INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Universal Music Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Universal Music Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Universal Music Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Music Group 401(k) Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Universal Music Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Music Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Universal Music Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan was established effective August 1, 1985 for the benefit of the employees of UMG Recordings, Inc. and certain participating related companies (collectively, the “Company”). The Plan is a profit sharing plan under sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

As defined in the plan document, all employees on the payroll of the Company are eligible to participate in the Plan, except for the following:

- Citizens of the U.S. and U.S. lawful permanent residents who perform services outside of the U.S. for the Company and are covered under local benefit plans and have salaries paid from U.S. payroll;
- Employees covered by a collective bargaining agreement unless the agreement provides for membership in the Plan;
- Nonresident aliens who receive no earned income from the Company, which constitutes income from sources within the U.S. as defined in the IRC;
- Leased employees as defined in the Plan document;
- Student interns and educational temps;
- Employees classified as independent contractors or classified as employed by independent contractors, any employees who are eligible to participate in one or more employee benefit plans of a third party with whom the Company has contracted for the provision of the employees’ services, and employees who are not treated as employees for Form W-2 reporting purposes;
- Any person classified as an expatriate from a foreign country whose employment assignment agreement provides for his or her continued participation in a company-provided retirement plan in a foreign country or for contributions to be made to such plan on his or her behalf upon his or her return to employment in such foreign country for his or her period of employment in the U.S.;

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Eligibility (Continued)

- Any person on the payroll of the Company or an affiliate as defined in the plan document, who renders substantial services to a person other than the Company or an affiliate and who renders no significant services to the Company or any affiliate; and
- The chairman of the Company, for purposes of determining eligibility for Company non-matching contributions.

Eligible employees may participate immediately upon employment, and prior to January 1, 2024, temporary employees needed 1,000 hours of service in a 12-month period to become eligible to participate. Effective January 1, 2024, temporary employees are also eligible immediately upon employment.

3. Contributions

Participants who are eligible employees, as defined by the Plan, may elect to contribute from 1% to 75% of eligible compensation (as defined by the Plan) as pre-tax and/or Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions from 1% to 75% of eligible compensation. Participant contributions are subject to limitations under the IRC. Participant rollover contributions and/or Roth rollover contributions from a qualified plan may be accepted at the discretion of the plan administrator.

The Plan includes an automatic enrollment provision whereby employees who do not affirmatively elect a deferral rate are automatically enrolled into the Plan at a default elective deferral rate of 3%.

The Plan provides for Safe Harbor matching contributions by the Company at 100% of the participants' contributions up to the first 5% of eligible compensation contributed to the Plan as pre-tax, Roth and catch-up contributions. The Plan also provides for non-matching contributions consisting of a fixed contribution and additional discretionary contributions. The fixed contribution is 3% of eligible compensation subject to limitations under the IRC.

A participant who is a grandfathered participant (as defined by the Plan) will be eligible to receive a fixed contribution in lieu of the 3% fixed contribution based on age attained at May 31, 2004 under a formula defined in the Plan. The additional discretionary contributions may be made in an amount determined by the Company.

The Company has not made additional discretionary contributions since the inception of the Plan. The Company's contributions are subject to limitations under the IRC.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company matching and fixed contributions, and allocations of the Company discretionary contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options

Participants may direct employee and the Company contributions, as desired, in any of a variety of investment options held by Vanguard Fiduciary Trust Company ("Vanguard"), the trustee, as provided by the Plan. Participants may change their investment options daily in multiples of 1%.

6. Vesting

Participant contributions, the Company Safe Harbor matching contributions credited to participant accounts after January 1, 2018, rollover contributions and actual earnings thereon are fully vested at all times. However, vesting in the Company non-matching contributions is based on the participant's years of service with the Company as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3 or more	100%

Prior to January 1, 2018, vesting in the Company matching and frozen matching contributions is based on the participant's years of service with the Company as follows:

Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Benefit Payments

Upon termination of employment, participants are entitled to receive their vested account balances in the form of a lump sum. Upon reaching normal retirement age or upon termination of employment by reason of death or disability, a participant or participant's beneficiary is entitled to receive the total value of the participant's account. In-service and hardship withdrawals are permitted if certain criteria are met.

8. Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, less the highest outstanding loan balance within the previous 12 months, or 50% of their vested account balance. Loans must be repaid within 5 years for general purpose loans and within 15 years for principal residence loans, and bear interest at the prime rate plus 1%. Only one general purpose loan and one principal residence loan may be outstanding at any time.

9. Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled approximately \$1,544,000 and \$1,455,000, respectively. These accounts may be used to reduce future Company contributions and for payment of reasonable administrative expenses of the Plan. During 2024, forfeited non-vested accounts were used to reduce Company contributions by approximately \$1,655,000 and no forfeitures were used to pay down expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

2. Payment of Benefits

Benefits are recorded when paid.

