## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Tockwotton Home Retirement Savings Plan  
East Providence, Rhode Island

### Report on the Audit of the Financial Statements

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Tockwotton Home Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tockwotton Home Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tockwotton Home Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tockwotton Home Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator  
Tockwotton Home Retirement Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tockwotton Home Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tockwotton Home Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator  
Tockwotton Home Retirement Savings Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the Tockwotton Home Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established to provide retirement benefits for employees of Tockwotton Home (the Organization). All permissible employees of the Organization, as defined in accordance with the universal availability standards, are eligible to enroll in the Plan on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Participants may contribute any percentage of their compensation, as defined in the Plan, up to the maximum amount allowed by the Internal Revenue Code (the IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants with 15 or more years of service are eligible to make 403(b) lifetime catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Organization may contribute a discretionary amount annually. For the Plan year ended December 31, 2024, the Organization elected to contribute 4% of an employee's compensation as a discretionary contribution. The Organization may also make a matching contribution. Catch-up contributions are not eligible for matching contributions. There was no matching contribution in 2024. Eligible participants must complete a year of service to share in the Organization's contributions. All contributions are subject to certain limitations imposed by the Plan and the IRC.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, Organization contributions and allocations of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Organization contributions, investment income and administrative expenses are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

**Investment Options**

Participants may direct their contributions into any of the funds offered by the Plan, which are held by The Lincoln National Life Insurance Company (Lincoln) and Lincoln Financial Group Trust Company. These funds include a variety of investment options with various objectives and degrees of financial risk.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their deferral and rollover contributions, including the earnings on those amounts. Vesting in the Organization contribution portion of their accounts is based on years of continuous service. Participants are fully vested in employer contributions upon the completion of five years of service. Participants are also fully vested upon reaching normal retirement age, death or total disability.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loans must be repaid in level payments no less frequently than quarterly over a five-year period, except for loans to purchase a primary residence, which may be offered over a term commensurate with the repayment period permitted by commercial lenders for similar loans. The loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%. The notes currently bear interest at rates ranging from 2.95% to 9.50% at December 31, 2024. Participants may only have one loan outstanding at any given time.

**Payment of Benefits**

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum or in installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the Plan administrator may roll the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. In addition, upon financial hardship, a participant is entitled to the value in their accounts, which is payable immediately in a lump-sum distribution.

**Forfeitures**

Forfeitures of discretionary contributions are used to pay administrative expenses of the Plan or reduce the Organization's future contributions. Forfeited nonvested discretionary accounts totaled \$18,760 and \$4,817 at December 31, 2024 and 2023, respectively. The Organization's discretionary contributions were reduced by \$18,795 from forfeited nonvested discretionary and matching accounts for the year ended December 31, 2024 for purposes of making the Organization's discretionary contribution in 2024.

**DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Payment of Benefits**

Benefits to participants are recorded when paid.

**Plan Expenses**

Certain expenses of maintaining the Plan are paid directly by the Organization. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

**Risks and Uncertainties**

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**TOCKWOTTON HOME RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Restatement**

During 2024, it was discovered that the Yourpath portfolio of \$750,080 as of December 31, 2023 are prepackaged mutual funds. These were previously presented and disclosed as collective investment trusts (investment measured at net asset value) at fair value. Therefore, the previously issued financial statements as of December 31, 2023 were restated to present and disclose as mutual funds (level 1 investments) at fair value. There was no difference in fair value in making the adjustments to the financial statements.

**Subsequent Events**

Subsequent events were evaluated through October 14, 2025, the date the financial statements were available to be issued.

**NOTE 3 CERTIFICATIONS BY THE QUALIFIED INSTITUTION**

Information presented in the accompanying statements and schedule as of December 31, 2024 and 2023, and for the year ended December 31, 2024, for investments, notes receivable from participants, investment income, and interest income on notes receivable from participants was derived, from information certified to be complete and accurate by Lincoln Financial Group Trust Company, Inc and The Lincoln National Life Insurance Company, qualified institutions, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 4 FAIR VALUE MEASUREMENTS**

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**TOCKWOTTON HOME RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)**

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

*Pooled Separate Accounts:* Pooled separate accounts are stated at their net asset values as reported by the investment manager of the fund based on the fair value of the underlying assets and liabilities at the measurement date. The net asset value is used as a practical expedient to estimate fair value.

*Mutual Funds:* Mutual funds are valued at the quoted price of shares held by the plan at year-end.

*Guaranteed Account:* Management has determined that contract value approximates fair value for investments in the guaranteed account. Therefore, investments in the Lincoln National Life Insurance Company Guaranteed Account (Guaranteed Account) are reported at contract value. Contract value represents the accumulation of contributions made under the contract, plus interest, less funds used to pay benefits and administrative expenses of the contract.

