INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
M. Eddie Moore Scholarship Trust Fund
Capitol Heights, Maryland

Opinion

We have audited the accompanying financial statements of M. Eddie Moore Scholarship Trust Fund (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of M. Eddie Moore Scholarship Trust Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan

amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 1. **Description of Plan**

The following description of the M. Eddie Moore Scholarship Trust Fund (“the Plan”) provides only general information about the Plan’s provisions. Participants should refer to the plan agreement for a complete description of the Plan’s provisions, copies of which may be obtained from the Plan sponsor.

General - The Plan was established as a scholarship fund pursuant to an agreement and Declaration of Trust (“the Trust”), effective April 6, 1992, by the members of Steamfitters Local Union No. 602 of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada (“the Union”). The Mechanical Contractors Association of Metropolitan Washington, D.C., Inc., (MCAMW) and the Union entered into a memorandum of understanding to amend their current collective bargaining agreement effective August 1, 2012 to allow employer contributions to a scholarship trust fund for the benefit of its member employees. Upon restatement of the Trust effective August 1, 2012, the Plan is considered a multiemployer defined benefit health and welfare benefit plan. The Plan is governed by the board of trustees and is subject to the Employee Retirement Security Act of 1974 (ERISA), as amended.

Benefits - The Plan provides scholarships for the benefit of union members, their families, and dependents for study at educational institutions. Scholarship recipients are determined annually by the selection committee. The selection committee is appointed by the Trustees. Scholarship recipients must be listed as a dependent under the Heating, Piping and Refrigeration Medical Fund to receive benefits from the Plan.

Employer Contributions - Effective August 1, 2023, the collective bargaining agreement was modified to provide for employer contributions to the Plan at the rate of \$0.12 for each hour worked by employees whose wages are covered by the collective bargaining agreement.

Note 2. **Summary of Significant Accounting Policies**

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 2. **Summary of Significant Accounting Policies - (Continued)**

Cash and Cash Equivalents - For purposes of the statements of net assets available for benefits, the Plan considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Employer Contributions Receivable - This amount represents employer contributions outstanding at year-end for work performed in the Plan year and received in the first few months following the close of the Plan year. It does not include any additional amounts that may be due from delinquent contributing employers. The amount of any delinquencies is estimated not to have a material effect on the financial statements.

Revenue Recognition - Employer contributions are recognized in the year in which the related work was performed. Contributions from individuals are recorded at the earlier of when received or a donor makes an unconditional promise to give.

Payment of Benefits - Scholarships are reported as expense when awarded.

Expenses - The Plan's expenses are paid by the Plan, as provided by the plan document. Expenses incurred in connection with the general administration of the Plan, including certain investment-related expenses, are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Note 3. **Tax Status** - The Plan received an exemption letter from the IRS dated August 28, 2014, stating that the Plan is exempt from federal income taxes in accordance with the provisions of Section 501(c)(3) of the Internal Revenue Code (IRC), except for taxes on unrelated business income. However, as a result of the Plan's funding policy, from time to time the Plan may be subject to income taxes. The Plan had no unrelated business income for the years ended December 31, 2024 and 2023.

In addition, the Plan and the Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

- Note 4. **Plan Termination** - Although it has not expressed any intention to do so, the Plan's Board of Trustees, as sponsor, has the right, subject to the provision of any pertinent collective bargaining agreement, to terminate or amend the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants.
- Note 5. **Party in Interest Transactions** - As described in note 2, the Plan paid certain expenses related to plan operation to various service providers. These transactions are considered to be exempt party in interest transactions under ERISA.
- Note 6. **Concentrations of Credit Risk** - Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash accounts with financial institutions and money market funds held by investment advisors which are not covered by Federal Deposit Insurance Corporation (FDIC) insurance. Cash balances with commercial banks are covered by the FDIC up to specified limits.
- Note 7. **Subsequent Events** - In preparation of these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2025, which is the date the financial statements were available to be issued.