3. Plan Administration

UMG Recordings, Inc. is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

5. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

8. Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE C - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard (the trustee of the Plan).

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Collective investment trusts: Valued at the proportionate interest in the net assets of the collective investment trust. The NAV of the underlying investments held by the collective investment trust is determined as of the close of trading on the New York Stock Exchange on the valuation date less its liabilities. The NAV of the collective investment trust is not quoted in an active market.

Common collective trust: The Vanguard Retirement Savings Trust III invests primarily in synthetic investment contracts backed by high credit-quality fixed income investments and traditional investment contracts issued by insurance companies and banks and is valued at the NAV of units of the collective investment trust and seeks to provide current and stable income while maintaining a stable NAV of \$1 per share. The fund seeks to achieve its objective by diversifying among high credit-quality investments and investment contracts which are structured to smooth market gains and losses over time. The balance in the collective trust fund can be transferred into a stock fund, a balanced fund, or a bond fund with an average duration of more than three years as often as the participant chooses; however, it must remain there for 90 days before transferring it into a short-term bond or money market fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption period is applicable only to the Plan (if any).

NOTE E - TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants would become 100% vested in their Company contributions and the assets of the Plan would be distributed to participants based on the value of the participant's account in accordance with the terms of the plan agreement.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE F - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 5, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Vanguard is the trustee and recordkeeper for the Plan. Plan investments are held by Vanguard and certain investments are managed by Vanguard, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and related interest income are also considered party-in-interest transactions.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE I - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Universal Music Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Universal Music Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Universal Music Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Music Group 401(k) Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Universal Music Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Music Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Universal Music Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan was established effective August 1, 1985 for the benefit of the employees of UMG Recordings, Inc. and certain participating related companies (collectively, the “Company”). The Plan is a profit sharing plan under sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

As defined in the plan document, all employees on the payroll of the Company are eligible to participate in the Plan, except for the following:

- Citizens of the U.S. and U.S. lawful permanent residents who perform services outside of the U.S. for the Company and are covered under local benefit plans and have salaries paid from U.S. payroll;
- Employees covered by a collective bargaining agreement unless the agreement provides for membership in the Plan;
- Nonresident aliens who receive no earned income from the Company, which constitutes income from sources within the U.S. as defined in the IRC;
- Leased employees as defined in the Plan document;
- Student interns and educational temps;
- Employees classified as independent contractors or classified as employed by independent contractors, any employees who are eligible to participate in one or more employee benefit plans of a third party with whom the Company has contracted for the provision of the employees’ services, and employees who are not treated as employees for Form W-2 reporting purposes;
- Any person classified as an expatriate from a foreign country whose employment assignment agreement provides for his or her continued participation in a company-provided retirement plan in a foreign country or for contributions to be made to such plan on his or her behalf upon his or her return to employment in such foreign country for his or her period of employment in the U.S.;

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Eligibility (Continued)

- Any person on the payroll of the Company or an affiliate as defined in the plan document, who renders substantial services to a person other than the Company or an affiliate and who renders no significant services to the Company or any affiliate; and
- The chairman of the Company, for purposes of determining eligibility for Company non-matching contributions.

Eligible employees may participate immediately upon employment, and prior to January 1, 2024, temporary employees needed 1,000 hours of service in a 12-month period to become eligible to participate. Effective January 1, 2024, temporary employees are also eligible immediately upon employment.

3. Contributions

Participants who are eligible employees, as defined by the Plan, may elect to contribute from 1% to 75% of eligible compensation (as defined by the Plan) as pre-tax and/or Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions from 1% to 75% of eligible compensation. Participant contributions are subject to limitations under the IRC. Participant rollover contributions and/or Roth rollover contributions from a qualified plan may be accepted at the discretion of the plan administrator.

The Plan includes an automatic enrollment provision whereby employees who do not affirmatively elect a deferral rate are automatically enrolled into the Plan at a default elective deferral rate of 3%.

The Plan provides for Safe Harbor matching contributions by the Company at 100% of the participants' contributions up to the first 5% of eligible compensation contributed to the Plan as pre-tax, Roth and catch-up contributions. The Plan also provides for non-matching contributions consisting of a fixed contribution and additional discretionary contributions. The fixed contribution is 3% of eligible compensation subject to limitations under the IRC.

A participant who is a grandfathered participant (as defined by the Plan) will be eligible to receive a fixed contribution in lieu of the 3% fixed contribution based on age attained at May 31, 2004 under a formula defined in the Plan. The additional discretionary contributions may be made in an amount determined by the Company.

