INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
ABRY Partners III, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the ABRY Partners III, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Plan Benefits as of December 31, 2024, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Compiled 2023 Financial Statement

Plan management is responsible for the accompanying financial statement of the Plan, which comprises the Statement of Net Assets Available for Plan Benefits as of December 31, 2023. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ABRY PARTNERS III, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)**

1. Description of the Plan

The following description of the ABRY Partners III, LLC 401(k) (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of ABRY Partners III, LLC (the Plan Sponsor or the Employer), which requires participants to be 21 years of age or older. Temporary, part-time and seasonal employees must also complete 1,000 hours of service to be eligible to participate in the Plan. During 2024, the Plan adopted the required long-term part-time (LTPT) employees eligibility provision of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act), to provide that LTPT employees who have attained the age of 21 are eligible to participate in the Plan for purposes of making employee deferral contributions if they worked 500 or more hours during the last three consecutive years. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees are eligible to enter the Plan on the first day of the month following completion of eligibility requirements.

The Plan Sponsor is also the Plan Administrator. As Plan Administrator, the Plan Sponsor has the exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Fidelity Management Trust Company (Fidelity) is the appointed trustee of the Plan and holds and manages Plan investments, as well as provides recordkeeping services, at the direction of the Plan Administrator.

Contributions

Participants may elect to contribute up to 100% of their eligible annual pretax compensation not to exceed annual limitations as provided by the Internal Revenue Code (IRC). Participants may designate some or all of their elective deferrals as Roth 401(k) deferrals. Participants who have reached the age of 50 before the end of the Plan year may contribute additional amounts in the form of catch-up contributions. Rollover contributions to the Plan are permitted, subject to the restrictions of the Plan Agreement.

At its discretion, the Employer may contribute a matching contribution equal to a percentage of each employee's salary deferral. During 2024, certain non-investment team professionals received a discretionary match of \$1 per \$1 contributed, up to 5% of eligible compensation and \$0.25 per \$1 contributed, up to 9% of eligible compensation. Investment team professionals received a match of \$0.25 per \$1 contributed, up to 9% of eligible compensation. The participant must be employed on the last day of the Plan year to be eligible for the discretionary matching contribution. During the year ended December 31, 2024, the Employer made discretionary matching contributions of \$654,123.

ABRY PARTNERS III, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)

The Employer may also choose to make discretionary non-elective contributions to the Plan, as determined by its Board of Directors. These contributions will be allocated based on a calculation factoring individual Plan participants' compensation in proportion to total compensation of all Plan participants for the contribution period, and an allocation of the discretionary non-elective contribution. There were no discretionary non-elective contributions made to the Plan during the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions, Plan earnings and losses, and administrative revenue (expenses). Plan earnings (losses) and administrative revenue (expenses) are allocated to participant accounts based on participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Notes Receivable

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Terms range from one to five years, or up to ten years for the purchase of a primary residence. A participant may have no more than one outstanding loan at a time. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their elective contributions, rollover contributions, and any earnings thereon. Participants become fully vested in the Employer's discretionary matching contributions and discretionary non-elective contributions and actual earnings thereon over five years as follows: 20% after 1 year, 40% after 2 years, 60% after 3 years, 80% after 4 years, and 100% after 5 years. Each participant shall be 100% vested in their account balance upon death, disability, or attainment of normal retirement age.

Payment of Benefits

Upon retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) can elect to receive 100% of their vested account balance, payable in lump-sum distributions, a rollover to a qualified retirement account, or a combination of both. Participants who have reached the age of 59½ may elect to withdraw all or a portion of their account while still employed by the Employer. Upon termination of employment for reasons other than death, disability, or retirement, a participant's vested balance that is \$1,000 or less upon termination will be distributed to the participant in a lump-sum distribution. If a participant's vested balance exceeds \$1,000 and is equal to or less than \$7,000, the amount will be rolled over to an individual retirement account designated by the trustee, unless otherwise directed by the participant.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)

Hardship Withdrawals

Hardship distributions are permitted from participant elective deferral accounts subject to limitations imposed by the IRC.

Forfeitures

Participants in the Plan who leave the employment of the Employer before completing the applicable vesting requirements forfeit the non-vested portion of their accounts. Forfeited non-vested accounts may be used to reduce future Employer contributions or pay administrative expenses. At December 31, 2024 and 2023, there was balance of \$75,449 and \$48,994, respectively, in the non-vested forfeited account. For the year ended December 31, 2024, no forfeitures were used to reduce Employer contributions.

Plan Termination

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would be entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee (Note 3).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Interest income on participant notes receivable is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. A receivable is considered past due if payment has not been received within stated terms.

