## Independent Auditor's Report

Employee Benefits Committee  
Children's Health System, Inc. 401(k) Plan  
Norfolk, Virginia

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements***

We have performed an audit of the financial statements of Children's Health System, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2024 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2024 financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2024 financial statements.

In preparing the 2024 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2024 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2024 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the 2024 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Report on the 2023 Financial Statements***

Predecessor auditors performed an audit of the 2023 financial statements of Children's Health System, Inc. 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 28, 2024 indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from,

in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1. Description of Plan**

The following description of the Children's Health System, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### ***General***

The Plan is a defined-contribution plan that is sponsored by Children's Health System, Inc. ("CHS"). The Plan is a defined-contribution plan of a controlled group which provides savings benefits for substantially all employees of the following controlled group entities: Children's Health System, Inc., Children's Hospital of the Kings Daughters, Incorporated, Children's Surgical Specialty Group, Inc., Children's Medical Group, Inc., and CMG of North Carolina, Inc. Substantially all employees are eligible to become participants upon hire. The Plan's provisions were designed to qualify under Section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's Employee Benefits Committee is responsible for oversight of the Plan, appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Children's Health System, Inc. Board of Directors. The trustee of the Plan's assets is Principal Trust Company. The trustee executes investment transactions under a participant-directed arrangement.

### ***Contributions***

In accordance with the provisions of the Plan, CHS employees who elect to participate may contribute up to 85% of their annual earnings on a pretax and after-tax (Roth) basis, subject to certain limitations under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover contributions). Throughout 2024 and 2023, CHS made matching contributions on elective deferral contributions as follows: 100% of the first 3% and 50% of the next 2% of each eligible participant's contributions. CHS employees who elect to participate are eligible to receive matching contributions upon completion of 1 year of service.

Subsequent to year-end, the plan was amended to eliminate the 1-year service eligibility period for matching contributions and to amend the matching contribution calculation to be as follows: 100% of the first 4% and 50% of the next 2% of each eligible participant's contributions. These amendments are effective January 1, 2025.

Additionally, in accordance with the Plan Document, CHS can make discretionary non-elective contributions to the Plan on behalf of specified employees who are employed in the capacity of a director and who are non-highly compensated employees, as defined. These discretionary contributions are governed by the Plan Document of the Director's Retirement Plan and totaled \$166,575 and \$135,425 in 2024 and 2023, respectively, and are included in employer contributions on the statements of changes in assets available for benefits.

### ***Participant Investment Account Options***

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

**Children's Health System, Inc. 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

---

***Participant Accounts***

Each participant's account is credited with the participant's contribution, matching contributions as well as allocations of Plan earnings (losses), and charged with benefit payments, transaction fees related to distributions, and allocations of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are vested immediately in their own contributions and in employer matching contributions plus actual earnings thereon. Additionally, participants in the Director's Retirement Plan are immediately vested in the discretionary nonelective contributions made by CHS.

***Notes Receivable from Participants***

Participants may borrow against their accounts a minimum of \$1,000 up to a maximum of \$50,000 reduced by the highest outstanding loan balance during the past 12 months, or 50% of their vested account balance, subject to certain Plan restrictions. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% as determined by the plan and must be repaid over five years. At December 31, 2024 and 2023, outstanding loans bore interest rates ranging from 4.25% to 9.50%. If the loan is made for the purchase of a participant's residence, the loan may be repaid over a reasonable period of time that may be longer than five years. Principal and interest is paid ratably through bi-weekly and semi-monthly payroll deductions.

***Payment of Benefits***

On termination of service, normal retirement age of 65, becoming permanently disabled, or death, a participant or their designated beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or other flexible installments over the life of the participant, not to exceed his or her life expectancy. The Plan will make involuntary cash outs of account balances of terminated vested participants of \$1,000 or less. In addition, eligible rollover distributions of account balances greater than \$1,000 but not greater than \$7,000 will be subject to the automatic rollover requirements. The Plan also allows in-service distributions at age 59½. Participants are also permitted emergency hardship withdrawals, subject to certain plan restrictions.

***Forfeitures***

There are no forfeited nonvested accounts.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

***Use of Estimates***

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

***Investment Valuation and Income Recognition***

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Employee Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Contributions***

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Certain expenses of the Plan may be paid directly by CHS and are excluded from these financial statements. Management fees and operating expenses of the Plan's investment funds are paid by the investment funds. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. A portion of the management fees for certain investment funds is returned and allocated to participants who are invested in the funds, which practice is commonly referred to as "revenue sharing." Additionally, each participant's account is charged a plan service charge, calculated on a basis point formula, to cover permissible recordkeeping and trustee fees, as well as investment advisory, audit, and legal related fees. These permissible fees are included in administrative expenses.

