## INDEPENDENT AUDITOR'S REPORT

To the Trustees  
Sanco Enterprises, Inc. Employee Benefit Plan  
Shoreview, Minnesota

### **Opinion**

We have audited the accompanying financial statements of Sanco Enterprises, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits and of benefit obligations as of December 31, 2024, and the related statement of changes in net assets available for benefits and of changes in benefit obligations for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024, and the changes in its net assets available for benefits and benefit obligations for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting**

As discussed in Notes 1 and 2 to the financial statements, the Plan's sponsor approved a plan liquidation, and management determined liquidation is imminent. As a result, the Plan used the liquidation basis of accounting in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedules 1 and 2, as of and for the year December 31, 2024 are presented for purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 1 DESCRIPTION OF PLAN**

The following description of the Sanco Enterprises, Inc. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**GENERAL**

Sanco Enterprises, Inc. (the Company) is the sponsor of the Plan. The Plan is self-insured and provides health and prescription drug benefits to eligible employees and their dependents. The Plan is administered by the Company with claims administration being performed by a designed third-party administrator.

The Plan was established effective January 1, 2024 and on that date the Company also entered into an agreement to fund the Plan through a trust administered by a third-party. The Plan and its funding through the related trust are subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Company terminated the Plan's arrangement with The Benecon Group, LLC (Benecon) effective December 31, 2024. In connection with the Company's decision to terminate the trust arrangement, the Company also decided to move the health and prescription drug benefits previously offered by the Plan to the Sanco Enterprises Health & Welfare Benefit Plan, a separate plan sponsored by the Company, effectively terminating the Plan as of December 31, 2024. The remaining assets of the Plan were distributed to the Company in 2025.

**ELIGIBILITY AND BENEFITS**

The Plan provides the benefits described above to eligible employees and their dependents. Participation in the Plan by eligible employees is voluntary. Thermo King Union Employees working at least 30 hours per week are eligible for coverage under the plan upon completing a waiting period of 60 days. All other employees working at least 30 hours per week are eligible for coverage upon completing a waiting period of 30 days.

**CONSORTIUM**

The Plan participates in the VERIS Benefits Consortium, a self-funded group purchasing program that provides medical and prescription drug coverage to its members. Premiums are determined using uniform underwriting criteria and plan options vary by deductibles, coinsurance, co-pays, and out-of-pocket limits.

The Consortium operates under a self-insured model with stop-loss and aggregate reimbursement protection. Members are fully funded through premiums and pay fees based on enrolled employees to cover administrative and professional expenses.

Members agree to pay funding rates set by participating carriers, which include administrative fees, stop-loss and aggregate premiums, expected claims, and reserves. Benecon Group, Inc. provides underwriting, claims and risk management, accounting, consulting, and system support services.

Members are responsible for reimbursing paid claims up to the aggregate liability limit. Any excess is reimbursable only to the extent of available monthly surplus. In some months, members may need to advance funds temporarily until aggregate reimbursements are received.

**SANCO ENTERPRISES, INC. EMPLOYEE BENEFIT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024

---

CONTRIBUTIONS

Veris Benecon establishes annual claim funding levels based on enrollment and participant elections at the beginning of each plan year. Sanco Enterprises, Inc funds the required amounts for claims, stop-loss insurance and administrative expenses on a monthly basis. The cost of the self-funded medical coverage is shared between the Company and participants, with employee contributions withheld through payroll deductions in accordance with the Plan provisions.

SELF-INSURED BENEFITS

The company self-insures the benefits offered by the plan. The claims for self-insured benefits are processed by the Plan's third-party claims processor. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's trust.

STOP LOSS COVERAGE

The Plan has entered into a stop-loss insurance arrangement with HM Life Insurance Company in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The specific deductible amount is \$50,000. The aggregate limit is approximately \$1,000,000.

**Note 2 SUMMARY OF ACCOUNTING POLICIES**

BASIS OF ACCOUNTING

As a result of the Company's decision to terminate the Plan, the Plan considers liquidation to be imminent and, therefore, the financial statements of the Plan as of and for the year ended December 31, 2024 are presented on the liquidation basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and reported additions and deductions from net assets. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

STOP LOSS

Premiums for stop loss insurance are included in premiums paid for insurance coverage in the accompanying

Statement of Changes in Net Assets Available for Benefits. Stop loss reimbursements totaling \$738,985 for 2024 have been netted against benefits paid on behalf of participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

**ADMINISTRATIVE EXPENSES**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Employer on behalf of the Plan and are excluded from these financial statements.

**PAYMENT OF BENEFITS**

Premiums paid for insurance coverage and benefits paid on behalf of participants are recorded when paid. Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have yet to be reimbursed by the Plan are recorded as payable to the claims administrator in the benefit obligation, as disclosed in the accompanying Statements of Benefit Obligations.

**BENEFIT OBLIGATION, INCLUDING CLAIMS INCURRED BUT NOT REPORTED**

The Plan's obligation for claims incurred but not reported is estimated based on claims data subsequent to the financial statement date provided by the Plan's third-party claims administrator. The estimate also takes into consideration prior claims experience and the expected time period from the date such claims are incurred to the date that the related claims are submitted and paid. This amount is paid by the Plan only if claims are submitted and approved for payment.

**SUBSEQUENT EVENTS**

Plan management evaluated subsequent events through October 15, 2025, the date the financial statements were available to be issued.

**Note 3 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

---

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

The Plan's investment in a interest bearing cash account. Accordingly, the fair value of this financial instrument is classified within Level 1 of the fair value hierarchy.

**Note 4 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan engages in transactions with parties that are considered related to the Plan Sponsor. These transactions may include services provided by entities that have a direct or indirect relationship with the Plan, its Sponsor, or its service providers. Related parties during the year included UMB Bank (asset custodian), The Benecon Group (Plan administrator), RAM Benefits (broker), and other affiliated or related entities.

During the year, the Plan incurred administrative fees, investment management fees, and other expenses totaling \$105,987, which were paid to these related parties in the normal course of Plan operations.

**Note 5 TAX STATUS**

The trust of the Plan is structured as a taxable trust to serve as a funding vehicle for the Plan under appropriate sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of IRC. The trust has not generated taxable income during the year ended December 31, 2024.

Accounting policies generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 6 PLAN TERMINATION**

The Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and amend or terminate the Plan subject to the provisions set forth in ERISA. As discussed in Note 1, the Company resigned from the Consortium effective December 31, 2024, and the Plan was terminated effective December 31, 2024.

**Note 7 RISKS AND UNCERTAINTIES**

The Plan maintains its investments in an interest bearing cash in a bank account which may have, at times, exceeded federally insured limits. The Plan did not experience any losses in the account. The Plan believes it was not exposed to any significant credit risk on cash.

The liability for claims payable and claims incurred but not reported (IBNR) at December 31, 2024 were estimated by management using Plan provisions, the number of eligible participants, and the actual lag patterns of the Plan. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements account.

**Note 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**
