INDEPENDENT AUDITORS' REPORT

To Plan Administrator
Marinosci Law Group P.C. 401(k) Profit Sharing Plan and Trust
Warwick, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **MARINOSCI LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN AND TRUST**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marinosci Law Group, P.C. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marinosci Law Group, P.C. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marinosci Law Group, P.C. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marinosci Law Group, P.C. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marinosci Law Group, P.C. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note A – Description of Plan:

The following description of the Marinosci Law Group P.C. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of the Marinosci Law Group P.C., Austria Property Management, LLC, Consolidated Default Services, LLC, E.G.M. Food Services, LLC, East Greenwich Car Wash, LLC, East Greenwich Marina, Ocean State Hospitality, LLC, GDM Title and MTG Marketing, LLC (collectively, the Company) who have completed at least 3 months of service and have reached the age of 21. The Plan was established to provide employees of the Company with an opportunity to accumulate funds for retirement or disability and to provide death benefits for employees’ dependents and beneficiaries. The Plan allows both traditional 401(k) deferral (pre-tax) and Roth 401(k) deferral (post-tax) contributions.

The Plan, as amended, was established on January 1, 1999 and restated effective October 15, 2021 through the adoption of a Non-Standardized Defined Contribution Pre-Approved Plan through ADP Retirement Services (ADP). The Plan is intended to be a qualified retirement plan under the Internal Revenue Code of 1986 (“IRC”) as amended and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions:

Eligible employees generally include all employees performing services for the Company. Employees become eligible for contributions at the age of 21 after completion of three months of continuous service. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions are invested in a designated fund until changed by the participant. Automatic enrollment contributions are increased annually by 1% not to exceed 10% of compensation.

Subject to limitations issued by the Internal Revenue Service (the “IRS”), participants may elect to contribute between 1% and 90% of compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

In addition to regular pre-tax contributions, the Plan allows for after-tax Roth 401(k) contributions. Employees are able to designate all or part of their elective contributions as after-tax Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions), subject to certain limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note A – Description of Plan (continued):

Employer Contributions:

At the Company's discretion, participants who have completed one year of service, are 21 years of age and have elected to participate in the Plan are eligible to receive a nonelective profit sharing contribution. The Company did not make a nonelective discretionary profit-sharing contribution for the years ended December 31, 2024 or 2023.

Additionally, the Plan includes a flexible discretionary matching contribution for participants who have completed one year of service, are 21 years of age and have elected to participate in the Plan. The Company did not make a flexible discretionary matching contribution for the year ended December 31, 2024 or 2023.

Participant accounts:

Each participant's account is credited with the participant's elective deferral contributions, participant rollover contributions and the Company's contributions, if applicable, and an allocation of net investment gains or losses on such contributions. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Company contributions, investment income (loss) and administrative expenses are based on participant's compensation or account balances, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account

Investment options:

Plan assets are held in a trust fund and are invested, at the direction of the participant, in various funds offered by the Plan, in accordance with the Plan document. The Plan offers a variety of investment options with various objectives and degrees of financial risk and, in general, participants can move their assets among the Plan's investment options through a fund transfer, reallocation, or rebalance on any business day on which the financial markets are open.

Vesting:

Participants are immediately 100% vested in their deferral and rollover contributions, including the earnings on those amounts.

Vesting in the flexible employer matching contributions and/or an additional discretionary profit-sharing contributions and related earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In the event of termination of employment due to death, disability or attainment of the Plan's normal retirement age, a Participant becomes 100% vested in their total account balance.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note A – Description of Plan (continued):

Forfeitures:

Upon termination, if a participant withdraws any of his or her vested amounts, any nonvested Company contributions are forfeited. Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future Company contributions payable under the Plan. Forfeited nonvested discretionary profit-sharing contribution amounts totaled \$27,053 and \$26,284 at December 31, 2024 and 2023, respectively. No forfeitures were used to pay for administrative expenses during the years ended December 31, 2024 or 2023.

Payment of benefits:

Upon termination of service due to normal retirement, death or disability, participants will be entitled to 100% of the amounts credited to their accounts. Distributions will be paid in a lump sum or in partial amounts, based upon the election of the participant or as defined in the Plan or in the Code. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without the consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may roll the amount into any individual retirement account on behalf of the participant without the consent of the participant.

The Plan provides for in-service withdrawals by participants who have reached the age of 59 ½. Amounts eligible must be fully vested and the minimum withdrawal amount is \$500.

Upon financial hardship, a participant is entitled to the value of his or her deferral accounts, which is payable immediately in a lump-sum distribution.

The Plan provides for in-plan Roth rollovers of amounts eligible for withdrawal (other than for a hardship). Loans may not be distributed as part of an in-plan Roth rollover. Participants will be taxed on the total amount converted to a Roth basis in the year such conversion is made.

