Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FORVIS MAZARS, LLP**

(2) EIN: **44-0160260**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount

WS Audiology USA, Inc. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the WS Audiology USA, Inc. Savings Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the Financial Statements” section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of WS Audiology USA, Inc. Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established on April 1, 2015, and was amended and restated effective January 1, 2022. The Plan is a defined contribution plan covering substantially all employees of WS Audiology USA, Inc. and related entities (the "Company" or "WS Audiology" or the "Employer"). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA) and is administered by the Retirement Committee of Sivantos.

Effective December 16, 2024, Helix Hearing Care California Inc. was added as a Participating Employer to the WS Audiology USA, Inc. Savings Plan. All employees of Helix Hearing Care California Inc. are now eligible to participate in the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan and receive matching contributions immediately upon their date of employment. Employees of My Hearing Centers LLC are not eligible to receive matching contributions.

Contributions

The Plan provides each participant with an opportunity to make elective deferrals, after-tax contributions, and Roth contributions to the Plan, subject to the limitations of the Internal Revenue Code. Employees hired on or after April 1, 2015, are automatically enrolled at a 3% pre-tax deferral percentage, unless the employee elects not to participate in the Plan. Employees auto enrolled in the Plan are subject to an annual auto escalation of 1% on the first day of each plan year, unless the employee makes a contrary election. The automatic escalation cannot increase an employee's pre-tax deferral rate higher than a maximum rate of 10%.

For the years ended December 31, 2024 and 2023, the Company elected to make an employer matching contribution to all eligible employees as documented within the plan document, equal to 50% of the participant's contributions up to 6% of the participant's salary deferral contributions, not to exceed 3% of compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions, and the earnings thereon. Contributions to the Plan are invested by the custodian as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the Plan.

Vesting

Participants are immediately vested in their own contributions and earnings thereon. Employer matching contributions vest 40% after two years of service and an additional 20% each subsequent year until fully vested.

Forfeitures

The portion of a participant's balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. The Plan provides for terminated employees who resume employment within five years to have any forfeited amounts reinstated ("reinstatement period"), if the employee repays the full amount of the distribution attributable to the vested employer contributions prior to the end of the reinstatement period. Plan

participants' forfeitures are applied to first restore previously forfeited amounts to participant's accounts. Any remaining forfeitures may be used to pay plan expenses or reduce employer matching contributions for the plan year. Any remaining amount thereafter shall be applied toward succeeding plan years until fully utilized. Forfeitures from employees for the years ended December 31, 2024 and 2023, were \$320,153 and \$278,815, respectively. No forfeitures were applied in conjunction with the payment of administrative expenses for the year ended December 31, 2024 and forfeitures of \$32,250 were applied in conjunction with the payment of administrative expenses for the year ended December 31, 2023. During December 2024 and 2023, forfeitures of \$2,956 and \$49,497, respectively, were reinstated to participant accounts. During 2024, forfeitures of \$538,438 were used to offset employer matching contributions and no forfeitures were used to offset employer matching contributions during 2023. At December 31, 2024 and 2023, the available forfeiture balance was \$51,925 and \$273,167, respectively. Effective April 15, 2024, the Plan was amended to only allow forfeitures to be used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance incurred during the 12-month period ending on the day before the date on which the loan was made or 50% of their vested account balance. A participant may have up to two loans outstanding at a time. Loan repayment terms are not to exceed five years; or thirty years if the loan is for the purchase of a primary residence. Loans are repaid through payroll deductions and are monitored by the plan administrator. Loans are measured at their unpaid principal balance plus any accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. As of December 31, 2024, the interest rates on the outstanding loans ranged from 3.25% to 9.5%.

Benefits

Upon termination, death, disability or retirement, vested plan benefits will be distributed to a participant or his/her beneficiary either in a lump-sum distribution or annuity payments. In addition, the Plan provides for participant withdrawals from their individual accounts pursuant to specific guidelines as set forth in the plan document.

Administrative Expenses

All transaction fees for loan and distribution requests are paid from participants' accounts. Substantially all other administrative expenses are paid from participants' accounts (see Note 5), otherwise they are to be paid by the Company.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at either fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. See Note 3 for discussion of contract value measurements.

The sales and purchases of investment securities, and gains and losses on the sale of investments, are recognized at the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Transfers

During the year ended December 31, 2024, certain employees of the Company became employees of HearX West, Inc., a related party through common ownership, and their account balance in the Plan transferred to the HearX West, Inc. 401(k) Plan. Total transfers out of the Plan during the year ended December 31, 2024 were \$93,607.

