## *Independent Auditors' Report*

To the Participants and Plan Administrator  
Amundi US, Inc. Retirement Benefit Plan  
Boston, Massachusetts

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed the audits of the financial statements of the Amundi US, Inc. Retirement Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors’ Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Part IV, Line 4(i), Form 5500 — Schedule of Assets (Held at Year End) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

---

### 1. DESCRIPTION OF PLAN

The following description of the Amundi US, Inc. Retirement Benefit Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General** — The Plan is a defined contribution (target benefit) plan qualified under Section 401 of the Internal Revenue Code (the "IRC") covering all eligible U.S. employees, as defined, of Amundi US, Inc., and its wholly owned subsidiaries (the "Company" and "Plan Sponsor"), who have reached the age of 21 and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Substantially all investments are participant directed.

The Company, a Delaware corporation, and its subsidiaries, are wholly owned subsidiaries of Amundi Holdings US, Inc. ("AHUS"), a wholly owned subsidiary of Amundi Asset Management ("Amundi"), a global asset manager headquartered in Paris, France.

The Retirement Plan's Committee of the Company is the plan administrator and is responsible for the general administration of the Plan, including compliance with the reporting and disclosure requirements of ERISA.

**Contributions Determined by the Actuary** — Contributions to the Plan are made solely by the Company on the basis of the target benefit objective and contribution formulas stated by the plan document in an amount not to exceed the maximum allowable for federal income tax purposes.

The monthly target retirement benefit is 1.2% of average monthly compensation plus 0.5% of average monthly compensation, as defined, in excess of \$10,000, excluding compensation exceeding \$345,000 annually (as adjusted in accordance with IRC Section 401(a)(17)), multiplied by projected years of service (not exceeding 30 years). The actuarial calculation assumes an annual return of 5.4%, the commencement of benefits on a participant's 65th birthday, and the mortality table as described in Rev Ruling 2001-62, with a 50% female and 50% male mix. The contribution limit for 2024 is the lower of 100% of a participant's total compensation or \$69,000.

**Participant Accounts** — Individual accounts are maintained for each participant. Each participant's account is credited with the contributions of the Company and earnings thereon, and debited with withdrawals. Net realized gains or losses, dividends, interest, and other distributions from any mutual fund are reinvested in shares of that mutual fund based on each participant's account balance. The benefit to which a participant is entitled is his or her vested account balance.

**Investment Options** — All participants are entitled to direct their investments to a core list of certain of the Pioneer Family of Mutual Funds, third party mutual funds, and common/collective trusts, or they may direct their investments to other mutual funds via a self-directed account managed by Bank of America, N.A. (the "Trustee"). The self-directed brokerage account allows plan participants to invest in a wide array of securities, mainly registered investment companies, beyond those offered under the standard Plan offering. The allocation may be changed and an election to transfer all or part of an account balance between investment options can be made at any time by the participant.

**Vesting** — Vesting of participants’ accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant also becomes fully vested upon attainment of normal retirement age or due to death or disability. Vesting percentages for the Plan are as follows:

<b>Vesting Years</b>	<b>Vested Percentage</b>
Less than 2 years	- %
2 years	20
3 years	40
4 years	60
5 years	80
6 years or more	100

**Payment of Benefits** — The Plan provides for benefits to be paid to participants who have reached retirement age (normally age 65) and who have retired from active service with the Company. Such benefits are based on the amount in the participant’s account as of the distribution date. The Plan also provides for the payment of benefits in the event of death, disability, or termination of employment. The normal form of benefit is to apply the balance of a participant’s account or accounts to purchase an annuity contract providing, in the case of a married participant, an annuity to the participant for life and a survivor annuity of one-half of the participant’s annuity to the spouse of the participant, for life, if the spouse survives the participant. In the case of an unmarried participant, an annuity for life is purchased. The Plan offers several alternative forms of benefit payment, such as a lump-sum payment, periodic payments, or a fixed ten-year annuity.

**Forfeited Accounts** — When certain terminations of participation in the Plan occur, the non-vested portion of the participant’s account, as defined by the Plan, represents a forfeiture. As of December 31, 2024 and 2023, forfeited, non-vested amounts totaled \$84 and \$59,795, respectively. Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce employer contributions payable under the Plan. For the year ended December 31, 2024, \$138,369 of forfeitures were generated and \$200,445 of forfeited nonvested accounts were used to reduce employer contributions.

