Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Participants and Administrative Committee
Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participants and Administrative Committee
Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution 401(k) plan generally covering all eligible, full-time employees of Wolverine Fireworks Display, Inc. (the "Company", "Plan Sponsor" or "Plan Administrator") The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Mid Atlantic Trust Company ("Mid Atlantic" or "Trustee") is the trustee of the Plan and holds all of the Plan's investment assets. The Plan Sponsor is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Effective April 2021, certain provisions under the CARES Act relating to participant distributions and participant loans were enacted. The CARES act allows for utilization of these provisions immediately, but requires formal adoption of the amendment no later than the last day of the Plan year beginning on or after January 1, 2023.

Eligibility

All full-time employees (excluding non-resident aliens, interns, and those covered under a collective bargaining agreement) of the Company who are age twenty-one or older and have completed 90 days of service are eligible to become a participant in the Plan on the first of the month ("Participants"). One year of service is required to be eligible to receive discretionary profit-sharing contributions.

Contributions

Each year, participants may contribute up to 92% of pre-tax or post-tax ("Roth") annual compensation, as defined in the Plan and limited to the maximum allowable under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("Rollovers"). Upon completion of eligibility requirements, the Plan provides for an automatic enrollment starting with a participant deferral of 3% of compensation, as defined, unless the participant makes a contrary election. A participant's automatic deferral percentage will increase on January 1 of each successive plan year of participation by 1% until a maximum deferral of 6% is reached.

The Plan Sponsor makes a safe harbor matching contributions to the Plan each year. For the year ended December 31, 2024, safe harbor matching contribution to the Plan were \$32,620. The amounts contributed are variable based on the percentage contributed.

The Plan Sponsor may make a discretionary profit-sharing contribution to the Plan each year. The plan did not make any discretionary profit-sharing contributions to the Plan in 2024. The participant must be employed as of the last day of the Plan year in order to be eligible to share in the Company's discretionary profit-sharing contributions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions (including Rollovers), Plan earnings (losses), and an allocation of any discretionary Plan Sponsor contributions if active in the Plan at year end. Participant accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on formulas as defined in the Plan document. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Upon distribution of the account to a participant who separates from service before vesting, the portion of the account attributable to the non-vested portion of the Company's safe harbor matching contribution is forfeited.

Investment Options

Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers a variety of mutual funds and a common collective trust as investment options for participants. These funds include a variety of investments options with various objectives and degrees of financial risk.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, matching, discretionary profit-sharing, plus actual earnings thereon. The Plan has adopted the safe harbor provisions.

Benefit Payments

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum or installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan. If a participant terminated employment for any reason and his or her vested account balance does not exceed \$5,000, the Plan Administrator may distribute such amount in a lump sum payment to the participant without consent of participant.

The Plan also allows a participant to withdraw all or a portion of his or her account as an in-service distribution as long as the participant has attained age 59 ½, is still employed by the Plan Sponsor, and has completed six years of service, as defined.

The Plan permits distributions in the event of a hardship, as defined in the Plan document. Hardship withdrawals are limited to the vested portion of the discretionary matching contributions made by the Plan Sponsor and 100% of the participant's elective deferral account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the plans valuation policies utilizing information provided by investment advisors and custodians. See Note 4 for additional discussion of fair value measurements.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses incurred in relation to the maintenance of the Plan are paid by the Plan Sponsor and the Plan. For the year ended December 31, 2024, expenses incurred by the Plan totaled \$17,221. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying Statement of Changes in Net Assets Available for Benefits.

Subsequent Events

The Plan has evaluated subsequent events for potential recognition and disclosure through October 15, 2025, the date the financial statements were available to be issued. There are no events that have been identified that should be recorded or disclosed.

YEARS ENDED DECEMBER 31, 2024 AND 2023**

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Mid Atlantic Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds and are registered with the SEC. The funds are required to publish their daily net asset value ("NAV") and do not transact at that price. The mutual funds held by the Plan as of December 31, 2024 and 2023 in the amount of \$623,196 and \$585,976, respectively, are deemed to be actively traded and classified as Level 1 within the fair value hierarchy.

**WOLVERINE FIREWORKS DISPLAY INC 401(K) PROFIT
SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2024 AND 2023**

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Stable Value Fund: Valued as the NAV as determined by the Trustee, which reflects the fair value of the investments comprising the stable value fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is determined to be probably that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the stable value fund, the Trustee reserves the right to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are managed by Mid Atlantic, which is the trustee of the Plan. Therefore, administrative expenses paid to the trustee of the Plan qualify as party-in-interest transactions. Party-in-interest transactions also include transactions with any person who provides services to the Plan, and an employer whose employees are covered by the Plan.

