INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Dale Rogers Training Center Inc. HRA Plan
Oklahoma City, Oklahoma

Opinion

We have audited the accompanying financial statements of Dale Rogers Training Center Inc. HRA (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at Year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

1. PLAN DESCRIPTION

The following description of The Dale Rogers Training Center, Inc. HRA (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan is part of The Dale Rogers Center, Inc. Health and Welfare Trust (the “Trust”). The Plan's custodian is First Citizens Bank (the “Custodian”). Benefit Source Inc. (“BSI”) serves as the third party administrator and recordkeeper to the Plan. BSI is responsible for determining whether claimed benefits are provided for by the Plan, processing claim payments, ensuring the claim payments are correct and within the payment limits stipulated by the Plan, and maintaining all documentation in support of claim payments. Dale Rogers Training Center, Inc (the “Sponsor” or “Employer”) serves as Plan sponsor.

General – The Plan and related trust were established January 1, 2023, to provide health and other benefits to eligible participants. The Plan provides benefits consisting of a Health Reimbursement Arrangement (“HRA”). All employees working 30 hours per week, who are also receiving health benefits, are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Benefits – The Plan provides health reimbursement arrangement benefits for eligible participants and their dependents.

Health Reimbursement Arrangement – The Plan will reimburse covered persons for qualified health expenses incurred, provided the covered employee was enrolled at the time the expense was incurred. Qualified health expenses are amounts paid for the diagnosis, cure, mitigation, treatment or prevention of disease, or for the purpose of affecting any structure or function of the body.

Eligibility – All employees who work 30 hours or more and provide services on a project or contract subject to prevailing wage laws, and if the project and the job performed are covered under the Plan, and are enrolled in Dale Rogers Training Center, Inc. Medical plan or provide proof of qualifying medical coverage from outside the Plan sponsor are eligible to participate.

The date of eligibility begins the first month following 60 days after the employee’s hire date. Terminated employees may elect to use their remaining Plan funds to pay for monthly COBRA fees for up to eighteen to thirty-six months, depending on qualifying events. Any unused funds after this period are forfeited to the Plan.

Employer contributions – Employer contributions are based on government determined prevailing wages. The Sponsor provides an hourly rate contribution which covers the cost of participant benefits. Any funds remaining after paying the employees benefits are allocated to a premium reserve account. The premium reserve account accumulates up to one month of employee only premiums for all benefits. Any excess funds are deposited into the HRA as agreed upon by the Sponsor within the agreement with BSI established for each eligible participant and made available for use in

reimbursing the participant's eligible medical, prescription drug, dental, or vision insurance, or any Medicare premiums

Participant accounts – Each participant’s account is credited with the allocations of the Company’s contributions and charged with applicable administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s allocated balance.

Forfeited accounts – Funds forfeited by participants are used to reduce future employer contributions or pay Plan expenses under the terms of the Plan. During 2024, no forfeitures were used to pay Plan expenses or to reduce employer contributions. There were approximately \$8,000 in forfeited non-vested amounts held in the Plan for the years ended December 31, 2024, and 2023.

Plan termination – In the event the Plan terminates, any and all assets remaining in the Plan (after the payment of all expenses) shall be used for the continuance of one or more benefits of the type provided by the Plan until all assets have been expended.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement preparations – The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of benefits – Benefits are recorded when paid.

Administration – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Monthly administration fees are charged directly to the participant’s account and are included in administrative expenses.

Subsequent events – The Plan Administrator has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.

3. INTEREST IN TRUST

The Plan utilizes the Trust, which is a trust arrangement maintained with BSI for the benefit of multiple employee benefit plans. The assets of the Trust are held by First Citizens Bank. The Trust holds all employer contributions made to the Plan. As of the date of this financial statement, the Trust assets solely consisted of non-interest bearing cash, which represents readily available funds to reimburse participants for qualified medical expenses incurred under the Plan.

The value of the Plan's interest in the Trust is based on the beginning of year value of the Plan's interest in the Trust plus actual contributions less payments and administrative expenses. As of December 31, 2024, and 2023, the Plan's interest in the net assets of the Trust were approximately 84% and 92%, respectively.

The following table presents the investments and other assets and liabilities of the Trust as of December 31, 2024

	<u>Total Trust Cash Balance</u>	<u>Plan's Interest in Trust's Assets</u>
Cash	\$ 2,241,781	\$ 1,878,476

The following table presents the investments and other assets and liabilities of the Trust as of December 31, 2023

	<u>Total Trust Cash Balance</u>	<u>Plan's Interest in Trust's Assets</u>
Cash	\$ 1,895,861	\$ 1,743,272

4. RISKS AND UNCERTAINTIES

The Trust includes cash held within a financial institution. At times, such deposits may be in excess of the Federal Deposit Insurance Corporation (“FDIC”) insurance limit. Plan management does not believe the Plan is exposed to any significant credit risk.

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid expenses that consist primarily of administrative fees paid to BSI. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

6. TAX STATUS

Plan management believes that the Plan qualifies for exemption from income tax under the Internal Revenue Code, and therefore, no provision for income taxes is reflected in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any open tax periods.
