## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
Operating Engineers Local 101 Vacation Fund  
Kansas City, Missouri

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Operating Engineers Local 101 Vacation Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Operating Engineers Local 101 Vacation Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Operating Engineers Local 101 Vacation Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Operating Engineers Local 101 Vacation Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Operating Engineers Local 101 Vacation Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Operating Engineers Local 101 Vacation Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF THE PLAN**

The following description of the Operating Engineers Local 101 Vacation Fund (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan was established effective November 1, 1969, as a result of collective bargaining between the International Union of Operating Engineers, Hoisting and Portable Local Union No. 101 AFL-CIO, and the Heavy Constructors Association of the Greater Kansas City Area to provide for vacation pay benefits for eligible employees and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for the oversight of the Plan.

**Eligibility**

An employee is eligible for participation in the Plan, if they are employed by a participating employer who has contributed to the Plan on their behalf.

**Contributions and Benefits**

Employers contribute to the Plan a stipulated amount for each hour worked by the member. The contribution rate is determined by the collective bargaining agreement. Contributions are accumulated in each participant's vacation account as of May 31 and November 30 of each year and accumulated contributions are distributed to participants in June and December of each year. Effective November 2024, participants are permitted to have their vacation amounts distributed monthly to an account at a credit union.

Undeliverable disbursements are deposited in the Administrative Account after remaining undeliverable for 12 months. The administrative manager pursues all reasonable efforts to distribute any unclaimed funds.

An allocation of \$0.02 per hour of covered work is reserved for administrative expenses.

**Investment Income**

The Plan's investment income is first used to pay the Plan's administrative expenses. The excess of investment income over administrative expenses may be carried to later years or distributed to participants on a pro rata basis at the discretion of the trustees. For the years ended 2024 and 2023, no excess investment income was available for distribution to participants.

DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared using the accrual basis of accounting.

**Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Concentration of Credit Risk**

The Plan maintains its cash balances in high credit quality financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times cash balances may be in excess of the insured limits.

**Employer Contributions and Related Receivables**

Contributions due but not paid prior to year-end are recorded as contributions receivable. In general, contributions are due on the 15th day of each month following the work month. Delinquent contributions and payroll audit findings are individually analyzed for collectibility. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2024 and 2023, all outstanding contributions receivable amounts are reported net of contributions considered uncollectible by the Plan. As of December 31, 2024 and 2023, the allowance for credit losses was insignificant.

**Subsequent Events**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 14, 2025, the date the financial statements were available to be issued.

**NOTE 3 TERMINATION OF PLAN**

The trust, if not terminated prior thereto, shall continue for the maximum period permitted and provided by the laws of the state of Missouri and until all liabilities to beneficiaries and the persons entitled to receive benefits hereunder shall have been paid and discharged in full.

**OPERATING ENGINEERS LOCAL 101 VACATION FUND**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 4 FIDELITY BONDING AND FIDUCIARY RESPONSIBILITY INSURANCE**

The Plan was covered by a fidelity bond at December 31, 2024 and 2023 covering the trustees in the amount of \$500,000. The Plan also has fiduciary responsibility insurance of \$250,000.

**NOTE 5 PLAN TAX STATUS**

The Voluntary Employee Benefit Association (VEBA) trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated February 2, 1978, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 and 2023 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 RELATED PARTY TRANSACTIONS**

Contributions from participating employers are initially deposited into a Pension Fund bank account and then are subsequently allocated to the Vacation Fund. As of December 31, 2024 and 2023, \$1,235,123 and \$272,933, respectively, was due from the Pension Fund.
