In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc., and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of HIV/AIDS Alliance for Regions Two (HAART) Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H - Schedule of Assets and Schedule H – Schedule of Delinquent Contributions as of December 31, 2024, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplement schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule is presented, in all material respects, in conformity to the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**Note A - Description of the Plan**

The following description of the 403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The original effective date of the Plan was May 1, 2021. The Plan is subject to the Employee Retirement Income Act of 1974 (ERISA). Company management oversees the governance of the Plan and believes it is operating in compliance with the most recent rules and regulations.

The Plan is a defined contribution plan covering all employees of HAART that work a minimum of twenty hours a week. There are no years of service or age requirements to participate. Employees are allowed to enter the plan on any day they chose.

Contributions

Each year, participants may contribute a portion of their eligible compensation, as defined in the Plan, subject to maximum amounts and percentages as prescribed in the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts from another qualified retirement plan or IRA. Participants direct the investment of their contributions into various investment options offered by the Plan

The Company will match 100% of an employee's contributions up to 5% of their eligible compensation. The Company can also chose to make a discretionary (base) contribution. Both employee and employer contributions are invested directly in the investment options chosen by the participant. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, any rollover contribution, the Company's matching or discretionary contribution, and the earnings thereon. Each participant directs his or her own individual account and may redirect or exchange his or her account balance at any time. The benefit to which a participant is entitled is the vested portion of a participant's account.

Vesting

Participants are 100% vested in their contributions and any rollover contributions, as well as, the earnings thereon. Vesting in the Company's matching or discretionary contributions are based on a graduated schedule over a six year period as follows:

|                             |      |
|-----------------------------|------|
| Less than 1 year of service | 0%   |
| 1 year of service           | 20%  |
| 2 years of service          | 40%  |
| 3 years of service          | 60%  |
| 4 years of service          | 80%  |
| 5 years of service          | 100% |

Payments of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted for participants who have attained normal retirement age as defined by the Plan.

Participants may withdraw all or a portion of their vested account in the event of a hardship as defined by the Plan and the Code.

Forfeited Accounts

Forfeitures will be used to pay administrative expenses or to reduce employer matching contributions. Forfeitures used during the years ended December 31, 2024 and 2023, were \$53,604 and \$21,969, respectively. Forfeited account balances were \$7,203 and \$3,205 at December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Loans to participants are permitted in the minimum amount of \$1,000. The maximum amount that can be borrowed is the lesser of \$50,000 reduced by the highest outstanding balance in the previous 12 months or 50% of the participant's vested account balance. Each participant is allowed to have two loans outstanding at any given time. The interest rate on the loan is based on the current rates charged by persons in the business of lending money for similar loans at the time the loan is made.

Participant loan payments are made in substantially equal payments through direct, after-tax payroll deductions. Loans are to be repaid over a period of time not to exceed 5 years except that in the case the loan is used for the purchase of a principal residence in which case the loan is payable over a period of time not to exceed 15 years. There is no penalty for early loan repayments.

A loan is considered in default when a participant fails to timely remit payments under the loan when due. The plan administrator may grant the participant a cure period to correct any default which may not extend beyond the last day of the quarter following the quarter in which the loan payment was due. Any loan that has been defaulted and not corrected within the cure period is considered a distribution from the Plan.

SECURE 2.0 Act

On December 29, 2022, President Biden signed the Consolidated Appropriations Act, 2023 (CAA 2023) into law. The CAA 2023 includes the package of retirement provisions described as SECURE 2.0. These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, enabling them to accumulate more assets, and connecting them with those assets when they retire. The required changes in the SECURE 2.0 Act are effective for Plan years beginning on or after January 1, 2024 and fully implemented with Plan years beginning on or after January 1, 2026.

**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**Note B – Summary of Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments are valued on each business day for which there is an established market based upon quoted market prices as of that date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment income includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Payments of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of operating, reporting, compliance, and administration of the Plan are paid by the Company and are therefore excluded from these financial statements.

Date of Management's Review

In preparing these financial statements the Plan has evaluated events and transactions for potential recognition or disclosure through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**Note C –Certified Investments**

Unaudited Information Certified by the Plan Trustee.

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2024 and 2023 and net investment gain and interest for the years ended December 31, 2024 and 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America.

The information certified includes total investments of \$3,574,136 and \$2,483,842 at December 31, 2024 and 2023, respectively and related investment income of \$373,834 and \$320,961 for the years ended December 31, 2024 and 2023, respectively.

**Note D – Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of the mutual funds are based on quoted values of the shares as reported by the fund. The mutual funds are registered with the U.S. Securities and Exchange Commission and must publish their daily net asset value and transact at that price. The mutual funds are considered to be actively traded.

**403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**Note E – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note F - Group Annuity Contract with Insurance Company**

The Plan entered into a benefit responsive group annuity contract with Mutual of America. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The value of the investment contract at December 31, 2024 and 2023 was \$73,795 and \$59,310, respectively. The crediting interest rate was 3% during the years ended December 31, 2024 and 2023.

**Note G - Related Party and Party in Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Mutual of America. Mutual of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Costs associated with the operation, reporting, compliance, and administration of the Plan are paid for by the Company and qualify as party in interest transactions. These party in interest transactions are exempt from prohibited transaction rules of ERISA.

**Note H – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**403(b) Thrift Plan of HIV/AIDS Alliance for Region Two (HAART), Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024 and 2023**

**Note I – Tax Status**

The Plan document is a "prototype" plan and trust. The Company is relying on an Internal Revenue Service (IRS) determination letter, dated March 31, 2017 stating the form of the Plan is acceptable under IRS Code. The Company believes that the Plan is designed and operated in compliance with applicable Code sections and, therefore, maintains its tax-exempt status.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examination for tax years prior to 2021.
