INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
The New York Hotel Trades Council and Hotel Association of
New York City, Inc. 401(k) Savings Plan
New York, New York

Opinion

We have audited the financial statements of The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
The New York Hotel Trades Council and Hotel Association of
New York City, Inc. 401(k) Savings Plan
New York, New York

Opinion

We have audited the financial statements of The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

(1) Description of the Plan

The following description of the New York Hotel Trades Council and Hotel Association of New York City, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a multiemployer defined contribution plan covering all eligible employees after completion of a probationary period of employment with the Employer, as defined by the collective bargaining agreement ("CBA") between The Hotel and Gaming Trades Council ("Union") and various employers operating in the New York metropolitan area. The Plan is administered by a Board of Trustees, comprised of representatives of the Union and the Employers. The trustees have overall responsibility for the operation and administration of the Plan. The Plan and related trust were established on July 1, 2001. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute up to 100 percent of pre-tax annual compensation up to the federal annual limits, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year, are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investments of their contributions into various investment options offered by the Plan.

Contributions are subject to certain limitations. Contributions in excess of Internal Revenue Services ("IRS") limits have been refunded to participants and are netted against contributions received on the statements of changes in net assets available for benefits.

Investment Elections - Participants self-direct all contributions among available investment funds.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of Plan earnings and charged with an allocation of administrative expense. Allocations are based on participant account balances. An administrative fee is charged to each participant's account on a quarterly basis to cover the operating expenses of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately 100% vested in the value of all contributions and related earnings credited to their individual accounts.

Payment of Benefits - Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amounts equal to the value of the participant's vested interest in his or her account or in installments in accordance with provisions of the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

(2) Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

ASSOCIATION OF NEW YORK CITY, INC. 401(K) SAVINGS PLAN**

Notes to Financial Statements

(2) Summary of Significant Accounting Policies (Continued)

Adoption of Recent Accounting Pronouncements - The Plan previously adopted ASC 326 which changed how entities will measure credit losses for certain financial assets that aren't measured at fair value through changes in net assets available to benefits. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing the Plan's exposure to credit risk and the measurement of credit losses. The primary financial asset held by the Plan that is subject to the guidance in ASC 326 is participants' contributions receivable. The impact of the adoption was not considered material to the financial statements and primarily resulted solely in enhanced disclosures.

On July 30, 2025, the FASB issued Accounting Standards Update (ASU) 2025-05, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets. This standard allows entities to elect a practical expedient that assumes that current conditions as of the fiscal year-end do not change for the remaining life of the asset. In addition, the standard provides for consideration of subsequent collections in developing reasonable and supportable forecasts as part of estimating expected credit losses. The Plan elected to early adopt this standard in the reporting period ended December 31, 2024.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information principally provided by the Plans investment advisor. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participants' Contributions Receivable - Participants' contributions receivable are stated at the amount the Plan expects to collect from participants pursuant to their elective deferrals to the Plan.

Property and Equipment - Property and Equipment are recorded at cost, less accumulated depreciation. Major additions are capitalized, whereas replacements, maintenance, and repairs, which do not improve or extend the useful lives of the respective assets, are expensed currently. Depreciation is computed using the straight-line method over the estimated useful lives.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had excess contributions payable of \$850 and \$389,475 to participants at December 31, 2024 and 2023, respectively.

Payment of Benefits - Benefits are recorded when paid.

ASSOCIATION OF NEW YORK CITY, INC. 401(K) SAVINGS PLAN**

Notes to Financial Statements

(2) Summary of Significant Accounting Policies (Continued)

Administrative Expenses - Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. The Plan shares certain administrative expenses with related ERISA plans. In computing these allocated costs, various factors were considered, including the time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the other plan.

Certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Leases - Leases are categorized at their inception as either operating or financing leases. Operating right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of the lease payments over the lease term. Leased assets represent the Plan's right to use an underlying asset for the lease term, and lease liabilities represent the Plan's obligation to make lease payments arising from the lease. The lease term may include options to extend or terminate the lease when it is reasonably certain that the Plan will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Plan uses a risk-free discount rate when the rate implicit in the lease contract is not readily determinable.

Subsequent Events - The Plan has evaluated subsequent events through October 7, 2025, the date on which the financial statements were available to be issued.