Notes receivable from participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a longer term. The loans are secured by the balance in the participant's accounts and bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator. Participant loans bear interest at the Prime Rate plus 1%. The notes currently bear interest at rates ranging from 4.25% to 9.50%. Participants may only have two loans outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Note B – New Accounting Pronouncements:

On January 1, 2023, the Plan adopted FASB ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Loss on Financial Instruments*, as amended, which modifies the measurement of expected credit losses. The Plan adopted this new guidance utilizing the modified retrospective transition method. The adoption of this standard did not have a material impact on the Plan's financial statements.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note C – Summary of significant accounting policies:

Financial statement presentation:

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

The Plan invests in the MetLife Reliance Stable Value Fund Series 25053, which is a common collective trust. The common collective trust invests in fully benefit-responsive investment contracts issued by insurance companies and other financial institutions (see investment valuation and income recognition).

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Plan expenses:

Certain expenses of maintaining the Plan are paid directly by the Company. Fees related to the administration of participant accounts, notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Financial instruments with concentration of credit risk:

The Plan's investments are held by third party custodians. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Investment valuation and income recognition:

The Plan has investments in registered investment companies (mutual funds) and a common collective trust. Investments in registered investment companies are stated at fair value based on the quoted market price of the mutual funds. The investments in the registered investment companies represent the net asset value ("NAV") of the shares held by the Plan. See Note E for a discussion of fair value measurements.

The Plan invests in the MetLife Reliance Stable Value Fund Series 25053, a stable value fund held within a common collective trust, which has entered into fully benefit-responsive investment contracts to provide preservation of principal, maintain a stable interest rate and provide liquidity at contract value for participant withdrawals and transfers. The stable value fund has an investment objective to preserve capital and provide a competitive level of income over time consistent with the preservation of capital. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value and permits the stable value fund to be presented at fair value on the statement of net assets available for benefits.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note C – Summary of significant accounting policies (continued):

Investment valuation and income recognition (continued):

Generally, there are no restrictions on a participant's ability to redeem their investment in the common collective trust at the investment's NAV. However, certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include: (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of material obligation under the contract, or (4) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such event is probable.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value includes the Plan's gains and losses on investments bought, sold and held during the year.

Notes receivable from participants:

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of benefits:

Participants' benefits are charged to expense during the period paid.

Subsequent events:

The Plan has evaluated subsequent events through October 15, 2025, the date that the accompanying financial statements were available to be issued.

Note D – Investments certified by Plan trustee:

Information presented in the accompanying financial statements and supplemental schedules as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023 for investments, notes receivable from participants, net appreciation in fair value of investments, investment income and interest income on notes receivable from participants was derived, without audit, from information certified to be complete and accurate by Reliance Trust Company, the Plan's trustees, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and was not subject to auditing procedures.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note E – Fair value measurements:

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs (that is, Level 1 and Level 2 inputs that do not require significant adjustment) and minimize the use of unobservable inputs. When, as a practical expedient, an investment is measured at fair value on the basis of net asset value ("NAV"), in accordance with FASB ASU 2015-07, Disclosure for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent), the amounts are not classified in the fair value hierarchy.

The following is a description of valuation methodology used for assets measured at fair value:

Mutual funds - Valued at the closing price reported in the active market in which the individual mutual funds are traded.

There have been no changes in the methodology used at December 31, 2024 and 2023.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note E – Fair value measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,115,384	\$ 0	\$ 0	\$ 6,115,384
Total assets in fair value hierarchy	6,115,384	0	0	6,115,384
Common collective trust measured at NAV	<u>0</u>	<u>0</u>	<u>0</u>	<u>56,247</u>
Total investments at fair value	<u>\$ 6,115,384</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 6,171,631</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,222,911	\$ 0	\$ 0	\$ 5,222,911
Total assets in fair value hierarchy	5,222,911	0	0	5,222,911
Common collective trust measured at NAV	<u>0</u>	<u>0</u>	<u>0</u>	<u>54,481</u>
Total investments at fair value	<u>\$ 5,222,911</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 5,277,392</u>

Gains and losses included in changes in net assets available for benefits are reported in net depreciation in fair value of investments.

Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one fair value input level to another. The Plan's policy is to recognize transfers between levels as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no significant transfers between levels. The Plan's mutual funds are redeemable on a daily basis without restriction.

The Plan's investment in the common collective trust is measured at fair value using the NAV practical expedient. The fair value of the common collective trust is excluded from the fair value hierarchy and is presented in the tables above to permit reconciliation of the investments classified within the fair value hierarchy to the Plan's total investments at fair value.

MARINOSCI LAW GROUP P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note F – Related party transactions:

ADP Retirement Services was the recordkeeper of the Plan and Reliance Trust Company was the trustee. Both were identified as a party-in-interest at December 31, 2024 and 2023. Fees incurred by the Plan for administrative services provided by the trustee and recordkeeper totaled \$26,323 for the year ended December 31, 2024.

