Report of Independent Auditors

To the Administrator of Affiliated Managers Group, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Affiliated Managers Group, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2024 and 2023

1. Description of the Plan

The following description of the Affiliated Managers Group, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan's provisions. The Plan is sponsored by Affiliated Managers Group, Inc. (the "Company") and was established January 1, 1995. The Plan is a defined contribution plan created to provide eligible employees of the Company and its related entities that have elected to become participating employers (collectively the "Participating Employers") the opportunity to accumulate savings through salary reduction agreements and employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Profit Sharing Retirement Committee (the "Plan Administrator") is the Plan administrator for purposes of ERISA. On March 24, 2023, the Plan Administrator transitioned the record keeper of the Plan, Ascensus Inc., and custodian of the Plan, Ascensus Trust Company, to Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill"), wholly owned subsidiary of Bank of America Corporation (the "transition"). See Note 7, Affiliate and Custodian Transition.

Participating Employers

During the 2023 plan year, the Participating Employers were the Company, AMG Funds LLC, GW&K Investment Management, LLC, Systematic Financial Management, L.P., TimesSquare Capital Management, LLC, and Yacktman Asset Management LP. During the first quarter of 2023, the Plan Administrator removed GW&K Investment Management, LLC, as of February 15, 2023, Systematic Financial Management, L.P., as of February 21, 2023, Yacktman Asset Management LP, as of March 9, 2023, and TimesSquare Capital Management, LLC, as of March 15, 2023, as Participating Employers in the Plan. For the remainder of the 2023 plan year and for the 2024 plan year, the Participating Employers were the Company and AMG Funds LLC.

Eligibility

Each employee of a Participating Employer becomes eligible to participate in the Plan as of the later of such employee's Employment Commencement Date or attainment of age 21, as defined by the Plan.

Participant Contributions

Each eligible participant may elect to make salary reduction contributions to the Plan of any whole percentage or fixed dollar amount of Plan compensation, provided that such reductions do not exceed United States Internal Revenue Service ("IRS") limitations, as defined in the Plan agreement. Periodically, salary reduction contributions are made to the Plan prior to the applicable pay period, resulting in deferred contributions. Additionally, participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions").

Matching Contributions

Participating Employers may, but are not required to, contribute a matching contribution for each plan year. The percentage amount of any Participating Employer matching contribution is determined by the Participating Employer and is subject to certain limitations.

Participants who have attained 21 years of age and have completed 6 months of service are eligible to share in matching contributions (1) if they are employed by a Participating Employer on the last day of the plan year, or (2) upon retirement, disability, or death during the plan year. During 2024 and 2023, certain Participating Employers elected to make such matching contributions in varying amounts.

Additional Company Contributions

For each plan year, the Participating Employers may, but are not required to, contribute to the Plan an additional company contribution as may be determined at the discretion of the Participating Employer subject to certain limitations.

Participants who have attained 21 years of age and have completed 6 months of service are eligible to share in additional company contributions (1) if they are employed by a Participating Employer on the last day of the plan year, or (2) upon retirement, disability, or death during the plan year. During 2024 and 2023, certain Participating Employers elected to make such additional contributions in varying amounts.

Plan Compensation

Compensation for participants who are employees of a Participating Employer is defined by the Plan as wages as reported on IRS Form W-2, excluding deferred compensation awards and other noncash compensation, and including all salary reduction contributions. Compensation for certain participants who are partners or members of a Participating Employer, called “earned income,” is defined by the Plan as net earnings from self-employment as a partner or a member in the business of the Participating Employer earned for any plan year, whether paid or accrued, as reported on IRS Schedule K-1, and wages as reported on IRS Form W-2, and is inclusive of all salary reduction contributions, as determined by the Participating Employer.

A participant may, but shall not be required to, enter into a separate salary reduction agreement with respect to any cash bonus paid by a Participating Employer during a plan year.

Investment Options

Participants direct the investment of contributions into various investment options offered by the Plan. Participants may change their investment options and contribution amounts at any time.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Participating Employers’ matching contributions, if any, the Participating Employers’ company additional contributions, if any, and investment earnings. The benefit to which a participant is entitled is their vested account balance.

Vesting

Participants are vested immediately in their salary reduction and rollover contributions plus actual earnings thereon. For the plan year 2024, the Company adopted a 3-year vesting schedule, which the Participating Employer, AMG Funds LLC, utilized for the plan years 2024 and 2023. For the plan year 2023, the Company and all other Participating Employers utilized a 5-year vesting schedule. The Participating Employer matching contribution and company additional contributions were vested using the following schedules:

Years of Service	Vested Percentage	
	2024	2023
Less than 1 year	0%	0%
1 year	34%	20%
2 years	67%	40%
3 years	100%	60%
4 years	N/A	80%
5 years or more	N/A	100%

Notes to Financial Statements

December 31, 2024 and 2023

Notes Receivable from Participants

Participants may borrow up to the lesser of (a) \$50,000 reduced by any loan payment made during the one year period ending on the day before the present loan is made, or (b) 50% of their vested account balance. Each loan must be repaid within five years unless the loan is used to acquire a principal residence. The loan will be made at a rate of the prime rate at the time plus 2% or such other reasonable rate of interest as the Plan Administrator determines and will be secured by the participant's vested account balance. Only two loans may be outstanding to a Participant at any time. The minimum amount of any loan made will be \$1,000. Interest rates on outstanding loans were between 5.25% and 10.50% at December 31, 2024 and 2023.