During the year ended December 31, 2024, certain employees of HearX West, Inc. became employees of the Company and their account balance in the HearX West, Inc. 401(k) Plan transferred to the Plan. Total transfers into the Plan during the year ended December 31, 2024 were \$110,672.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

Note 3. Information Certified by the Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company (Custodian) a qualified institution, has certified the following investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2024 and ERISA-required supplemental schedule is complete and accurate.

	<u>2024</u>	<u>2023</u>
Mutual funds, at fair value	\$ 38,114,188	\$ 32,244,235
Self-directed brokerage accounts, at fair value	3,055,696	2,257,759
Stable value fund, at fair value	112,574	110,079
Common collective trusts, at fair value	121,742,743	114,107,298
Guaranteed interest account, at contract value	8,642,489	10,947,338
Interest bearing cash	280,161	340,220
Non-interest-bearing cash	-	132,182
Notes receivable from participants	2,571,189	2,071,429
	<u>\$ 174,519,040</u>	<u>\$ 162,210,540</u>
Net appreciation in fair value of investments	\$ 18,533,553	\$ 20,048,695
Dividend and interest income	\$ 876,968	\$ 1,315,849
Interest income on notes receivable from participants	\$ 173,826	\$ 118,948

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Investment Contract with Insurance Company

The Plan is party to an investment contract with Prudential Retirement Insurance and Annuity Company (Prudential) whereby allocated contributions are maintained in a Guaranteed Interest Account (GIA). The contract is included in the financial statements at contract value (which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses), because it is fully-benefit responsive. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with Prudential. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed interest account does not permit Prudential to terminate the agreement prior to the scheduled maturity date.

Note 4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation techniques used to measure fair value are defined as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during 2023 and 2022:

Mutual funds: Valued at unadjusted quoted prices in an active market at year-end.

Self-directed brokerage accounts: Self-directed brokerage accounts include mutual funds, common stock, exchange trade funds, unit investments trusts, and money market funds, which are all valued at quoted prices in an active market of the underlying investments held by the Plan at year-end.

Cash: Book value equals fair value.

Stable value fund: Composed primarily of fully-benefit responsive investment contracts and is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate the fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There are no participant redemption restrictions for these investments and the redemption notice period of 12 months is applicable only at the Plan level. The Plan does not have any unfunded commitments relating to its investment in the stable value fund.

Common collective trusts: The fair value of the common collective trust fund is determined by the custodian of the fund based on the underlying assets, which represent the net asset value, a practical expedient to fair value, of units held by the Plan. The Plan does not have any unfunded commitments relating to its investment in the common collective trust fund, or any significant restrictions on redemptions. Participant directed redemptions can be made on any business day and do not have a redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Total investments	<u>\$ 34,842,214</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 149,059,591</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Party-in-Interest Transactions

Transamerica Retirement Solutions (Transamerica) is the record-keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Transamerica amounted to \$180,388 and \$175,503 for the years ended December 31, 2024 and 2023, respectively. Services rendered by the Plan's investment advisors, the Plan's ERISA attorney, and Plan's auditor also qualify as party-in interest

transactions. During the years ended December 31, 2024 and 2023, fees paid by the Plan to the Plan's investment advisors, ERISA attorney and auditor were \$52,578 and \$73,241, respectively.

Transamerica and the Employer have an agreement whereby participants are charged a fee in proportion to their account balance, which is credited to the expense budget account. This amount can be used to pay for ERISA qualified plan expenses or allocated to participants at the end of the year. For the year ended December 31, 2024, \$76,718 was charged to participants and \$32,906 was used to pay for ERISA qualified plan expenses. For the year ended December 31, 2023, \$60,467 was used to pay for ERISA qualified plan expenses and \$43,039 was charged to participants. The remaining balance available to pay future expenses was \$175,994 and \$132,182 as of December 31, 2024 and 2023, respectively.

Note 6. Tax Status

On June 30, 2020, the Internal Revenue Service (IRS) stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself, and has been amended since receiving the determination letter, however, the Plan's management believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax requirements for years prior to 2021.

Note 7. Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

Note 8. Plan Termination

Although the Company has not expressed any intention to do so, it has the right to terminate the Plan in whole or in part at any time subject to the provisions set forth in ERISA. Upon termination, all participants become fully vested in their individual accounts.

Note 9. Delinquent Participant Contributions

During 2024 and 2023, the Company did not remit to the Plan's custodian certain participant contributions and loan repayments totaling \$428,014 and \$128,971, respectively, within the period prescribed by the Department of Labor regulations. In 2024, delays in remitting the contributions to the custodian were due to administrative errors.
