INDEPENDENT AUDITORS' REPORT

To the Benefits Committee of
PDS VEBA Trust Group Insurance Arrangement and Welfare Benefits Plan:

Opinion

We have audited the financial statements of PDS VEBA Trust Group Insurance Arrangement and Welfare Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

To the Benefits Committee of
PDS VEBA Trust Group Insurance Arrangement and Welfare Benefits Plan:

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 – Description of the Plan

The following description of the PDS VEBA Trust Group Insurance Arrangement and Welfare Benefits Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan provides health and other benefits to eligible employees of Pacific Dental Services, LLC and affiliates (the Company) and covered dependents. Temporary part-time employees, trial, seasonal, on-call employees, employees classified as interns, non-resident aliens with no U.S source income, employees covered by a collective bargaining agreement, independent contractors, casual employees, or any other non-regular employee are excluded from the Plan.

Certain plan assets are held in the PDS Voluntary Employees' Beneficiary Association Trust, a voluntary employees' beneficiary association (VEBA) trust. Principal Bank is the trustee. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended.

Insured Benefits

All benefits offered by the Plan are fully insured. The Plan offers several insurance benefits, life insurance (basic term life insurance, optional employee term life insurance, and dependent term life insurance), accidental death and dismemberment (AD&D) benefits (basic AD&D, optional employee only AD&D), Short-Term Disability (STD), Long-Term Disability (LTD), vision insurance, and other voluntary insurances. Premiums for all insured benefits are paid from the assets of the VEBA trust.

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA) for a period up to 18 months from termination.

AND WELFARE BENEFITS PLAN**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 – Description of the Plan (Continued)

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Contributions to the Plan include amounts from both the Company and participants. The Company pays a specified portion of the premiums for basic term life and AD&D insurance while the participants cover the remaining portion as outlined in the plan document.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Amounts due to insurance carriers or third-party administrators that have yet to be paid by the VEBA trust are recorded as premiums payable or administrative fees payable in the accompanying statements of net assets available for benefits. There are no premiums payable as of December 31, 2024.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2025, the date the financial statements were available to be issued.

AND WELFARE BENEFITS PLAN**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 3 – Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party administrators. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

NOTE 4 – Tax Status

The VEBA trust, which funds certain benefits of the Plan, received an exemption letter from the Internal Revenue Service dated April 11, 2016, stating that the VEBA trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time, the VEBA trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

In addition, the Plan and the VEBA trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the VEBA trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – Termination of the Plan

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of, benefits for, or on account of, the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

AND WELFARE BENEFITS PLAN**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 6 – Related-Party Transactions

Certain plan assets were held in an interest-bearing cash account managed by the trustee of the Plan. As described in Notes 1, 2, and 3, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.
