We have performed audits of the accompanying financial statements of Doral Automotive Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Doral Automotive Group, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Doral Automotive Group, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Doral Automotive Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Doral Automotive Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Doral Automotive Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter —Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

### December 31, 2024 and 2023

#### 1. Plan Description

The following description of the Doral Automotive Group, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

- a) *General* – The Plan is a 401(k) defined contribution plan covering substantially all full-time employees of Doral Automotive Group LLC and participating affiliated companies (collectively, the "Company") who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and was effective on January 1, 2020.
- b) *Contributions* – Each year participants may contribute to the Plan up to 90% of their pre-tax annual compensation, subject to certain IRS limitations. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans ("rollover contributions").

The Company makes matching contributions to the individual account of each employee. All Company contributions are invested as directed by the participants. Contributions are subject to certain limitations and eligibility requirements. For the year ended December 31, 2024 and 2023, the Company contributed a matching contribution equal to 25% of the first 4% of compensation that a participant contributed to the Plan. Company match contributions for the year ended December 31, 2024 and 2023 were \$106,292 and \$97,586, respectively.

The Company, at its discretion, may also make a contribution to the Plan that will be allocated to eligible participant accounts as specified by the Plan. No such contributions were made for the year ended December 31, 2024 and 2023.

Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

Allocations are based on participant earnings or account balances, as defined. Administrative expenses may be charged based on account balances or charged equally to each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- d) *Vesting* – Participant contributions and rollover contributions, plus actual earnings thereon, are 100% vested at all times. Participants vest in Company contributions based upon the following schedule:

<i>Years of Service</i>	<i>Vesting Percentage</i>

Principal and interest is paid ratably through monthly payroll deductions. Loans are repayable within 5 years unless the loan is used for the purchase of a primary residence, in which case the loan may be repaid within a period of up to 30 years.
- f) *Payment of Benefits* – Upon termination of service, retirement, disability or death, participants may elect to receive either a lump-sum or installment payments until age 70½, amount equal to the value of the vested interest in their account or rolled over into a qualified plan, subject to regulatory requirements. g) *Forfeited Accounts* – As of December 31, 2024 and 2023 there was \$1,115 and \$1,356 in forfeited nonvested accounts, respectively. During 2024, forfeitures of \$1,567 were used to reduce Company contributions.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

### Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from these estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Payment of Benefits

Benefit payments to participants are recorded when paid.

## Notes to Financial Statements

### December 31, 2024 and 2023

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024.

#### Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### 3. Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2024 through October 15, 2025, which is the date the financial statements were available to be issued.

Effective March 11, 2025, the Company terminated recordkeeping services with ADP. After this time, Voya became the recordkeeper for the Plan. Plan assets were transferred out of ADP as of April 30, 2025.

### 4. Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental material was obtained from data that has been prepared and certified to as complete and accurate by the Plan's trustee, Reliance Trust Company, as of December 31, 2024 and 2023.

<u>December 31,</u>	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Mutual funds	\$ 3,869,224	\$ 3,137,339

<i>Year ended December 31,</i>	<i>2024</i>

Net appreciation in fair value of investments	\$ 332,044
Interest and dividends	135,364
Other income	44
Interest income, notes receivable from participants	10,473
	10,473

**5. Fair Value Measurements**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, level 2 inputs consist of quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets in inactive markets; and level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

## Notes to Financial Statements

### December 31, 2024 and 2023

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust – The units of the common collective trust account is stated at fair value as determined by the issuer of the account based on the fair value of the underlying investments. Individual participant accounts invested in the common collective trust account are maintained on a unit value basis.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value.

	<i>Investment Assets at Fair Value as of December 31, 2024</i>			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,869,224	–	–	\$ 3,869,224

Investments, at fair value	3,873,352	–	–	3,873,352

	<i>Investment Assets at Fair Value as of December 31, 2023</i>			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,137,339	–	–	\$ 3,137,339

## Notes to Financial Statements

### December 31, 2024 and 2023

#### **6. Risks and Uncertainties**

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### **7. Related Party Transactions and Party in Interest transactions**

During the year, Plan investments were managed by ADP, LLC. ADP provided administrative services to the Plan, and therefore qualifies as a party-in-interest to the Plan. Reliance Trust Company served as trustee to the Plan and therefore qualifies as a party-in-interest to the Plan.

#### **8. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### **9. Tax Status**

The Plan is a pre-approved defined contribution plan ("Pre-approved Plan") sponsored by ADP, LLC ("ADP"). ADP obtained its latest opinion letter dated October 06, 2020 that the Pre-approved Plan, as then designed, was in compliance with the applicable requirements of IRC. is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan management believes that the Plan is currently designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified, as the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.
