**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1)  Unmodified (2)  Qualified (3)  Disclaimer (4)  Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1)  DOL Regulation 2520.103-8 (2)  DOL Regulation 2520.103-12(d) (3)  neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CROWE LLP

(2) EIN: 35-0921680

**d** The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1)  This form is filed for a CCT, PSA, DCG or MTIA. (2)  It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

|  | Yes | No | Amount  |
|--|-----|----|---------|
| <b>a</b> Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)                 |     | X  |         |
| <b>b</b> Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? ## INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Administrator  
Distribution Solutions Group Retirement Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Distribution Solutions Group Retirement Plan, formerly the Lawson Products, Inc. and Certain Affiliates Retirement Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

---

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4(i), Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DISTRIBUTION SOLUTIONS GROUP RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

---

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Distribution Solutions Group Retirement Plan, formerly known as the Lawson Products, Inc. and Certain Affiliates Retirement Plan, (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a contributory, participant-directed, match, and profit sharing plan. Effective January 1, 2012, the Plan was amended to provide for "safe harbor" matching contributions. An eligible employee of Lawson Products, Inc. (the Company or Lawson) or of an affiliated company that has adopted the Plan may participate by making before-tax contributions as well as after-tax Roth contributions commencing on the first day of the month coincident with or next following their employment date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Automatic Enrollment: An eligible employee shall automatically become a participant of the Plan as soon as administratively practicable. Participants are automatically enrolled at 3% of eligible compensation after 60 days if the participant does not make any elections. The amount of the deemed contribution shall increase by 1% on the anniversary of the participant's entry date until the before-tax contributions equals 15% of the participant's compensation. The participant may elect, at any time, not to make a before-tax contribution, elect a different level of before-tax contributions, or elect to make after-tax Roth contributions.

Contributions: Each year, a participating employee may contribute from 1% to 50% of annual compensation, subject to maximum amounts established by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participating employees are eligible for a company matching contribution of 100% of each \$1 of before-tax contributions and after-tax Roth contributions, up to 3% of the participant's compensation and 50% of each \$1 of before-tax contributions and after-tax Roth contributions, in excess of 3% of the participant's compensation not to exceed 5% of the participant's compensation. Effective May 2020 the match was made quarterly. The amounts of the Company's annual profit-sharing contributions are determined annually by the Board of Directors subject to certain limitations, as defined. This profit sharing contribution is allocated to the accounts of participants who are employed on the last day of the plan year, based on the participants' eligible compensation. For the year ended December 31, 2024, there were no profit sharing contributions. Participants who perform less than one year of service during a plan year, as defined, or terminated employment for reasons other than death, total and permanent disability, or retirement do not share in the allocations of the Company's contributions and forfeitures. All Lawson employees are eligible for the Company's matching contribution and annual profit sharing contribution.

Participant Accounts: Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) the Plan's earnings, and (c) Company profit sharing contributions, as applicable, and is charged with his or her withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations are based on participant earnings or account balances, as defined. Each participant directs the investment of their account to any of the investment options available under the Plan.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Participants are immediately vested in their contributions and the Company match contribution plus actual earnings thereon. The Company's profit sharing contribution and earnings thereon is based on years of continuing service. Employees are 100% vested after six years of credited service.

DISTRIBUTION SOLUTIONS GROUP RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

---

**NOTE 1 - DESCRIPTION OF PLAN** (Continued)

Forfeitures: Participant forfeitures may be used to either reduce the employer contribution and/or to pay administrative expenses of the Plan. As of December 31, 2024 and 2023, forfeited nonvested accounts and forfeitures totaled \$200,242 and \$251, respectively.

Payment of Benefits: Generally, benefit payments are made in the event of retirement, death, disability, termination of employment, financial hardship, or attainment of age 59-1/2, as defined by the Plan. The vested balance in the participant's account will be distributed to the participant or the participant's beneficiary in either a lump sum or substantially equal installments over a specified period of time.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years. Loan terms for the purchase of a principal residence may be longer than five years. Principal and interest are paid ratably through payroll deductions. Loans bear a reasonable rate of interest and are secured by the participant's account.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit-responsive investment contracts, are reported at fair value as further described in Note 5. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts as described in Note 6, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits: Benefits are recorded when paid.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Market risks include risks associated with ongoing global events. Due to the level of risk associated with certain investments, and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent events: Plan management has evaluated subsequent events for recognition and disclosure through October 15, 2025, which is the date the financial statements were available to be issued.

Effective January 1, 2025, the TestEquity 401(k) Savings Plan (the "TestEquity Plan"), HISCO 401(K) Plan (the "HISCO Plan"), and Gexpro Services 401(k) Savings Plan (the "Gexpro Plan") were merged with the Plan and this surviving plan was renamed Distribution Solutions Group Retirement Plan (the "DSG Plan"). Eligible participants of the TestEquity Plan, HISCO Plan, and Gexpro Plan became participants in the Plan on the effective date of the merger.

