitable benefits under the Plan.

Effective June 1, 1996, monthly pension benefits to certain participants were reduced, as required, in accordance with the PBGC guaranty level.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

Note 5. Notes Payable – PBGC

Through December 31, 2024 and 2023, the Plan received loans totaling \$2,785,796 and \$2,722,612, respectively, from the PBGC representing financial assistance to help cover benefit payments and administrative expenses. The loans are evidenced by demand promissory notes for repayment of the principal together with interest at the federal underpayment rate in effect under Section 6621(a)(2) of the Internal Revenue Code. Interest of \$2,906,443 and \$2,471,841 has been accrued through December 31, 2024 and 2023, respectively. Repayment of the principal amount, plus interest, would be required to commence should the Plan's financial condition improve to such a degree that it has assets beyond those necessary to pay basic benefits. The Plan's ability to repay the loans appears doubtful. The loans are secured by a security agreement on certain collateral of the Plan.

Note 6. Tax Status

The Plan obtained its latest determination letter on November 24, 1982, in which the Internal Revenue Service (IRS) stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Trust is a qualified pension trust under Section 401(a) and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to examinations for years prior to 2021.

Note 7. Risk and Uncertainties

The actuarial valuation prepared every five years is reported based on certain assumptions pertaining to interest rates, demographics and inflation rates, all of which are subject to change. Due to the uncertainties inherent in the estimation process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

Note 8. Subsequent Events

The Plan has evaluated subsequent events through the date of the auditor's report which is the date that the financial statements were available to be issued.