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan had the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

ASSOCIATION OF NEW YORK CITY, INC. 401(K) SAVINGS PLAN**

Notes to Financial Statements

(3) Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

(a) In accordance with FASB Accounting Standards Codification Subtopic 820-10 Fair Value Measurement - Overall, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(3) Fair Value Measurements (Continued)

Transfers Between Levels - The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

The following table sets forth additional disclosures of Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2024 and 2023:

(3) Fair Value Measurements (Continued)

(a) The Principal Stable Value Fund (the "Fund") commenced operations in January 1997, and is an investment fund offered by Principal Global Investors Trust Company, formerly Union Bond & Trust Company (the "Trustee"). The Trustee is an Oregon trust organization providing fiduciary services, primarily administration of collective trust funds. The Fund is designed for retirement trust plans exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended. The Fund is governed by the Trust Agreement for the Fund ("Trust Agreement") as amended August 1, 2012.

The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investing primarily in a variety of high quality stable value investment contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents. It is intended that the Fund's stable value investment contracts will maintain a minimum weighted average credit quality rating of A or better. The underlying fixed income securities must be rated investment grade and meet issuer diversification guidelines. The duration of investments in the Fund will not exceed 4 years. The Fund is typically appropriate for investors who desire low volatility, stable principal value, and returns commensurate with a capital preservation objective for a component of their retirement savings. The Fund is designed for long term retirement investing.

(b) Represents an investment measured using the NAV per share (or its equivalent) as the practical expedient and that investment is in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan ("Form 5500"), as a direct filing entity (DFE). Participants should refer to the Form 5500 filing with the U.S. Department of Labor for additional information.

(4) Property and Equipment

Property and equipment consist of the following of December 31, 2024:

	<u>2 0 2 4</u>	<u>Useful Life</u>
Furniture and Fixtures	\$ 3,644	5 Years
Less: Accumulated Depreciation	<u>324</u>	
<u>Property and Equipment - Net</u>	<u>\$ 3,320</u>	

Depreciation and amortization expenses amounted to \$324 and \$-0- for the years ended December 31, 2024 and 2023, respectively.

(5) Party-in-Interest and Related Party Transactions

The Plan pays fees for several arrangements with services providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA.

(5) Party-in-Interest and Related Party Transactions (Continued)

The Plan shares employees and other general and administrative expenses with various employee benefit funds related by common trustees and management in order to effectuate cost savings. Reimbursements paid to these related entities during the years ended December 31, 2024 and 2023 for these shared expenses, are summarized as follows:

	<u>2 0 2 4</u>	<u>2 0 2 3</u>
The New York Hotel Trades Council and Hotel Association of New York City, Inc.:		
Health Benefits Fund	\$ 57,251	\$ 54,874
Health Center, Inc.	<u>277,610</u>	<u>191,927</u>
<u>Totals</u>	<u>\$ 334,861</u>	<u>\$ 246,801</u>

At December 31, 2024 and 2023, amounts due from (to) these related entities is summarized as follows:

	<u>2 0 2 4</u>	<u>2 0 2 3</u>
The New York Hotel Trades Council and Hotel Association of New York City, Inc.:		
Health Benefits Fund	\$ 3,900	\$ (360)
Health Center, Inc.	<u>486</u>	<u>(3)</u>
<u>Totals</u>	<u>\$ 4,386</u>	<u>\$ (363)</u>

Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the administrative services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan pays directly any other fees related to the Plan's operations. Per the agreement between the Plan and Principal Life Insurance Company, an amount of \$8 per quarter is charged to each participant's balance to pay for administrative services. Administrative fees paid by the participants directly to Principal Investments were approximately \$407,628 and \$401,573 for the years ended December 31, 2024 and 2023, respectively.

(6) Operating Lease

The Plan leases office space at 305 West 44th Street, New York, New York on a month to month basis. Lease expense for the years ended December 31, 2024 and 2023 was \$27,457 and \$28,738, respectively.

(7) Plan Termination

Although it has not expressed any intent to do so, the Board of Trustees have the right under the Plan to discontinue its operations at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Board of Trustees may determine.

Notes to Financial Statements

(8) Tax Status

The Plan obtained a favorable tax determination letter dated March 1, 2016, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risks and Uncertainties

The Plan participants' invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances, either positively or negatively and the amounts reported in the Statement of Net Assets Available for Benefits.
