Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

- a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)
- b** Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)
- c** Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)
- d** Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)
- e** Was this plan covered by a fidelity bond?
- f** Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?
- g** Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?
- h** Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?
- i** Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)
- j** Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)
- k** Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?
- l** Has the plan failed to provide any benefit when due under the plan?
- m** If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)
- n** If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
McCorvey Sheet Metal Works, L.P.
Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the financial statements of the McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the 2024 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2024 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2024 financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2024 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these 2024 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2024 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2024 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2024 financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2024 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the 2024 financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 financial statements or to the 2024 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

Predecessor auditor's performed an audit of the 2023 financial statements of McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust. In accordance with ERISA Section 103(a)(3)(C) pursuant to CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 7, 2024 indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

General

McCorvey Sheet Metal Works, L.P Profit Sharing Plan and Trust (the Plan) is a defined contribution plan that was established on May 1, 1989 and restated on November 30, 2017 by McCorvey Sheet Metal Works, L.P. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement for a complete description of the Plan's provisions.

Plan Administration

The Plan Sponsor and named Plan Administrator is McCorvey Sheet Metal Works, L.P. The Plan's Trustee and Investment Custodian is Fidelity Management Trust Company. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Company has also retained Fidelity Workplace Services LLC to provide participant recordkeeping and administration services.

Eligibility

The Plan covers all employees of the Company, except union employees. All eligible employees must be 21 years of age and may begin participating in the Plan upon completing 6 months of service, with the Plan entry date being the first day of the first, fourth, seventh, and tenth month of the Plan year coinciding with or immediately following the date the eligibility requirements are met.

Contributions to the Plan

Participants may contribute up to 90% of eligible compensation, as defined in the plan document, through payroll withholdings. The Plan also allows participants to make Roth 401(k) deferrals. These deferrals are subject to federal income tax in the year of the deferral. Participants who have attained age 50 before the end of the year are eligible to contribute up to 100% of eligible compensation through payroll withholdings and make additional 'catch-up' contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollovers).

The Company, at the discretion of its Board of Directors, may make matching contributions to the Plan. During the year ended December 31, 2024, the Company elected to contribute 50% of the first 4% of base compensation that a participant contributes to the Plan. For the year ended December 31, 2024, the Company made matching contributions of \$623,768 to the Plan.

For the profit-sharing feature, Company contributions are discretionary and determined each year. Such contributions are invested in a portfolio of investments as directed by plan participant. Participants are allocated profit-sharing contributions if they have completed at least 1,000 hours of service and are employed by the Company as of the last day of the Plan year. For the year ended December 31, 2024, the Company made profit-sharing contributions of \$3,762,566 to the Plan.

Participants direct the investment of both their individual contributions plus their share of employer contributions into various investment options offered by the Plan. The Company's contributions are allocated in the same manner as that of the participant's elective contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service, participants with vested account balances less than \$5,000 are subject to involuntary cash-outs, in which automatic distributions of their account balance will occur without direct consent. In accordance with applicable regulations, vested account balances of \$1,000 or less are to be distributed to the participant in a lump sum, and vested account balances exceeding \$1,000 but not exceeding \$5,000 are to be distributed in the participant's name as a direct rollover to an applicable IRA account. Those participants whose account balances exceed \$5,000 may elect to defer the distribution of their plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability, and retirement. Participants should refer to the full plan document for details.

The Plan allows for in-service distributions upon attainment of age 59 ½ for all deferral contributions, discretionary employer and profit-sharing contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions from vested account balances prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the plan document. Distributions shall be made in the form of lump-sum payments, installments or partial withdrawals.

Vesting

Participants are immediately vested in their contributions (deferrals and rollovers). Vesting in the Company discretionary matching and profit-sharing contributions plus actual earnings thereon is based on years of continuous service. Participants are vested in the Company discretionary matching and profit-sharing contributions based on the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	-0-%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

Forfeitures can be used to reduce future Company contributions or pay plan administration expenses. Unallocated forfeitures as of December 31, 2024 and 2023, were \$194,559 and \$348,863, respectively. For the year-ended December 31, 2024, forfeitures of \$351,877 were used to reduce Company contributions and \$40 were used to offset plan administration expenses.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2024 and 2023, amounts payable to participants were \$5,601 and \$92,389, respectively. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 14, 2025, which is the date the financial statements were available to be issued. Management has determined that no subsequent events require recognition or disclosure in these financial statements.

MCCORVEY SHEET METAL WORKS, L.P. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 3 - Unaudited Information Certified by Trustee

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Fidelity Management Trust Company as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statement(s) of net assets available for benefits as of December 31, 2024 and 2023,
2. All investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024,
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money market funds: Valued at the publicly quoted daily closing price as reported by the fund. The funds held by the Plan are deemed to be actively traded. These investments are deemed to be Level 1.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**MCCORVEY SHEET METAL WORKS, L.P.
PROFIT SHARING PLAN AND TRUST**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31:

As of December 31, 2024				
	Total	Level 1	Level 2	Level 3
Money market account	\$ 5,742,207	\$ 5,742,207	\$ -	\$ -
Mutual funds	39,500,789	39,500,789	-	-
Total assets in the fair value hierarchy	\$ 45,242,996	\$ 45,242,996	\$ -	\$ -
As of December 31, 2023				
	Total	Level 1	Level 2	Level 3
Money market account	\$ 4,276,512	\$ 4,276,512	\$ -	\$ -
Mutual funds	31,559,435	31,559,435	-	-
Total assets in the fair value hierarchy	\$ 35,835,947	\$ 35,835,947	\$ -	\$ -

Note 5 - Party-in-Interest Transactions

Certain plan investments are managed by Fidelity Management Trust Company, who is the Plan's Trustee and Investment Custodian. During the year ended December 31, 2024, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations. The Plan has entered into a revenue sharing agreement with the record keeper. In situations where record keeping revenue received in connection with Plan administration exceeds agreed upon compensation, the record keeper can allocate such excess revenue received to accounts of eligible participants. During the year ended December 31, 2024, the record keeper allocated excess revenue of \$45,793 to eligible participant accounts.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all participant accounts become 100% vested.

PROFIT SHARING PLAN AND TRUST**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 7 - Plan Amendment and Tax Status

The Plan is utilizing a volume submitter plan, which has been filed with the IRS and has received a favorable advisory letter dated June 30, 2020 from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2024.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2024. Written amendments to the plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

The plan document was most recently amended and restated, effective January 1, 2024, to change the basis for determining contributions for new participants in the Plan year in which the employees first become participants. The basis was changed to include compensation for that entire Plan year instead of only the compensation for the participating portion of that Plan year.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	2024	2023
Net assets available for benefits per financial statements	\$ 45,237,395	\$ 35,837,244
Excess contributions refundable to participants	5,601	92,389

2023 profit sharing contribution receivable	<u>5,390</u>
 Increase in net assets available for benefits per the Form 5500	 <u>\$ 9,407,049</u>

Note 10 - Correction of Delinquent Participant Contributions

For the Plan year ended December 31, 2024, the Plan Sponsor has identified certain operational failures that resulted in participants' deferrals being remitted outside the timeframe considered to be as soon as administratively feasible. The Plan Sponsor has corrected the above-mentioned failure, with the deposit of participants' deferrals, employer contributions, and lost earnings on late remittances expected made in 2024.
