## INDEPENDENT AUDITOR'S REPORT

To the Trustees  
Bozard Ford Company Employees' 401(k) Savings & Protection Plan  
St Augustine, Florida

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bozard Ford Company Employees' 401(k) Savings & Protection Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bozard Ford Company Employees' 401(k) Savings & Protection Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D. to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bozard Ford Company Employees' 401(k) Savings & Protection Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bozard Ford Company Employees' 401(k) Savings & Protection Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

- In performing an audit in accordance with generally accepted auditing standards, we:
- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bozard Ford Company Employees' 401(k) Savings & Protection Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Bozard Ford Company Employees' 401(k) Savings & Protection Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, line 4(a) - schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BOZARD FORD COMPANY EMPLOYEES' 401(K)  
SAVINGS & PROTECTION PLAN**

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023**

**A. Description of Plan:**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General:

The Plan is a single employer defined contribution plan that covers all the employees of Bozard Ford Company (the "Company" or "Employer"). All employees who are age eighteen (18) or older are eligible to participate in the Plan after 90 days of employment. Employees are eligible to receive employer matching and discretionary contributions following the completion of one year of service as defined by accumulating 1000 hours within the 12-month period beginning with the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. All contributions to the Plan are participant directed.

Contributions:

Each year the Employer will contribute to the Plan the following amounts:

- (a) The total amount of salary reduction the participants elect to defer up to the maximum amount allowed by law.
- (b) A matching employer contribution to eligible participants of 25% of the first 4% of compensation.
- (c) A discretionary profit-sharing employer contribution as determined by the Company on a year-to-year basis.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contributions is based on years of continuous service. A participant is 100% vested after 6 years of credited service.

Payment of Benefits:

Upon termination of service, participants may receive the vested value of their account in a lump sum or periodic installments.

There are no amounts allocated for benefit claims that have been processed and approved for payment prior to December 31, 2024 but not yet paid as of that date.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participants account and bear interest at market rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

SAVINGS & PROTECTION PLAN**

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023  
(continued)**

**A. Description of Plan (continued):**

Forfeitures:

Forfeited amounts may be used to reinstate previously forfeited account balances of former participants, if any, and other required contributions of the employer. Any remaining forfeitures may be used to pay the administrative expenses of the Plan. Forfeited non-vested amounts totaled \$4,979 and \$20,091 at December 31, 2024 and 2023, respectively. Forfeitures of \$1,572 were used to pay plan expenses and \$20,091 of forfeitures were used to reduce the employer contribution for the year ended December 31, 2024.

**B. Summary of Significant Accounting Policies:**

Basis of Accounting:

Assets, liabilities, income and expenses are recognized on the accrual method of accounting.

Date of Management's Review:

The Plan has evaluated subsequent events through the date of the independent auditor's report, which is the date the financials were available to be issued, and has determined no subsequent events have occurred that would require adjustment to or disclosure in these financial statements.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, the actual results may differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid.

**B. Summary of Significant Accounting Policies (continued):**

Plan Expenses:

The Plan pays certain administrative and recordkeeping fees; legal, accounting and other services are paid by the employer.

**C. Fair Value Measurements:**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC topic 820 on *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. The hierarchy is measured in three levels based on the reliability of the inputs:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2 Valuations based on inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted prices for similar assets in active or non-active markets.
- Level 3 Valuations derived through the use of valuation models or methodologies using significant unobservable inputs. Level 3 valuations incorporate certain assumptions and projections that are not observable in the market and as a result significant professional judgment may be used in determining the fair values.

Investments in pooled separate accounts are not directly traded on active markets but are valued at net asset value ("NAV") as reported by Massachusetts Mutual Life Insurance Company ("MassMutual") to the Plan. The pooled separate accounts have various investment strategies including growth, value, index and lifetime target. The pooled separate accounts do not have any unfunded commitments. These investments can be redeemed daily absent any redemption restrictions.

**D. Information Certified by the Trustee:**

On December 31, 2020 Empower Retirement LLC. acquired the retirement business of Massachusetts Mutual Life Insurance Company("MassMutual"). Empower Retirement LLC., the Trustee of the plan, utilizes products of Massachusetts Mutual Life Insurance Company("MassMutual"), the Custodian of the plan. The below certification being provided by Empower is under a power of attorney granted by MassMutual.

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, the Trustee of the plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

**BOZARD FORD COMPANY EMPLOYEES' 401(K)  
SAVINGS & PROTECTION PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2024 and 2023**

**(continued)**

**E. Related Party Transactions:**

Certain Plan investments are pooled separate accounts issued by MassMutual and administered by Empower Retirement LLC., the Plan trustee; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to MassMutual, for investment management services are included in net change in fair value of investments. Administrative expenses of \$5,591 include \$1,429 paid to Empower Annuity Insurance Company and \$3,660 paid to Retirement Solutions Specialists for recordkeeping services for the year ended December 31, 2024.

**F. Plan Termination:**

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**G. Federal Income Tax Status:**

The Internal Revenue Service has opined and informed FIS Business Systems LLC, the volume submitter by letter dated June 30, 2020, that the Volume Submitter 401k Plan adopted by the Employer is designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained by the relevant taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

**H. Risks and Uncertainties:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**I. Delinquent Participant Contributions:**

For the year ended December 31, 2024, the Plan did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, which totaled \$27,839, The Plan intends to enter the Department of Labor Voluntary Correction Program (VCP). The Company has estimated the amount of correction payments due to the Plan and determined that the amount is immaterial.
