INDEPENDENT AUDITOR'S REPORT

Plan Committee
L.A. Hydro-Jet 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of L.A. Hydro-Jet 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of November 30, 2024 and December 31, 2023, the related statement of changes in net assets available for plan benefits for the period ended November 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of November 30, 2024 and December 31, 2023, and for the period ended November 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Termination and Liquidation Basis

As discussed in Note 1 to the financial statements, the Board of Directors of L.A. Hydro-Jet & Rooter Service, Inc., the Plan's sponsor, voted on November 13, 2024 to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN TERMINATION

In November 2023, Orion Group Management, Inc. acquired L.A. Hydro-Jet & Rooter Service, Inc. (the “Company” or “Employer” or “Plan Sponsor”). Effective November 13, 2024, the Plan Sponsor agreed to terminate and merge the L.A. Hydro-Jet 401(k) Plan (the “Plan”) to a multi-employer Plan operated by Orion Group Management, Inc. All participants were fully vested in the benefits before and after termination of the Plan as no employer contributions were made to the Plan from the inception of the Plan. As of the plan termination date, notes receivable from participants totaling \$219,614 were transferred to the successor plan as part of the participants’ account balances. These loans were not treated as distributions and remain outstanding under the terms of the receiving plan. Effective November 30, 2024, all plan assets were transferred to the Orion Group 401(k) Plan.

NOTE 2 – DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by the Plan Sponsor to provide benefits to eligible employees as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”) and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Administration

The Company has appointed a Plan administrator to manage the operations and administration of the Plan. The Company has contracted with Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the “trustees” or “Empower”) to act as the trustees and recordkeeper to process and maintain records of participant data, and LPL Financial LLC to act as an investment advisor to the Plan.

Eligibility

All employees who are age 21 or over and have completed 249 hours of service within the three-month time period following their date of hire are eligible for participation in the Plan. If the employee does not complete 249 hours of service within the three-month time period of employment, then he or she will have satisfied the service requirement with one year of service. The employee may enter the Plan on the first day of the month following satisfaction of the eligibility requirement.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participants' contributions, discretionary employer contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contributions and the employer's contribution if any. Plan earnings are allocated based on participant account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Contributions

Each year, participants may enter into a salary deferral agreement and contribute any amount, not to exceed elective deferral limits imposed by the IRC, and as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants are also allowed to make rollover contributions to the Plan from other qualified retirement plans or from an IRA. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

The Plan includes an automatic salary deferral feature. Accordingly, once a participant is eligible, and unless an alternative salary deferral election is made, the employer will automatically withhold 3% of eligible compensation and contribute that amount to the Plan as a pretax deferral.

Employer Contributions

As defined in the Plan, the Plan Sponsor may make elective matching contributions at its sole discretion. The Employer did not make a matching contribution for the period ended November 30, 2024.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year via the Empower website.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Plan participants are immediately vested in their elective deferrals including actual earnings thereon. In addition, participants vest in discretionary employer contributions based on their years of service as follows:

<u>Years of Service</u>	<u>Cumulative Vesting Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance, reduced by the highest outstanding loan balance in the prior 12-month period. The notes are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Notes receivable from participants at December 31, 2023 bore interest ranging from 4.25% to 9.75% and matured through 2033. Loan terms are specified for each loan. Loans must be repaid within a five-year period unless the loan is used to purchase a principal residence. Principal and interest are paid ratably through weekly payroll deductions.

Forfeited Accounts

At November 30, 2024 and December 31, 2023, forfeited non-vested accounts totaled \$0 and \$3,971, respectively. These accounts may be used to pay Plan expenses, reduce nonelective contributions, or reduce any future matching contributions. No forfeitures were used during 2024.

Plan Expenses

Administrative expenses incidental to the administration of the Plan, including fees of the trustee and custodian and independent public accountants, may be paid by the Employer. Administrative expenses not paid by the Employer are paid by the Plan. Expenses paid by the Employer are excluded from these financial statements.

Payment of Benefits

Active participants may withdraw amounts from their accounts up to their entire vested interest if they attain the age of 62 years or qualify for financial hardship. Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum cash payment equal to the value of the participant's vested interest. The Plan allows for an automatic distribution of terminated participants' account balances that do not exceed \$5,000.

L.A. HYDRO-JET 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – DESCRIPTION OF THE PLAN (Continued)

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with Internal Revenue Service (“IRS”) regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements as of November 30, 2024 of the Plan are prepared on the liquidation method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

The financial statements as of December 31, 2023 of the Plan are prepared on the accrual method of accounting in accordance with U.S. GAAP.

Use of Estimates

The preparation of the Plan’s financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value, except for the guaranteed annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Certain management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of November 30, 2024 and December 31, 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefit payments are recorded when paid.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes from participants reflected on the accompanying statement of net assets available for plan benefits as of November 30, 2024 and December 31, 2023, and the related investment activity and interest income on notes from participants reflected in the statement of changes in net assets available for plan benefits for the period ended November 30, 2024.

NOTE 5 – FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

L.A. HYDRO-JET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENT (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at November 30, 2024 and December 31, 2023.

Registered investment companies (mutual funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of November 30, 2024 and December 31, 2023:

	Investments at Fair Value as of November 30, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ _____ -	\$ _____ -	\$ _____ -	\$ _____ -
	Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ <u>3,389,606</u>	\$ _____ -	\$ _____ -	\$ <u>3,389,606</u>

L.A. HYDRO-JET 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – GROUP ANNUITY CONTRACT WITH KEY GUARANTEED PORTFOLIO FUND

The Plan has entered into a fully benefit-responsive guaranteed annuity contract with Empower. Empower invests the contributions in the Key Guaranteed Portfolio Fund. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed annuity contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed annuity contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest rate as stated in the contract, and prevailing market conditions. The rates as of November 30, 2024 and December 31, 2023 were 1.40% and 1.23%, respectively, and are reset quarterly.

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower, the trustee of the Plan, and therefore these transactions are considered party-in-interest transactions permitted by the United States Department of Labor's Rules and Regulations. Fees paid by the Plan to Empower amounted to \$27,960 for the period ended November 30, 2024. Notes receivable from participants and the related interest income of \$12,413 are also considered related-party transactions.

L.A. HYDRO-JET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 – FEDERAL INCOME TAX STATUS

The Plan has adopted a prototype plan which obtained its latest opinion letter from the IRS, dated March 31, 2014, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The prototype plan's opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. The Plan administrator believes the amendments to the original Plan document will not adversely impact the Plan's compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that as of November 30, 2024 and December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2023 to the Form 5500:

	<u>2023</u>
Net assets available for plan benefits per financial statements	\$ 3,720,688
Deemed distribution of loans	(51,497)
Excess contributions payable	<u>2,359</u>
Net assets available for plan benefits per Schedule H of the Form 5500	<u>\$ 3,671,550</u>

NOTE 10 – SUBSEQUENT EVENTS

The Plan's management has evaluated all activity through October 14, 2025, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