## 2. SUMMARY OF ACCOUNTING POLICIES

**Basis of Presentation** — The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Investments, Investment Valuation and Income Recognition** — Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation of investments represents realized gains (losses) and the change in unrealized appreciation. The average-cost basis is used in calculating realized gains and losses from the sales of investments in mutual funds during the year.

**Contributions** — Contributions are recorded and paid to the Plan semi-annually.

**Unit Values** — Individual participant accounts for the common/collective trust funds are maintained on a unit value basis. Participants do not have ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

**Risks and Uncertainties** — The Plan provides for various investment options which are exposed to interest rate, market, credit, and other risks depending on the nature of the specific fund or other investment security. Market risks include global events such as an international conflict which could impact the value of investment securities. Accordingly, it is at least reasonably possible that these factors will result in changes in the value of the Plan's investments which could materially affect amounts reported in the statements of net assets available for benefits, the statement of changes in net assets available for benefits, and the related participants' account balances in the near term.

**Use of Estimates** — The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Administrative Expenses** — Administrative expenses of the Plan are deducted from participant accounts as provided in the plan document. Under the terms of a fee schedule entered into December 6, 2016, between the Plan and the recordkeeper, the recordkeeper may be required to deposit into the Plan's trust a Credit Account, as defined in the fee schedule, which can be used to pay administrative expenses of the Plan or can be allocated to participant account balances.

At December 31, 2024 and 2023, \$13 and \$12, respectively, was remaining in the Plan related to the Credit Account. There were no administrative expenses paid or amounts allocated to participant accounts from the Credit Account during the year ended December 31, 2024.

**Subsequent Events** — The Plan has evaluated subsequent events through October 8, 2025, the date that the financial statements are available to be issued.

On July 9, 2024, Amundi entered into a definitive agreement to sell AHUS and its subsidiaries to Victory Capital Holdings, Inc. ("Victory Capital"), subject to regulatory and shareholder approval and customary closing conditions. The transaction was completed on April 1, 2025, and AHUS was combined into Victory Capital. There were no changes to the Plan for the year ended December 31, 2024. Effective as of the closing, the Plan was frozen to new contributions. On July 1, 2025, the Plan was merged into the Victory Capital 401(k) Plan, and all plan assets were transferred accordingly.

### 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

*Level 1* — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds (Pioneer, Third Party, and Self-Directed Brokerage Accounts)* — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Shares of open-end registered investment companies (including money market mutual funds) are valued at NAV. The mutual funds held by the Plan are deemed to be actively traded.

*Common/Collective Trust* — Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. In accordance with Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

<b>Assets at Fair Value as of December 31, 2024</b>				
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 80,120,911	\$ —	\$ —	\$ 80,120,911
Self directed accounts - Mutual funds	14,743,989	—	—	14,743,989
	<u>\$ 94,864,900</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 94,864,900</u>
Investments measured at NAV practical expedient <sup>(a)</sup>				<u>35,002,861</u>
Total investments				<u>\$ 129,867,761</u>

<b>Assets at Fair Value as of December 31, 2023</b>				
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 72,372,289	\$ —	\$ —	\$ 72,372,289

Investments measured at NAV practical expedient <sup>(a)</sup>				<u>35,768,882</u>
Total investments				<u>\$ 124,879,180</u>

<sup>(a)</sup> In accordance with ASC Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

#### 4. NET ASSET VALUE (NAV) PER SHARE

The following tables set forth a summary of the Plan’s investments with a reported NAV at December 31, 2024 and 2023.

Total	\$ <u>35,768,882</u>	\$ <u>—</u>			

\* The fair value of the investment has been estimated using the net asset value of the investment.

#### 5. TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by a letter dated June 29, 2015 that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Company and plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

#### 6. UNCERTAIN TAX POSITIONS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

## 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Company's wholly owned subsidiaries earn fees on assets invested by the Plan in the Pioneer Family of Mutual Funds. Additionally, certain investments managed by the Trustee earn fees on assets invested by the Plan. Investments in the Pioneer Family of Mutual Funds and Common/Collective Trusts represent party-in-interest transactions. During the year ended December 31, 2024, \$64,244 was paid to the recordkeeper.

## 8. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Bank of America, N.A., the Trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the Trustee that such information is complete and accurate. The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.
