INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
General Shale Smart Savings 401(k) Plan
Johnson City, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the General Shale Smart Savings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

The General Shale Smart Savings 401(k) Plan
Independent Auditors' Report

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The General Shale Smart Savings 401(k) Plan
Independent Auditors' Report

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions, as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GENERAL SHALE SMART SAVINGS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the General Shale Smart Savings 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established as a defined contribution pension plan under Section 401(k) of the Internal Revenue Code (IRC). The Plan is available to all hourly employees (except as noted in the Plan’s provisions) of General Shale Brick, Inc. (the “Company” or “Plan Sponsor”) and any affiliated company (as designated by resolution of the board of directors of the Company) who have completed at least six months of service. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Plan is administered by the Pension Committee (the “Committee”), which is appointed by the board of directors of the Company. The Committee is generally responsible for the selection of the Plan’s investment options, except where such responsibility has been properly delegated. Fidelity Management Trust Company (the “certifying entity”) is responsible for the custody and management of the Plan’s investment assets.

Contributions

Participants may contribute to the Plan between 1% and 15% of their gross wages limited to \$23,000 and \$22,500 for the Plan years ended December 31, 2024 and 2023, respectively. The Company contributes a matching contribution equal to 2% of the participant’s gross wages per pay period. The Plan allows all eligible participants to rollover balances from qualifying plans.

The Company also makes an additional automatic contribution to the Plan for eligible employees affected by the freeze of the General Shale Brick, Inc. Retirement Plan for Hourly Employees. The contribution is 2% of earnings for all eligible employees hired on or after January 1, 2011.

The Plan has an automatic enrollment and contributions feature. For each new employee, enrollment in the Plan occurs and contributions of 5% of earnings commence at the time the employee meets the Plan eligibility requirements. Within a reasonable amount of time before the automatic enrollment becomes effective the Plan Sponsor is obligated to provide notice to the affected employees of the policy of automatic enrollment and the policy for changing the initial contribution percentage or revoking the automatic election.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions, and the Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus earnings thereon is based on years of continuous service. A participant vests according to the following schedule:

Less than one year	0%
One year	25%
Two years	50%
Three years	75%
Four or more years	100%

Participant Withdrawals

Participants are entitled to withdraw all or a portion of their vested account balances upon attainment of age 59 ½ or any time thereafter. Upon retirement, participants may withdraw vested benefits prior to age 59 ½ subject to IRC penalties (unless meeting early retirement provisions under the Plan). In case of death, disability, or termination, the entire value of the participant's account may be withdrawn. The Plan also permits participants to withdraw from their accounts in the event of extreme economic hardship as prescribed by the IRC.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (1) \$50,000 reduced by the excess of the participant's highest outstanding loan balance during the 12 months preceding the date on which the loan is made over the outstanding loan balance on the date the new loan is made, or (2) 50% of the participant's vested account balance. Loans are secured by the vested balance in the participant's account and bear interest which is commensurate with local prevailing rates as determined by the plan administrator. Interest rates during the years ranged from 4.25% to 9.25%. Principal and interest are paid ratably through weekly payroll deductions. Loans are available for hardship reasons only, and are for a maximum of five years, unless issued for the purchase of a primary residence, in which case, the loan is for a maximum period determined by the plan administrator.

GENERAL SHALE SMART SAVINGS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Termination of the Plan

The Company anticipates and believes that the Plan will continue without interruption, but reserves the right to discontinue the Plan. In the event that such discontinuance results in termination of the Plan, the Plan provides that the assets of the fund be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements on the modified cash basis of accounting, which recognizes transactions, except for changes in the fair value of investments, when cash is either received or disbursed. Consequently, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present the net assets and changes therein in conformity with U.S. generally accepted accounting principles.

Investments

Investments are reported at fair value. Investments in registered investment companies are valued at quoted market prices, which represent the net asset value of units held by the Plan at year-end. The common/collective trust contains investments in guaranteed investment contracts, which are stated at contract value. However, because these investments are indirectly owned by the Plan, the common/collective trust itself is reported at fair value on the statements of net assets available for benefits (modified cash basis). The Plan's interest in the common/collective trust is valued based on information reported by the certifying entities using financial statements of the common/collective trust at year-end. The net appreciation in fair value of investments consists of the realized gains and losses and the unrealized appreciation on these investments. The cost basis of investment securities used in the determination of net appreciation in the fair value of investments is determined through the use of the average cost method. Dividend and interest income is recorded when received.