ABRY PARTNERS III, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)

Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document.

Contributions

Participant contributions are recorded bi-monthly when the Employer remits the payroll deductions for investment into the Plan. Employer discretionary matching and non-elective contributions are remitted at the end of the Plan year, if applicable.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Revenue (Expenses)

Certain administrative expenses of the Plan are paid by the Employer, unless the Employer directs that the expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statements of Changes in Net Assets Available for Plan Benefits. Administrative revenue arises when investment managers return a portion of the investment fees to the recordkeeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. The Plan held unallocated administrative revenues of \$6,847 at December 31, 2024. There was no unallocated administrative revenues held by the Plan at December 31, 2023.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

ABRY PARTNERS III, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)

The Plan invested in one mutual fund that accounted for approximately 18% of total Plan investments at December 31, 2024. The Plan invested in two mutual funds that accounted for approximately 27% of total Plan investments at December 31, 2023.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside trustee's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

Money Market Fund: The carrying amount of the money market fund is the deposit amount plus accrued interest, as determined according to stated terms.

ABRY PARTNERS III, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2024 and 2023, the Plan's investments are reported at level 1 within the fair value hierarchy.

4. Income Tax Status

The Plan is a prototype plan sponsored by FMR, LLC. FMR, LLC obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements under the IRC. The Plan has been amended since receiving the opinion letter in order to comply with the latest applicable tax laws and regulations. The Plan Administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Summary of Financial Data Certified by the Trustee

The following is a summary of financial information and data certified by the trustee, Fidelity:

Statements of Net Assets Available for Plan Benefits at December 31, 2024 and 2023, except for contributions receivable and liabilities, if any;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2024; and

Investment information provided on the supplemental schedule, Schedule of Assets (Held at Year End) at December 31, 2024.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items and the inclusion of contributions receivable in the accrual basis financial statements not reported on the Form 5500.

The following is a reconciliation of net assets available for Plan benefits per the financial statements at December 31, 2023 to the Form 5500:

Net assets available for Plan benefits per the financial statements	\$ 37,157,631
Less: Employer contributions receivable reported on the financial statements	<u>(676,491)</u>
Net assets available for Plan benefits per the Form 5500	<u>\$ 36,481,140</u>

The following is a reconciliation of the net increase in net assets per the financial statements to the net increase per the Form 5500 for the year ended December 31, 2024:

Net increase per the financial statements	\$ 4,803,220
Plus: Prior year Employer contributions receivable	<u>676,491</u>
Net increase in total net assets per Form 5500	<u>\$ 5,479,711</u>

7. Related Party Transactions and Party-in-Interest Transactions

During 2024, Plan investments were held and managed by Fidelity, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Fidelity of \$644 for recordkeeping and administrative services for the year ended December 31, 2024. Participant notes receivable also qualify as party-in-interest transactions.

Fidelity provides certain administrative services to the Plan pursuant to a Fidelity Investments Retirement Plan Service Agreement (FIRSA) between the Employer and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

ABRY PARTNERS III, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 (Audited) and 2023 (Compiled)

If revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the FIRSA, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts are allocated to the accounts of the eligible participants. The amount allocated to participant accounts during the year ended December 31, 2024 was \$3,969.

8. Non-exempt Transactions

During 2024, the Employer did not remit participant contributions of \$57,849 and loan repayments of \$203 to the Plan on a timely basis as prescribed in the applicable Department of Labor Regulations 29 CFR 2510.3-102. Defined contribution plans must remit employee contributions to the Plan as soon as they can be reasonably segregated from the Plan Sponsor's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the Plan Sponsor. The Employer remitted all participant contributions, loan repayments and lost earnings associated with these late remittances during 2024.

During 2023, the Employer did not remit participant contributions of \$223,023 and loan repayments of \$859 to the Plan on a timely basis as prescribed in the applicable Department of Labor Regulations 29 CFR 2510.3-102. The Employer remitted all participant contributions and loan repayments due to the Plan during 2023. The Employer is currently working with its third-party administrator to calculate and remit any lost earnings associated with these late remittances.

During 2022, the Employer did not remit participant contributions of \$417,404 and loan repayments of \$833 to the Plan on a timely basis as prescribed in the applicable Department of Labor Regulations 29 CFR 2510.3-102. The Employer remitted all participant contributions and loan repayments due to the Plan during 2022. The Employer is currently working with its third-party administrator to calculate and remit any lost earnings associated with these late remittances.

9. Subsequent Events

Effective July 24, 2025, the Plan was amended to modify the definition of Employer for purposes of allowing a related employer to participate in the Plan.

Management has evaluated subsequent events through September 15, 2025, which is the date these financial statements were available to be issued.