HISCO Plan assets of \$102,325,935 and TestEquity Plan assets of \$435,975 were transferred into the Plan's trust one day prior to the effective date of the merger, on December 31, 2024, and are reflected in investments on the statement of net assets available for benefits. As the HISCO and TestEquity Plan retained legal title to the assets as of December 31, 2024, offsetting liabilities were recorded under HISCO plan assets held prior to merger and TestEquity plan assets held prior to merger on the statement of net assets.

Remaining TestEquity Plan assets of approximately \$28 million and Gexpro Plan assets of approximately \$39 million were transferred into the Plan's trust on January 2, 2025.

**NOTE 3 - RIGHTS UPON PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested, and the available assets will be allocated to participants in accordance with the Plan's provisions.

**NOTE 4 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the trustee of the Plan.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. Transfers between hierarchy measurement levels are recognized by the Plan as of the beginning of the reporting period.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair value of investments apply to investments held directly by the Plan.

*Mutual Funds:* The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

*Collective Trust and Stable Value Funds:* The fair values of investments in collective trust and stable value funds are determined using the net asset value (NAV) per unit as a practical expedient, based on the fair value of the underlying assets held by each fund as reported by the respective fund managers at year-end.

Investments in collective trusts are measured at NAV, which represents the fair value of the underlying investments held by the funds, divided by the total number of outstanding units. Participant-level redemptions are permitted daily at NAV. Certain collective trust funds require advance written notice—typically five business days—for plan-level withdrawals that exceed \$1,000,000 or 5% of the Plan's investment in that fund at the time of the withdrawal. The underlying funds invest in diversified portfolios of equity and fixed-income securities. The Plan has no unfunded commitments related to these investments and does not have the ability to redeem such investments at an amount other than NAV per unit.

The stable value fund is designed to provide capital preservation and steady returns. The fund primarily invests in a diversified portfolio of high-quality fixed-income instruments and fully benefit-responsive investment contracts issued by insurance companies and banks, including traditional guaranteed investment contracts (GICs) and security-backed or synthetic GICs. Traditional GICs are valued at contract value, which represents the principal balance plus accrued interest, and their fair value is estimated using a discounted cash flow model that incorporates current market interest rates for similar instruments. Security-backed GICs are comprised of an underlying portfolio of investment-grade fixed-income securities, combined with wrap contracts issued by highly rated financial institutions. The wrap contracts credit interest to participants at rates that are typically reset quarterly and are designed to amortize the difference between the fair value and contract value of the underlying assets over their duration.

DISTRIBUTION SOLUTIONS GROUP RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

**NOTE 5 - FAIR VALUE MEASUREMENTS** (Continued)

Participant-level transactions within the fund occur daily at contract value, while plan-level redemptions may be subject to withdrawal restrictions or delays in order to protect the interests of all participants. There are currently no events probable of occurring that would limit the Plan's ability to transact with participants at contract value, and issuers may terminate investment contracts only under circumstances such as a breach of representation or insolvency of the Plan sponsor.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis which are summarized below.

DISTRIBUTION SOLUTIONS GROUP RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

---

**NOTE 6 - TRADITIONAL INVESTMENT CONTRACT WITH INSURANCE COMPANY**

Previously, the Plan entered into a fully benefit-responsive investment contract with Brighthouse Financial, Inc. (“Brighthouse” or “Issuer”). Brighthouse maintained the contributions in its general account. The Plan’s contract investment balance was credited with earnings based upon contractually determined crediting interest rates and charged for plan withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the Issuer or otherwise. The crediting interest rate was determined quarterly and is based on an agreed-upon formula with the Issuer but cannot be less than zero. The contract value of the Plan’s fully benefit-responsive investment contract at December 31, 2023 was \$106,899.

The Plan’s investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances include Plan termination or merger; premature contract termination initiated by the Company; the establishment of another plan or program to which participants contribute; and a spin-off, sale or merger of any unit of the employer or plan sponsor causing a group of participants to be excluded from eligibility. The contract limits the circumstances under which the Issuer may terminate the contract. Examples of circumstances which would have allowed the Issuer to terminate the contract include the Plan’s termination, loss of its qualified status, addition of a competing investment option to the Plan, or breaches of the contract responsibilities. If one of these events were to occur, the Issuer could terminate the contract at an amount less than contract value.

During the year ended December 31, 2024, the Plan liquidated its investment in the traditional fully benefit-responsive investment contract issued by Brighthouse Financial, Inc. At December 31, 2024, the Plan held no direct investment contracts with insurance companies.

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds investments in shares of mutual funds managed by Fidelity Investments, an affiliate of the plan trustee. These transactions qualify as party-in-interest transactions. Actual fees paid by the Plan for recordkeeping services and investment management fees to an affiliate of the trustee also qualify as party-in-interest transactions. Certain plan investments were held in a group deferred fixed annuity contract offered by Brighthouse Financial, Inc., therefore, these transactions qualified as party-in-interest transactions. Such costs are included in administrative expenses or a reduction of net appreciation (depreciation) in the accompanying financial statements. Notes receivable from participants also reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Lawson Products, Inc. pays certain professional fees for the administration of the Plan.

**NOTE 8 - INCOME TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated September 24, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**NOTE 8 - INCOME TAX STATUS** (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.