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (modified cash basis).

GENERAL SHALE SMART SAVINGS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

The Plan specifies that expenses of the Plan will be paid using the Plan's assets unless paid by the Company. Except for amounts charged as transaction fees to participant accounts, all administrative expenses of the Plan paid during the years ended December 31, 2024 and 2023 were paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFYING ENTITY CERTIFICATION

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedules that was prepared or derived from information prepared by the certifying entity of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the certifying entity that such information is complete and accurate.

Statements of Net Assets Available for Benefits (modified cash basis) – all items and amounts.

Statements of Changes in Net Assets Available for Benefits (modified cash basis) – all items and amounts except for contributions, benefits paid to participants, transfers, and administrative expenses.

Supplemental Schedules (modified cash basis) – all items and amounts, except for delinquent participant contributions.

NOTE 4 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies and units of a common/collective trust managed by the certifying entity, Fidelity Management Trust Company; therefore, these transactions qualify as party-in-interest transactions.

NOTE 5 - FAIR VALUE MEASUREMENTS

In Financial Accounting Standards Board *Accounting Standards Codification* (FASB ASC), fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. FASB ASC establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or inputs that are observable or corroborated by observable market data for substantially the full term of assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

An asset's or liability's classification within the fair value hierarchy is based on the lowest level of significant input to its valuation.

Fair value estimates are made at a specific point in time based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset. The disclosed fair values do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables present the Plan's fair value hierarchy for those assets measured at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 81,576	-	-	81,576
Registered Investment Companies	36,513,770	-	-	36,513,770
Total Assets in the Fair Value Hierarchy	36,595,346	-	-	36,595,346
Investments Measured at Net Asset Value (a)	-	-	-	4,287,397
Total Investments at Fair Value	<u>\$36,595,346</u>	<u>-</u>	<u>-</u>	<u>40,882,743</u>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 83,289	-	-	83,289
Registered Investment Companies	33,589,217	-	-	33,589,217
Total Assets in the Fair Value Hierarchy	33,672,506	-	-	33,672,506
Investments Measured at Net Asset Value (a)	-	-	-	4,763,336
Total Investments at Fair Value	<u>\$33,672,506</u>	<u>-</u>	<u>-</u>	<u>38,435,842</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a description of the valuation methodologies used to determine fair value of the Plan's assets. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The T. Rowe Price Stable Value Fund and Fidelity Managed Income Portfolio Class 1 Stable Value Fund common/collective trusts are comprised of fully benefit-responsive investment contracts valued based on the net asset value (NAV) of units held by the Plan at year-end, which is considered a practical expedient to estimate fair value. As described in Note 2, because the investment contracts are indirectly owned by the Plan, the common/collective trust is reported at fair value of the statement of net assets available for benefits. The Plan has no unfunded commitments related to any of these investments, and there are no Plan initiated restrictions on these investments.

GENERAL SHALE SMART SAVINGS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - FORFEITURES

As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$143,779 and \$390,801, respectively. In accordance with the provisions of the Plan, these accounts will be used to reduce future employer contributions. Forfeitures in the amount of \$517,224 and \$0 were used to reduce company matching contributions during 2024 and 2023, respectively.

NOTE 8 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the statements of net assets available for benefits (modified cash basis) date through October 15, 2025, the date at which the financial statements were available to be issued, and determined there are no items to disclose.

NOTE 9 - SETTING EVERY COMMUNITY UP FOR RETIREMENT ENHANCEMENT (SECURE 2.0) ACT

In December 2022, SECURE 2.0 was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act. Most of the provisions will become effective in 2025 and forward, therefore there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

NOTE 10 - PLAN TRANSFERS

In 2023, General Shale Brick, Inc. merged with Meridian Brick Company, with Meridian Brick ultimately merging their 401(k) plan with the Plan effective January 3, 2023. As a result of the acquisition, \$0 and \$16,274,738 was transferred into the Plan during 2024 and 2023, respectively.

During 2024 and 2023, \$221 and \$45,917, respectively, was transferred from The General Shale 401(k) Plan. The remaining \$710 and \$1,345,769, in 2024 and 2023, respectively, was additional transfers from prior mergers and acquisitions.

During 2024 and 2023, \$122,189 and \$36,868, respectively, was transferred to The General Shale 401(k) Plan.