The conclusion that contract value approximates fair value for the Guaranteed Account is based on the nature of the investment and the methods used by the insurance company to set the crediting interest rates under the contract. In general, the Guaranteed Account guarantees principal, has a guaranteed minimum interest rate over the life of the contract (one year) and periodically resets the crediting interest rate based on market conditions. Existing funds are credited with a stated rate for the year, and new funds are credited at a stated quarterly rate that is guaranteed for the following three quarters. Management does not believe the determination of fair value using cash flow assumptions or other valuation methods would result in a material difference from contract value.

Because participants generally transact at contract value, the determination that contract value approximates fair value for the Guaranteed Account is only reviewed annually for financial reporting purposes. In reviewing the reasonableness of this determination, the custodians review the Guaranteed Account for changes in the contract, the current crediting rates for the account, current economic conditions, rates of return for stable value investments, the credit rating of Lincoln and similar factors that could impact their conclusion.

**TOCKWOTTON HOME RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)**

There have been no changes in the methodologies used at December 31, 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	2024				
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
	Pooled Separate Accounts	\$ -	\$ -	\$ -	\$ 588,075
Mutual Funds	1,234,382	-	-	-	1,234,382
Guaranteed Accounts	-	-	1,462,200	-	1,462,200
Total Investments at Fair Value	\$ 1,234,382	\$ -	\$ 1,462,200	\$ 588,075	\$ 3,284,657
	2023				
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
	Pooled Separate Accounts	\$ -	\$ -	\$ -	\$ 1,100,209
Mutual Funds	782,395	-	-	-	782,395
Guaranteed Accounts	-	-	1,842,422	-	1,842,422
Total Investments at Fair Value	\$ 782,395	\$ -	\$ 1,842,422	\$ 1,100,209	\$ 3,725,026

(a) Certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

There were no transfers between levels of investments during the year ended December 31, 2024.

Investments in pooled separate accounts provide for daily liquidity, have no unfunded commitments and have no redemption features or other restrictions. Investments in collective investment trusts provide for daily liquidity, have no unfunded commitments and have no redemption features or other restrictions.

**NOTE 5 INVESTMENT CONTRACTS WITH INSURANCE COMPANY**

The Plan has an investment contract with Lincoln. Lincoln maintains Plan assets in pooled separate accounts. Some of these investments may be in stock, bonds or other types of investments and are valued at fair value.

The Plan also offers two Guaranteed Account options, which are deposit contracts with Lincoln. Deposits in these accounts are maintained in the general fund of Lincoln. These investment options offers a guaranteed rate of at least 3.00% or 1.00% on an annual basis. Each calendar year, Lincoln sets an annual minimum rate which will apply to all amounts held in these funds during the calendar year. Interest will be credited with the same guaranteed interest rate, on a daily basis, at the rate of interest which is the daily equivalent of the effective annual rate of interest applicable for each calendar year. These fund options also contain withdrawal and transfer limitations. The Guaranteed Accounts have a transfer/withdrawal limit of 20%. As a result, a participant may make one withdrawal or transfer to other investment options included in the Plan in an amount not to exceed 20% annually of the Guaranteed Accounts' balances.

The accounts are charged for participants' withdrawals and administrative expenses. The Guaranteed Accounts are included in the statements of net assets available for benefits at contract value (which approximates fair value) of the following at December 31, 2024 and 2023, as reported by Lincoln:

	<u>2024</u>	<u>2023</u>
Lincoln National Life Insurance Company	\$ 1,446,472	\$ 1,841,511
Lincoln Stable Value Account	15,728	911
	<u>\$ 1,462,200</u>	<u>\$ 1,842,422</u>

The average yields and crediting interest rates were approximately 3.00% and 1.00% for the year ended December 31, 2024. The crediting interest rates are based on an agreed-upon formula with the issuer. The contracts are traditional investment contracts.

**NOTE 6 PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by affiliates of Lincoln. Lincoln is a custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain employees of the Organization who participate in the Plan perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

**TOCKWOTTON HOME RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 7 INCOME TAX STATUS**

The Plan has adopted a volume submitter 403(b) plan document, which received a favorable Internal Revenue Service (IRS) opinion letter. The Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan was compliant and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The investments noted on the schedule of assets held described as a pooled separate account are classified as pooled separate accounts in the financial statements included herein. The pooled separate account did not file a Form 5500 for the direct filing entity; therefore, the underlying assets have been reported on the Form 5500, Schedule H as "value of interest in registered investment companies (e.g., mutual funds)."