Payment of Benefits

Upon death, disability, or attainment of age 59 1/2, a participant may elect to receive a distribution equal to the value of the participant's vested interest in their account according to one of the options described below:

- Lump sum payment;
- Direct rollover to another qualified plan; or
- Installment payments over a period not to exceed fifteen years.

Upon termination of service, a participant may elect to receive a distribution equal to the value of the participant's vested interest in their account in the form of a lump sum payment or rollover to another qualified plan.

Withdrawals may be made from an active participant's salary reduction contributions (but not earnings thereon) based on financial hardship to provide for qualifying medical expenses to the participant or a member of the participant's family; the purchase of a principal residence; the payment of tuition, room, board, and other qualifying educational expenses; or the need to prevent an eviction or mortgage foreclosure on the participant's principal residence.

Forfeitures

Forfeitures of matching contributions and company additional contributions from terminated participants will be utilized to reduce future contributions of the same Participating Employer, pay certain expenses of the Plan, or be allocated to the remaining participants as outlined in the Plan agreement. Unallocated forfeitures as of December 31, 2024 and 2023 were \$15,107 and \$4,631, respectively.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain redemption and miscellaneous fees are charged directly to the participant's account and are included in expenses. Investment related expenses are included in net appreciation in fair value of investments.

Plan Termination

Although there has not been an expressed intent to do so, the Company and each Participating Employer have the right under the Plan to discontinue contributions, if any, and terminate their participation in the Plan. If the Plan is terminated by any one Participating Employer, that portion of the Plan shall be segregated into a separate trust and held subject to the provisions of the Plan, and all rights, powers, and duties of the Company with respect to such separate trust shall be executed by such Participating Employer. In the event of termination or partial termination by the Company or a Participating Employer, the rights of all participants of that Participating Employer to amounts credited in their accounts shall become fully vested and nonforfeitable.

2. Summary of Accounting Policies

Basis of Reporting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reported period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Plan investments are stated at fair value. Shares of registered investment companies are valued at their published net asset value per share. Shares of collective investment trusts are valued using the net asset value per share as provided by the trustee of the underlying fund, which is used as a practical expedient to estimate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. Matching contributions and additional company contributions, if any, from the Employer are recorded in the year in which the participant compensation is earned.

Due to Custodian

Amounts due to custodian are recorded when the custodian purchases investments on behalf of the Participating Employer and Employee prior to funding.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the loan document.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

The Plan provides various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities (as more fully described in each fund's prospectus), it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Summary of Financial Information Certified by the Custodian

The following is a summary of the financial information certified by Ascensus Trust Company, for the period January 1, 2023 to March 23, 2023, and certified by Merrill, for the 2024 Plan year and for the periods March 24, 2023 to December 31, 2023, custodians of the Plan's assets, as complete and accurate, as permitted under

Certain information contained in the supplemental schedule of assets held at end of year was also certified as complete and accurate by the custodian.

4. Income Tax Status

The IRS has determined and informed the Company by a letter dated June 14, 2017 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel continue to believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan recognizes the financial statement benefit of an uncertain tax position only after considering the probability that a tax authority would sustain the position in an examination. For tax positions meeting a “more-likely-than-not” threshold, the amount recognized in the financial statements is the benefit expected to be realized upon settlement with the tax authority. For tax positions not meeting the threshold, no financial statement benefit is recognized. Based on its analysis, the Company has determined that no ongoing liability is anticipated for uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

5. Related-Party and Party-in-Interest Transactions

As the Plan Sponsor, the Company is considered a related party to the Plan.

Certain Plan investments, which were held during 2023 prior to the Plan's transition to Merrill, were shares of registered investment companies managed by the Participating Employers or their affiliates. As such, the Participating Employers or one of its affiliates would receive the customary investment advisory, sub-advisory and/or distribution, servicing, or other fees paid by these registered investment companies or its adviser with respect to

the assets of the Plan invested in that investment option. In addition, the Company (as an institutional partner in the Participating Employers and the other affiliates of the Company and Participating Employers that may advise or sub-advise investment options in the Plan from time to time) would receive its customary share of any such fees, in accordance with its revenue sharing arrangement or other economic arrangement with that particular Participating Employer or other affiliates. Plan transactions with these investments qualified as party-in-interest transactions.

Participant loans also qualify as party-in-interest transactions.

The Plan also had a revenue sharing agreement with Ascensus, Inc. whereby certain fees payable by sponsors of some Plan investment options were credited to the Plan and used to pay administrative expenses of the Plan.

6. Fair Value Measurements

The Company determines the fair value of certain investment securities and other financial and nonfinancial assets and liabilities. Fair value is determined based on the price that would be received for an asset or paid to transfer a liability in the principal market, utilizing a hierarchy of three different valuation techniques:

- Level 1 Quoted market prices for identical instruments in active markets;
- Level 2 Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and
- Level 3 Prices reflecting the Plan's own assumptions concerning unobservable inputs to the valuation model.

6. Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Investment Assets as of December 31, 2024

Collective investment trust ^(a)				98,945,771
Total investments	\$ 1,517,412	—	—	\$ 100,463,183

a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes the fair value of investments in certain entities that calculate net asset value per share as a practical expedient as of December 31, 2024:

Category of Investment	Fair Value at December 31, 2024	Redemption Frequency	Redemption Notice Period