The Company has not made additional discretionary contributions since the inception of the Plan. The Company's contributions are subject to limitations under the IRC.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company matching and fixed contributions, and allocations of the Company discretionary contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options

Participants may direct employee and the Company contributions, as desired, in any of a variety of investment options held by Vanguard Fiduciary Trust Company ("Vanguard"), the trustee, as provided by the Plan. Participants may change their investment options daily in multiples of 1%.

6. Vesting

Participant contributions, the Company Safe Harbor matching contributions credited to participant accounts after January 1, 2018, rollover contributions and actual earnings thereon are fully vested at all times. However, vesting in the Company non-matching contributions is based on the participant's years of service with the Company as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3 or more	100%

Prior to January 1, 2018, vesting in the Company matching and frozen matching contributions is based on the participant's years of service with the Company as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Benefit Payments

Upon termination of employment, participants are entitled to receive their vested account balances in the form of a lump sum. Upon reaching normal retirement age or upon termination of employment by reason of death or disability, a participant or participant's beneficiary is entitled to receive the total value of the participant's account. In-service and hardship withdrawals are permitted if certain criteria are met.

8. Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, less the highest outstanding loan balance within the previous 12 months, or 50% of their vested account balance. Loans must be repaid within 5 years for general purpose loans and within 15 years for principal residence loans, and bear interest at the prime rate plus 1%. Only one general purpose loan and one principal residence loan may be outstanding at any time.

9. Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled approximately \$1,544,000 and \$1,455,000, respectively. These accounts may be used to reduce future Company contributions and for payment of reasonable administrative expenses of the Plan. During 2024, forfeited non-vested accounts were used to reduce Company contributions by approximately \$1,655,000 and no forfeitures were used to pay down expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

2. Payment of Benefits

Benefits are recorded when paid.

3. Plan Administration

UMG Recordings, Inc. is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

5. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

8. Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE C - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard (the trustee of the Plan).

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Collective investment trusts: Valued at the proportionate interest in the net assets of the collective investment trust. The NAV of the underlying investments held by the collective investment trust is determined as of the close of trading on the New York Stock Exchange on the valuation date less its liabilities. The NAV of the collective investment trust is not quoted in an active market.

Common collective trust: The Vanguard Retirement Savings Trust III invests primarily in synthetic investment contracts backed by high credit-quality fixed income investments and traditional investment contracts issued by insurance companies and banks and is valued at the NAV of units of the collective investment trust and seeks to provide current and stable income while maintaining a stable NAV of \$1 per share. The fund seeks to achieve its objective by diversifying among high credit-quality investments and investment contracts which are structured to smooth market gains and losses over time. The balance in the collective trust fund can be transferred into a stock fund, a balanced fund, or a bond fund with an average duration of more than three years as often as the participant chooses; however, it must remain there for 90 days before transferring it into a short-term bond or money market fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption period is applicable only to the Plan (if any).

NOTE E - TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants would become 100% vested in their Company contributions and the assets of the Plan would be distributed to participants based on the value of the participant's account in accordance with the terms of the plan agreement.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE F - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 5, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Vanguard is the trustee and recordkeeper for the Plan. Plan investments are held by Vanguard and certain investments are managed by Vanguard, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and related interest income are also considered party-in-interest transactions.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE I - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Universal Music Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Universal Music Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Universal Music Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Music Group 401(k) Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Universal Music Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Music Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Universal Music Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan was established effective August 1, 1985 for the benefit of the employees of UMG Recordings, Inc. and certain participating related companies (collectively, the “Company”). The Plan is a profit sharing plan under sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

As defined in the plan document, all employees on the payroll of the Company are eligible to participate in the Plan, except for the following:

- Citizens of the U.S. and U.S. lawful permanent residents who perform services outside of the U.S. for the Company and are covered under local benefit plans and have salaries paid from U.S. payroll;
- Employees covered by a collective bargaining agreement unless the agreement provides for membership in the Plan;
- Nonresident aliens who receive no earned income from the Company, which constitutes income from sources within the U.S. as defined in the IRC;
- Leased employees as defined in the Plan document;
- Student interns and educational temps;
- Employees classified as independent contractors or classified as employed by independent contractors, any employees who are eligible to participate in one or more employee benefit plans of a third party with whom the Company has contracted for the provision of the employees’ services, and employees who are not treated as employees for Form W-2 reporting purposes;
- Any person classified as an expatriate from a foreign country whose employment assignment agreement provides for his or her continued participation in a company-provided retirement plan in a foreign country or for contributions to be made to such plan on his or her behalf upon his or her return to employment in such foreign country for his or her period of employment in the U.S.;

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Eligibility (Continued)

- Any person on the payroll of the Company or an affiliate as defined in the plan document, who renders substantial services to a person other than the Company or an affiliate and who renders no significant services to the Company or any affiliate; and
- The chairman of the Company, for purposes of determining eligibility for Company non-matching contributions.