***ERISA Account***

Plan participants are charged with a plan service charge on a monthly basis and these funds are used to pay permitted plan expenses. Plan service charges are charged in terms of a basis point formula in accordance with the Plan Document. In order for the Plan to receive credits as a result of the plan service charge arrangement, and to use these credits to pay plan expenses, an ERISA account was created under the Plan. The ERISA account is a noninterest bearing cash account held outside of the plan and is used to track the redistribution of service charges and expenses that exceed the costs associated with plan administration. The amount of unallocated funds held in the ERISA account at December 31, 2024 and 2023 was \$39,949 and \$31,740, respectively. The Plan allows for the calculated excess in the ERISA account, as determined by the Employee Benefits Committee, to be allocated to participant accounts pro rata in proportion to their account balances. During 2024 and 2023, the ERISA account had an excess balance of \$64,138 and \$25,652, respectively, which was allocated to participant accounts on the same basis as the amounts were initially charged to participants.

***Reclassifications***

Certain reclassifications have been made to the 2023 financial statements to conform to the 2024 financial statement presentation. These reclassifications had no effect on changes in net assets available for benefits.

***Subsequent Events***

The Plan has evaluated subsequent events through October 13, 2025 the date the financial statements were available to be issued.

**Note 3. Fair Value Measurements**

Fair value is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There is a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1** Observable inputs such as quoted prices in active markets.
- Level 2** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2024 and 2023. The following is a description of the valuation methodologies used for assets measured at fair value:

**Mutual Funds**

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

**Common Collective Trust Funds**

These funds are valued at the net asset value ("NAV") of units of the collective funds. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The collective trust funds are not required to be classified within a level on the fair value hierarchy.

**Pooled Separate Accounts**

The Plan invests in pooled separate accounts for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the NAV per share, as determined by Principal Life Insurance Company, as the estimated fair value. Because quoted prices in active markets for identical assets are not available, these prices are determined using observable market information such as quotes from less active markets and/or quoted prices of securities with similar characteristics.

**Self-Directed Participant Brokerage Account**

Accounts primarily consist of mutual funds that are valued on the basis of readily determinable market prices.

**Children's Health System, Inc. 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2024 and 2023.

	<b>2024</b>			
	<b>Fair Value</b>	<b>Fair Value Measurements Using</b>		
		<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>
Mutual funds	\$ 277,437,756	\$ 277,437,756	\$ -	\$ -
Self-directed participant brokerage account	<u>9,979,007</u>	<u>9,979,007</u>	<u>-</u>	<u>-</u>
Total assets in the fair value hierarchy	287,416,763	<u>\$ 287,416,763</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV (a)	<u>19,574,922</u>			
Investments at fair value	<u>\$ 306,991,685</u>			

	<b>2023</b>			
	<b>Fair Value</b>	<b>Fair Value Measurements Using</b>		
		<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>
Mutual funds	\$ 240,823,862	\$ 240,823,862	\$ -	\$ -
Self-directed participant brokerage account	<u>8,610,136</u>	<u>8,610,136</u>	<u>-</u>	<u>-</u>
Total assets in the fair value hierarchy	249,433,998	<u>\$ 249,433,998</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV (a)	<u>9,429,649</u>			
Investments at fair value	<u>\$ 258,863,647</u>			

(a) *In accordance with the modified cash basis, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.*

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023.

	<b>Fair Value at December 31, 2024</b>	<b>Fair Value at December 31, 2023</b>	<b>Unfunded Commitments</b>	<b>Other Redemption Frequency</b>	<b>Redemption Notice Period</b>
Common collective trust funds	\$ 17,859,034	\$ 9,429,649	None	Daily	None
Pooled separate accounts	<u>1,715,888</u>	<u>-</u>	None	Daily	None
	<u>\$ 19,574,922</u>	<u>\$ 9,429,649</u>			

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **Note 4. Fully Benefit-Responsive Investment Contracts**

The Plan has a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (“Principal”) with a contract value of \$10,917,102 and \$13,508,947 at December 31, 2024 and 2023. The contract meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed upon formula but may not be less than zero. Such interest rates are reviewed on a semi-annual basis for resetting. There are no events that limit the ability of the Plan to transact at contract value with the issuer. The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments

#### **Note 5. Certification of Plan Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2024

The Plan’s independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

#### **Note 6. Exempt Party-in-Interest Transactions**

Principal, the Plan’s recordkeeper, provides certain administrative services to the Plan pursuant to a Service and Expense Agreement (SEA). Certain plan investments are shares in mutual funds affiliated with Principal. Principal is the trustee of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return on each fund. Fees paid by the Plan to Principal totaled \$611,450 and \$537,580 for the years ended December 31, 2024 and 2023, respectively. Fees paid for other professional services totaled \$2,600 and \$0 for the years ended December 31, 2024 and 2023, respectively.

### **Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, under no condition will any funds revert to CHS unless otherwise allowed under the IRC. In the event of plan termination, participants will be entitled to 100 percent of their account balance.

### **Note 8. Tax Status**

The Plan adopted the volume submitter 401(k) Profit Sharing Plan Document sponsored by Principal Life Insurance Company. Principal Trust Company and Principal Life Insurance Company are both members of Principal Financial Group and both operate under a Servicing Agent Agreement for trustee services. A favorable opinion letter dated June 30, 2020 has been received by Principal and management is relying on this letter as permitted by the Internal Revenue Service (IRS). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 9. Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