NOTE 7 PLAN TAX STATUS

The Plan uses a prototype non-standardized plan which received an opinion letter from the Internal Revenue Service ("IRS") dated August 31, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified and tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

YEARS ENDED DECEMBER 31, 2024 AND 2023**

NOTE 8 RISKS AND UNCERTAINTIES

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

The Plan Administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan Administrator believes minimizes these risks.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Participants and Administrative Committee
Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participants and Administrative Committee
Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of Wolverine Fireworks Display Inc 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution 401(k) plan generally covering all eligible, full-time employees of Wolverine Fireworks Display, Inc. (the "Company", "Plan Sponsor" or "Plan Administrator") The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Mid Atlantic Trust Company ("Mid Atlantic" or "Trustee") is the trustee of the Plan and holds all of the Plan's investment assets. The Plan Sponsor is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Effective April 2021, certain provisions under the CARES Act relating to participant distributions and participant loans were enacted. The CARES act allows for utilization of these provisions immediately, but requires formal adoption of the amendment no later than the last day of the Plan year beginning on or after January 1, 2023.

Eligibility

All full-time employees (excluding non-resident aliens, interns, and those covered under a collective bargaining agreement) of the Company who are age twenty-one or older and have completed 90 days of service are eligible to become a participant in the Plan on the first of the month ("Participants"). One year of service is required to be eligible to receive discretionary profit-sharing contributions.

Contributions

Each year, participants may contribute up to 92% of pre-tax or post-tax ("Roth") annual compensation, as defined in the Plan and limited to the maximum allowable under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("Rollovers"). Upon completion of eligibility requirements, the Plan provides for an automatic enrollment starting with a participant deferral of 3% of compensation, as defined, unless the participant makes a contrary election. A participant's automatic deferral percentage will increase on January 1 of each successive plan year of participation by 1% until a maximum deferral of 6% is reached.

The Plan Sponsor makes a safe harbor matching contributions to the Plan each year. For the year ended December 31, 2024, safe harbor matching contribution to the Plan were \$32,620. The amounts contributed are variable based on the percentage contributed.

The Plan Sponsor may make a discretionary profit-sharing contribution to the Plan each year. The plan did not make any discretionary profit-sharing contributions to the Plan in 2024. The participant must be employed as of the last day of the Plan year in order to be eligible to share in the Company's discretionary profit-sharing contributions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions (including Rollovers), Plan earnings (losses), and an allocation of any discretionary Plan Sponsor contributions if active in the Plan at year end. Participant accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on formulas as defined in the Plan document. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Upon distribution of the account to a participant who separates from service before vesting, the portion of the account attributable to the non-vested portion of the Company's safe harbor matching contribution is forfeited.

Investment Options

Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers a variety of mutual funds and a common collective trust as investment options for participants. These funds include a variety of investments options with various objectives and degrees of financial risk.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, matching, discretionary profit-sharing, plus actual earnings thereon. The Plan has adopted the safe harbor provisions.

Benefit Payments

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum or installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan. If a participant terminated employment for any reason and his or her vested account balance does not exceed \$5,000, the Plan Administrator may distribute such amount in a lump sum payment to the participant without consent of participant.

The Plan also allows a participant to withdraw all or a portion of his or her account as an in-service distribution as long as the participant has attained age 59 ½, is still employed by the Plan Sponsor, and has completed six years of service, as defined.

The Plan permits distributions in the event of a hardship, as defined in the Plan document. Hardship withdrawals are limited to the vested portion of the discretionary matching contributions made by the Plan Sponsor and 100% of the participant's elective deferral account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the plans valuation policies utilizing information provided by investment advisors and custodians. See Note 4 for additional discussion of fair value measurements.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses incurred in relation to the maintenance of the Plan are paid by the Plan Sponsor and the Plan. For the year ended December 31, 2024, expenses incurred by the Plan totaled \$17,221. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying Statement of Changes in Net Assets Available for Benefits.

Subsequent Events

The Plan has evaluated subsequent events for potential recognition and disclosure through October 15, 2025, the date the financial statements were available to be issued. There are no events that have been identified that should be recorded or disclosed.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Mid Atlantic Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds and are registered with the SEC. The funds are required to publish their daily net asset value ("NAV") and do not transact at that price. The mutual funds held by the Plan as of December 31, 2024 and 2023 in the amount of \$623,196 and \$585,976, respectively, are deemed to be actively traded and classified as Level 1 within the fair value hierarchy.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Stable Value Fund: Valued as the NAV as determined by the Trustee, which reflects the fair value of the investments comprising the stable value fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is determined to be probably that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the stable value fund, the Trustee reserves the right to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are managed by Mid Atlantic, which is the trustee of the Plan. Therefore, administrative expenses paid to the trustee of the Plan qualify as party-in-interest transactions. Party-in-interest transactions also include transactions with any person who provides services to the Plan, and an employer whose employees are covered by the Plan.

NOTE 7 PLAN TAX STATUS

The Plan uses a prototype non-standardized plan which received an opinion letter from the Internal Revenue Service ("IRS") dated August 31, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified and tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

The Plan Administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan Administrator believes minimizes these risks.
