## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Surgical Notes 401(K) Plan  
Alpharetta, Georgia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of the Surgical Notes 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2024 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 Surgical Notes 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the 2024 Audit of the Financial Statements section of our report. We are required to be independent of the Surgical Notes 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Surgical Notes 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Surgical Notes 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Surgical Notes 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental schedules H, line 4i--schedule of assets (held at end of year) and H, line 4a--schedule of delinquent participant contributions, as of December 31, 2024, are presented for purposes of additional analysis and are not required parts of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Other Matter — Auditor's Report on the 2023 Financial Statements***

Predecessor auditors performed an audit of the 2023 financial statements of the Surgical Notes 401(K) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2024, indicated that (a) the amounts and disclosures in the 2023 Financial Statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and

Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

### SURGICAL NOTES 401(K) PLAN

December 31, 2024

#### NOTE A--DESCRIPTION OF PLAN

The following description of the Surgical Notes 401(K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan was a defined contribution plan covering substantially all employees of Surgical Notes MDP LP ("the Plan Administrator" and "the Employer"). Employees were eligible to participate in the Plan on the first day of the month following their completion of 30 days of credited service with the Employer and a minimum age of 21. Union employers and certain non-resident aliens are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: The Plan provided for employee elective pre-tax and/or Roth contributions, not to exceed 90% of compensation, with an Employer safe harbor matching provision. During 2024, the Employer matched 100% of the first 3% of participant compensation deferred plus 50% of compensation deferrals between 3% and 5%. The maximum effective Employer match rate for a participating employee was 4% of participant compensation, except as limited by Internal Revenue Service requirements.

The Plan also provided for discretionary employer contributions to the Plan. No discretionary contributions were made during the year ended December 31, 2024.

Participant Accounts: Each participant's account is credited with their contributions, the Employer's matching contributions, their account's earnings or losses, less an allocation of administration expenses, and an allocation of any Employer's discretionary contribution. All investments are participant directed. Participants may change their investment options on a daily basis.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon and employer contributions and earnings thereon.

Notes Receivable from Participants: New participant loans were not permitted under the Plan. Net assets available for benefits as of December 31, 2024 includes participant loan balances that were transferred into the Plan as a rollover or from a merged plan. The loans were secured by the vested balance in the participant's account and bear interest at rates that range from 4.25% to 6%, which were commensurate with local prevailing rates as determined by the Plan Administrator.

## NOTES TO FINANCIAL STATEMENTS--Continued

### SURGICAL NOTES 401(K) PLAN

#### NOTE A--DESCRIPTION OF PLAN--Continued

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to permanent disability, or termination of employment, participants may elect to receive the value of their accumulated Plan benefits, in accordance with the provisions of the Plan, in a lump-sum distribution. Application may be made for withdrawal of funds from their vested account balances while the participant is an employee in the case of a financial hardship, as defined in the Plan, or upon reaching the age of 59½. The account balances of terminated participants whose balance is less than \$5,000 are automatically distributed to the participant.

Administration: The Plan is administered by the Employer. At December 31, 2024 and 2023, all funds in the Plan were held by John Hancock Life Insurance Company (U.S.A.) ("John Hancock" or "Custodian"). The Plan's custodian invests participants' account balances as directed by the participants in various pooled separate accounts held by the Custodian.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan followed the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance. The financial statements for the Plan are prepared using the accrual basis of accounting.

The Plan's investments were stated at fair value, as further described in Note C. Investment securities, in general, are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amount reported in the statements of net assets available for plan benefits.

Purchases and sales of securities were recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments were calculated based on the difference between the selling price and cost on an average cost basis. Interest income was recorded on the accrual basis. Net appreciation or depreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains/losses for securities held at the end of the year.

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance.

## NOTES TO FINANCIAL STATEMENTS--Continued

### SURGICAL NOTES 401(K) PLAN

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Contributions were recorded on the accrual basis, which recognized participants' contributions and the related Employer matching contributions at the time the participants' contributions were withheld from their wages.

Benefits are recorded when paid.

The Plan was responsible for the payment of administrative expenses. Certain administration expenses were paid by the Employer.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through October 15, 2025, which is the date the financial statements were available to be issued.

#### NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS--Continued

SURGICAL NOTES 401(K) PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024:

Pooled separate accounts: Valued based on quoted market prices of the securities underlying the pooled separate accounts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Pooled Separate Accounts	\$ -0-	\$4,735,763	\$ -0-	\$ 4,735,763

Investments:				
Pooled Separate Accounts	\$ -0-	\$3,963,498	\$ -0-	\$ 3,963,498

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with the Custodian to maintain the investments of the Plan and to provide administrative and participant record keeping services for the Plan. For the year ended December 31, 2024, contributions to the Plan of \$945,210 were

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST--Continued

deposited with the Custodian for investment, and participants of the Plan received distributions of \$924,551 from funds held by the Custodian. At December 31, 2024 and 2023, respectively, the Plan had \$4,748,664 and \$3,994,571 of assets under the Custodian's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from Federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of participant contributions per the financial statements for the year ended December 31, 2024 to Form 5500:

Participant contributions per the financial statements	\$ 603,480
Plus: participant contributions receivable as of December 31, 2023	<u>19,556</u>

SURGICAL NOTES 401(K) PLAN

NOTE G--SUMMARY OF INFORMATION CERTIFIED BY PLAN CUSTODIAN

The total value of the Plan's assets was \$4,748,664 and \$3,994,571 at December 31, 2024 and 2023, respectively. With the exception of contributions receivable, the Custodian has supplied the Plan Administrator with a certification as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, and in the statement of changes in net assets available for benefits for the year ended December 31, 2024, with regard to investment activity.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE H--SUBSEQUENT EVENT

Effective January 1, 2025, the Plan was merged into the Surgical Information Systems, LLC 401K Plan ("the SIS 401K Plan"). An affiliate of Surgical Information System, LLC ("SIS") acquired the Employer during October 2024. All employees of the Employer became employees of SIS effective January 1, 2025. All assets of the Plan (totaling approximately \$4,200,000) were transferred into the SIS 401K Plan during June 2025.
