## INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of  
WEG Electric Corp. Retirement Readiness 401(k) Plan  
Bluffton, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of WEG Electric Corp. Retirement Readiness 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WEG ELECTRIC CORP. RETIREMENT READINESS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the WEG Electric Corp. Retirement Readiness 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was formed on December 11, 2006 as a result of the acquisition of a division of Franklin Electric Co., Inc. The Plan is a defined contribution plan covering hourly union employees of WEG Electric Corp. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility

Employees who are or to become eligible to participate in the Collective Bargaining Unit, have attained age 18 and are not an excluded employee, as defined by the Plan, may participate in the Plan.

Contributions

The Plan provides for pre-tax contributions by participants through payroll deduction. Participants may contribute up to 100 percent of eligible compensation as defined by the Plan subject to Internal Revenue Code ("IRC") limitations.

The Plan also allows for Roth 401(k) deferrals, which are subject to federal income taxes in the year of deferral.

The Company may make a discretionary matching contribution in an amount equal to a percentage of the participant's compensation deferral, which is determined on an annual basis. Participants are eligible for this contribution if employed by the Company on the last day of the year. The Company's discretionary matching contribution for the years ended December 31, 2024 and 2023 was \$154,725 and \$166,128 respectively.

The Company may also make an additional contribution of 2% of eligible compensation to all eligible collective bargaining union employees employed on the last day of the year and who have completed 3 months of service as a result of reaching certain financial ratios. The Company's additional 2% contribution to eligible collective bargaining union employees was \$157,175 and \$172,043 for the years ended December 31, 2024 and 2023, respectively. The Plan also provides for a discretionary profit sharing contribution determined on an annual basis. To be eligible, participants must be within the allocation groups defined in the Plan document, meet service requirements as defined by the Plan document, must be employed with the Company on the last day of the year, and must have worked at least 1,000 hours of service during the year. There was no discretionary profit sharing contribution to the Plan for the years ended December 31, 2024 and 2023.

WEG ELECTRIC CORP. RETIREMENT READINESS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Participant Accounts

The allocation of a participant's contributions to the investment funds is selected by the participant and may be changed daily using an automated customer service system. Participants may also elect to have all or a portion of their prior contributions transferred between any of the available investment funds. Participants may change or suspend their contribution percent, once per quarter, by filing a change form with the Plan Administrator.

Each participant's account is increased, or decreased as appropriate, with (a) the participant's contribution, (b) the Company's matching contribution, including any additional discretionary contribution and additional profit sharing contribution for collective bargaining union employees, (c) net investment earnings based on the participant's account balance and composition, (d) administrative expenses, (e) loan disbursements and repayments, (f) distributions, and (g) hardship withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions, plus earnings thereon.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of his or her account. Balances of terminating participants of less than \$5,000 are automatically distributed to the participants.

Hardship Withdrawals

In the event of financial hardship, participants may apply to receive a distribution from their account; subject to meeting Internal Revenue Service ("IRS") mandated rules for hardship withdrawals.

Forfeitures

Any non-vested Company contributions are forfeited upon termination. Forfeitures amounts may be used to reduce plan expense or contributions by the Company in the same Plan year.

Notes Receivable from Participants

The Plan allows participants to borrow from their fund accounts. Participants requesting a note must have a minimum vested balance of \$2,000 to be eligible. Participants may borrow up to fifty percent of their vested balance, after meeting certain conditions, subject to a \$50,000 limitation. The minimum note amount is \$1,000. Individuals may not have more than one outstanding note.

Principal and interest payments are made through payroll withholding according to each note's term per the promissory note. Note terms range from one to five years, or up to fifteen years for the purchase of a primary residence. Notes bear interest equal to the Prime rate on the first business day of the month the note is originated, plus two percent ranging from 5.25% to 10.50% at December 31, 2024 and 2023.

WEG ELECTRIC CORP. RETIREMENT READINESS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Notes are in arrears and delinquent when any payment is missed. If the note is not paid up-to-date by the end of the calendar quarter, after the calendar quarter in which a payment is first delinquent, the note will be in default. In that event, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the IRS as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution and will be reported to the IRS as taxable income.

Plan Costs

Notes receivable fees, managed account fees and disbursement fees are paid from Plan assets. Administrative fees, including legal and professional fees, are paid by the Company. There are also indirect fees deducted directly from the investment earnings of the Plan.

Plan Termination

Although the Plan is intended to be permanent, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, all contributions become fully vested and non-forfeitable. If the Plan is terminated, all amounts credited to a participant's account will be paid to such participant.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The accounting records of the Plan are on the accrual basis of accounting.

Valuation of Investments and Income Recognition

The Plan's investments include mutual funds, which are stated at fair value and a guaranteed investment contract, which is stated at contract value at December 31, 2024 and 2023. Gains and losses on investments that were purchased, sold or held during the year are included in net (depreciation) appreciation on the Statements of Changes in Net Assets Available for Benefits.

Investment income consists of interest and dividend income. The net (depreciation) appreciation in the value of investments consists of realized gains or losses and the unrealized appreciation on those investments. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from investments are reported based on historical cost.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

WEG ELECTRIC CORP. RETIREMENT READINESS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. The Plan provides for an allowance for credit losses and has recorded such an allowance totaling \$34,167 and \$10,239 as of December 31, 2024 and 2023, respectively. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2025, the date the financial statements were available to be issued.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by Empower Trust Company, LLC, (the "Trustee") as of and for the years ended December 31, 2024 and 2023. The Plan has obtained certifications from the Trustee as of and for the years ended December 31, 2024 and 2023, that such information is complete and accurate.

WEG ELECTRIC CORP. RETIREMENT READINESS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

NOTE 4 - GROUP ANNUITY CONTRACT

The Plan has a group annuity contract with Great-West Life & Annuity Insurance Company (“Great-West”) that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit- responsive. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expense. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- a) amendments to the Plan document (including complete or partial Plan termination or merger with another plan),
- b) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions,
- c) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan or
- d) the failure of the trust to qualify for exception from federal income taxes or any required transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

NOTE 5 - MUTUAL FUNDS

Mutual funds are measured at fair value on a recurring basis as of December 31, 2024 and 2023, using the share price values reported on active markets on which the fund is traded.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability.

WEG ELECTRIC CORP. RETIREMENT READINESS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The following table sets forth by level, within the fair value hierarchy, the Plan’s mutual funds at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,143,886	\$ -	\$ -	\$ 4,143,886

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,655,201	\$ -	\$ -	\$ 3,655,201

NOTE 6 - TAX STATUS

The IRS has determined and informed the Trustee by letter dated March 31, 2014 that the Prototype Non-Standardized Profit Sharing Plan, which was adopted by the Plan on December 11, 2006, is a qualified plan under Section 401 of the IRC and is exempt from tax under present income tax laws. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Prototype Plan has been amended and restated since receiving the determination letter. The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan’s qualified status and believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023 and for the years then ended, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 7 - PARTY-IN-INTEREST

Certain Plan investments are units of a fixed annuity fund which are managed by the Trustee and, therefore, these transactions are party-in-interest transactions.
