Independent Auditor's Report

To the Administrator of
AIDS Action Coalition of Huntsville, Inc.
Retirement Plan
Huntsville, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AIDS Action Coalition of Huntsville, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of AIDS Action Coalition of Huntsville, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AIDS Action Coalition of Huntsville, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AIDS Action Coalition of Huntsville, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AIDS Action Coalition of Huntsville, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AIDS Action Coalition of Huntsville, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
AIDS ACTION COALITION OF HUNTSVILLE, INC. RETIREMENT PLAN
DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the AIDS Action Coalition of Huntsville, Inc. Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General – The Plan is a 403(b) retirement plan covering all employees. Employees may make salary deferral contributions immediately upon hire. To receive safe harbor matching contributions, employees must be 18 years or older and have three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan sponsor is AIDS Action Coalition of Huntsville, Inc. (the “Organization”).
2. Contributions – Each year, the Organization will make safe harbor matching contributions of 100% of the employee's contribution, not to exceed 3% of compensation plus 50% of the employee's contribution that exceeds 3 % but not to exceed 5% to eligible participants. A participant may contribute up to 100% of pretax annual compensation, as defined in the Plan, up to the amount allowed by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Organization has the discretion to make qualified non-elective contributions. The discretionary contribution is calculated on a pro-rata basis based on a participant's compensation. No qualified non-elective contributions were made for 2024. Participants direct the investment of their contributions into eighteen various mutual funds and a money market fund.
3. Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting – Vesting in the Organization's qualified non-elective contribution and actual earnings thereon is based on years of continuous service. A participant is 100% vested after two years of 1,000 hours of credited service. Participants are immediately vested in their deferred contributions and the safe harbor matching contributions, plus related earnings thereon.
5. Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of the participant's interest in his or her account.
6. Forfeited Accounts – At December 31, 2024 and 2023, there were \$6,345 and \$6,041 in unapplied forfeitures, respectively. Forfeiture accounts can be used to reduce employer contributions or to pay plan expenses. At December 31, 2024, there were no forfeitures applied to employer contributions (\$5,748 of forfeitures were applied at December 31, 2023).

NOTES TO THE FINANCIAL STATEMENTS
AIDS ACTION COALITION OF HUNTSVILLE, INC. RETIREMENT PLAN
DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF PLAN – CONTINUED

7. SECURE 2.0 – In December 2022, securing a Strong Retirement Act (Secure 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act. Most of the provisions will become effective in 2025 and forward, therefore there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan Administrator will determine the option provisions to elect.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting – The financial statements of the Plan are prepared on the accrual method of accounting.
2. Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
3. Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received when selling an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest and dividends are recorded when received by the custodian. Net appreciation and depreciation include the Plan’s gains and losses on investments bought and sold as well as held during the year. Unrealized appreciation and depreciation are reflected in the financial statements when applicable.

4. Payment of Benefits – Benefits are recorded when paid.
5. Administrative Costs – Administrative costs are currently being paid by the Plan.
6. Contributions – Contributions from plan participants and the contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTE C – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820 are described as follows:

- | | |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs include quoted prices for assets or liabilities in active markets. |
| Level 2 | Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets or inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

NOTES TO THE FINANCIAL STATEMENTS
AIDS ACTION COALITION OF HUNTSVILLE, INC. RETIREMENT PLAN
DECEMBER 31, 2024 AND 2023

NOTE C – FAIR VALUE MEASUREMENTS – CONTINUED

Level 3 Inputs that are unobservable but significant to the fair value measurement. These inputs often require significant judgment or estimation.

The following is a description of the inputs used for the investments measured at fair value:

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.
Money market fund: Valued at the net asset value of shares held by the Plan at year end.

The Plan’s assets at fair value, as of December 31, 2024, by level of inputs are as follows:

<u>Asset Type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				4,483,441
INVESTMENTS AT FAIR VALUE	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,483,441</u>

The Plan’s assets at fair value, as of December 31, 2023, by level of inputs are as follows:

<u>Asset Type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				3,988,898
INVESTMENTS AT FAIR VALUE	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,988,898</u>

(a) In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table intend to permit reconciliation of the fair value hierarchy to the line items in the statements of net assets available for benefits.

NOTE D – ALLOCATIONS TO PERSONS WITHDRAWING FROM PLAN

All persons electing to withdraw from the plan were paid at December 31, 2024 and 2023.

NOTE E – SERVICE AGREEMENTS

For the years ended December 31, 2024 and 2023, investments were held under a custodial trust agreement with Capital Bank and Trust Company. The trust company maintains the contributions in Organization selected investment funds. The investment funds are included in the financial statements at the value reported to the Plan by Capital Bank and Trust Company as of December 31, 2024 and 2023. This value includes contributions plus earnings and appreciation of assets, less distributions, losses, and depreciation of assets.

NOTES TO THE FINANCIAL STATEMENTS
AIDS ACTION COALITION OF HUNTSVILLE, INC. RETIREMENT PLAN
DECEMBER 31, 2024 AND 2023

NOTE E – SERVICE AGREEMENTS – CONTINUED

Contributions allocated to the pre-selected investment funds are invested according to the participants' direction.

For the years ended December 31, 2024 and 2023, the Organization had an agreement with UBS Financial Services, Inc. for investment advisory services, plan conversion and administrative support, and market information and educational support.

The Organization also had an agreement with The Retirement Advantage, Inc. for administrative services. Effective January 1, 2023, that agreement was terminated and a new agreement with ERISA Services of Alabama, LLC was signed.

NOTE F – TAX STATUS

The Internal Revenue Service has determined and informed the Organization by letter dated June 1, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan's Form 5500 is subject to examination by the Internal Revenue Service and the Department of Labor for 2021 and thereafter.

NOTE G – RISK AND UNCERTAINTIES

The Plan invests in mutual funds and money market fund investment securities. Investment securities are exposed to various risks such as interest rate and market and credit risks. Due to the level of risk associated with mutual fund investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE I – AMENDMENTS

The Plan was amended effective January 1, 2023 to add ROTH elective deferrals.

NOTE J – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2025, the date which the financial statements were available to be issued. There were no subsequent events that required disclosure.