The Plan and its participants received investment advisory services from Capital Wealth Management, LLC (the “Advisor”) during the year ended December 31, 2024. The services provided by the Advisor qualify as party-in-interest transactions. Fees incurred by the Plan for investment advisory services totaled \$20,360 for the year ended December 31, 2024.

Notes receivable are considered party-in-interest transactions. Notes receivable from participants at December 31, 2024 and 2023 were \$49,445 and \$42,979, respectively. Interest income pertaining to notes receivable from participants totaled \$4,049 for the year ended December 31, 2024.

Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. Also, the Plan issues loans to participants, which are secured by balances in the participants’ accounts. These transactions qualify as party-in-interest transactions and are exempted from the prohibited transactions rules of ERISA.

Note G – Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note H – Plan tax status:

The Plan has adopted a Pre-Approved Defined Contribution Plan (“Pre-Approved Plan”) and the Internal Revenue Service has determined and informed the Company by a letter dated October 6, 2020, that the form of the Pre-Approved Plan was designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan files the Annual Return/Report of Employee Benefit Plan (Form 5500) in the U.S. federal jurisdiction. The Plan is no longer subject to U.S. federal tax examinations for years before 2020.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note I – Reconciliation of financial statements to Form 5500:

The following is a reconciliation of total net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 6,225,617	\$ 5,234,596
Corrective participant contributions receivable	<u>(4,541)</u>	<u>(4,225)</u>
Net assets available for benefits per the Form 5500	<u>\$ 6,221,076</u>	<u>\$ 5,320,371</u>

The following is a reconciliation of the change in net assets available for benefits per the accompanying financial statements to Form 5500 for the year ended December 31, 2024:

Increase in net assets available for benefits per financial statements	\$ 901,021
Change in corrective participant contributions receivable	<u>(316)</u>
Increase in net assets available for benefits per the Form 5500	<u>\$ 900,705</u>

Note J – Nonexempt transactions – participant contributions:

As required by the Department of Labor (“DOL”), the Plan Sponsor is required to remit participant contributions and loan repayments to the Plan within a prescribed period. During 2022, because of an administrative error, loan repayments totaling \$742 for four participants were withheld from the participants’ compensation and were not remitted to the plan as of the date of the 2022 financial statements, which exceeds the prescribed period. During 2023, loan repayments totaling \$550 for two participants were corrected and remitted to the plan. At December 31, 2024, the pending loan repayments are included in the amount presented on Schedule H, Line 4a of the 2024 Form 5500.

During 2021, because of an administrative error, the amount remitted for two participants during two separate pay periods (September 18, 2021 and September 15, 2021) were withheld from participants and not remitted to the Plan and the correction was not made as of the date of the 2021, 2022, and 2023 financial statements and remained uncorrected through the date of the 2024 financial statements, which exceeds the prescribed period. The missed contributions of \$114 that were not remitted timely are considered a prohibited transaction. The missed contributions along with an estimated \$34 in lost earnings are included in other employer contributions receivable at December 31, 2024. The missed contributions along with an estimated \$24 in lost earnings are included in other employer contributions receivable at December 31, 2023.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note J – Nonexempt transactions – participant contributions (continued):

During 2020, as a result of an administrative error, the amount remitted for the December 28, 2019 payroll was less than the total amount withheld from participants. The correction had not been made as of the date of the 2020, 2021, 2022, and 2023 financial statements and remained uncorrected through the date of the 2024 financial statements, which exceeds the prescribed period. The missed contributions of \$144 that were not remitted timely are considered a prohibited transaction. The missed contributions along with an estimated \$54 in lost earnings are included in other employer contributions receivable at December 31, 2024. The missed contributions along with an estimated \$39 in lost earnings are included in other employer contributions receivable at December 31, 2023.

Note K – Corrective contributions:

For the Plan year ended December 31, 2020, the Company identified an error in the Plan where an individual participant's deferral election was not properly executed. This error resulted in the participant receiving taxable compensation instead of deferring the elected amount into the Plan on a pre-tax basis to accumulate earnings until qualified distributions are taken. To remedy this error the Company intends to make a qualified nonelective contribution to the Plan on behalf of the employee through the Employee Plans Compliance Resolution System ("EPCRS"). As of December 31, 2024 and 2023, the correction had not been made. An estimate of \$4,195 and \$3,904 for corrective contributions is included in other employer contributions receivable on the accompanying statement of net assets available for benefits as of December 31, 2024 and 2023, respectively. This estimate includes anticipated lost earnings. These amounts will be remitted by the Company and credited to the participant's account as soon as administratively possible. Any difference in the estimated and final correction methods will be reflected in future years. No provision for income taxes has been included in the Plan's financial statements related to this matter because the Company does not expect the correction to affect the Plan's tax status.