Eligible employees may participate immediately upon employment, and prior to January 1, 2024, temporary employees needed 1,000 hours of service in a 12-month period to become eligible to participate. Effective January 1, 2024, temporary employees are also eligible immediately upon employment.

3. Contributions

Participants who are eligible employees, as defined by the Plan, may elect to contribute from 1% to 75% of eligible compensation (as defined by the Plan) as pre-tax and/or Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions from 1% to 75% of eligible compensation. Participant contributions are subject to limitations under the IRC. Participant rollover contributions and/or Roth rollover contributions from a qualified plan may be accepted at the discretion of the plan administrator.

The Plan includes an automatic enrollment provision whereby employees who do not affirmatively elect a deferral rate are automatically enrolled into the Plan at a default elective deferral rate of 3%.

The Plan provides for Safe Harbor matching contributions by the Company at 100% of the participants' contributions up to the first 5% of eligible compensation contributed to the Plan as pre-tax, Roth and catch-up contributions. The Plan also provides for non-matching contributions consisting of a fixed contribution and additional discretionary contributions. The fixed contribution is 3% of eligible compensation subject to limitations under the IRC.

A participant who is a grandfathered participant (as defined by the Plan) will be eligible to receive a fixed contribution in lieu of the 3% fixed contribution based on age attained at May 31, 2004 under a formula defined in the Plan. The additional discretionary contributions may be made in an amount determined by the Company.

The Company has not made additional discretionary contributions since the inception of the Plan. The Company's contributions are subject to limitations under the IRC.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company matching and fixed contributions, and allocations of the Company discretionary contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options

Participants may direct employee and the Company contributions, as desired, in any of a variety of investment options held by Vanguard Fiduciary Trust Company ("Vanguard"), the trustee, as provided by the Plan. Participants may change their investment options daily in multiples of 1%.

6. Vesting

Participant contributions, the Company Safe Harbor matching contributions credited to participant accounts after January 1, 2018, rollover contributions and actual earnings thereon are fully vested at all times. However, vesting in the Company non-matching contributions is based on the participant's years of service with the Company as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3 or more	100%

Prior to January 1, 2018, vesting in the Company matching and frozen matching contributions is based on the participant's years of service with the Company as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Benefit Payments

Upon termination of employment, participants are entitled to receive their vested account balances in the form of a lump sum. Upon reaching normal retirement age or upon termination of employment by reason of death or disability, a participant or participant's beneficiary is entitled to receive the total value of the participant's account. In-service and hardship withdrawals are permitted if certain criteria are met.

8. Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, less the highest outstanding loan balance within the previous 12 months, or 50% of their vested account balance. Loans must be repaid within 5 years for general purpose loans and within 15 years for principal residence loans, and bear interest at the prime rate plus 1%. Only one general purpose loan and one principal residence loan may be outstanding at any time.

9. Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled approximately \$1,544,000 and \$1,455,000, respectively. These accounts may be used to reduce future Company contributions and for payment of reasonable administrative expenses of the Plan. During 2024, forfeited non-vested accounts were used to reduce Company contributions by approximately \$1,655,000 and no forfeitures were used to pay down expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

2. Payment of Benefits

Benefits are recorded when paid.

3. Plan Administration

UMG Recordings, Inc. is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

5. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

8. Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE C - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard (the trustee of the Plan).

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Collective investment trusts: Valued at the proportionate interest in the net assets of the collective investment trust. The NAV of the underlying investments held by the collective investment trust is determined as of the close of trading on the New York Stock Exchange on the valuation date less its liabilities. The NAV of the collective investment trust is not quoted in an active market.

Common collective trust: The Vanguard Retirement Savings Trust III invests primarily in synthetic investment contracts backed by high credit-quality fixed income investments and traditional investment contracts issued by insurance companies and banks and is valued at the NAV of units of the collective investment trust and seeks to provide current and stable income while maintaining a stable NAV of \$1 per share. The fund seeks to achieve its objective by diversifying among high credit-quality investments and investment contracts which are structured to smooth market gains and losses over time. The balance in the collective trust fund can be transferred into a stock fund, a balanced fund, or a bond fund with an average duration of more than three years as often as the participant chooses; however, it must remain there for 90 days before transferring it into a short-term bond or money market fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption period is applicable only to the Plan (if any).

NOTE E - TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants would become 100% vested in their Company contributions and the assets of the Plan would be distributed to participants based on the value of the participant's account in accordance with the terms of the plan agreement.

UNIVERSAL MUSIC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE F - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 5, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Vanguard is the trustee and recordkeeper for the Plan. Plan investments are held by Vanguard and certain investments are managed by Vanguard, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and related interest income are also considered party-in-interest transactions.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE I - SUBSEQUENT EVENTS
