INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of the
Champion Management 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Champion Management 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 and Note 4 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section—

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Champion Management 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Management 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Champion Management 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Management 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The financial statements of Champion Management 401(k) Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated January 15, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHAMPION MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Champion Management 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document which can be obtained from the Plan Administrator.

General

The Plan is a multiple employer participant directed defined contribution plan established under the provisions of Section 401(a) of the Internal Revenue Code of 1986, as amended (“IRC”), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of each participating affiliate of Champion Management (the Company). The Plan covers substantially all employees of each participating affiliate of the Company who are age twenty-one or older and have completed at least three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). This plan includes a safe harbor provision.

The employee will become eligible the first day of the first month of the Plan year or the first day of the seventh month of the Plan year, coincident with or next following the date they attain the age of 21 and complete three months of service, provided that they are an eligible employee.

Annuity Insurance Company of America (Empower) is the asset custodian. The Haslauer Group, Inc. provides compliance and administration services.

Custodial expenses are borne by the Plan while other administrative expenses associated with the Plan are borne by the Plan sponsor.

Contributions

Under the terms of the plan, participants may make contributions by electing to defer up to 100% of annual compensation as defined in the Plan subject to annual limitations. Participants are limited to a maximum amount allowed by law, including catch-up contributions for employees age 50 and older. The plan also allows rollover contributions as well as Roth contributions.

The Plan currently offers investments through an insurance company, which in turn offers the participants the ability to invest in various investment options at their individual direction. Each individual Company will contribute a safe harbor contribution to the Plan of 100% of salary deferrals up to 3% of compensation plus 50% of the salary deferral contribution up to the next 2% of compensation. Participant and Company contributions are subject to certain limitations as defined in the Plan.

CHAMPION MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE 1 – DESCRIPTION OF PLAN - Continued

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's share of the Plan's income, the Company's contributions, and the participant's contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances, as defined.

Vesting

Participants are immediately vested in their contributions and in their Company safe harbor contributions plus actual earnings thereon. Prior to December 31, 2021, the Plan permitted employer discretionary matching contributions that were subject to a vesting schedule of 0% for the first two years of service, then 20% per year over the next four years (fully vested after six years).

Payment of Benefits

On termination of service due to death, disability or retirement, participants, or their beneficiaries, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments based on a predetermined length of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2024 and 2023, there were \$18,240 and \$13,653 unapplied forfeited non-vested account assets. Amounts forfeited are used to reduce the Company's contributions or Plan expenses for the Plan year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

CHAMPION MANAGEMENT 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Valuation of Investments and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year

Benefit Payments

Benefits are recorded when paid.

There were no amounts allocated to withdrawing participants that have terminated the Plan as of December 31, 2024, but have not been paid as of year-end.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by each individual Company. Expenses that are paid by each Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. Actual results may differ from these estimates.

Notes Receivable from Participants

Participants are permitted to borrow up to 50% of their vested account balance, less the highest loan balances from the previous 12 months, with a maximum of \$50,000. The loans are secured by the vested balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Interest on loans to participants ranged from 7.50% to 10.50% and 5.25% to 10.50% for December 31, 2024 and 2023, respectively.

CHAMPION MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants – Continued

Notes receivable terms shall be no greater than five years, unless the note receivable is used to purchase a participant's principal residence, in which case the notes receivable term will be determined at the time the loan is made and must be within a reasonable term. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant's employment terminates for any reason (including death or retirement) prior to full repayment of the loan, the loan balance is cancelled and becomes taxable income to the participant.

Risks and Uncertainties

The Plan provides for various investments in securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3 – INVESTMENTS (UNAUDITED)

Empower, the custodian of the Plan, held the Plan's investments, and executed Plan transactions in 2024. Participants are permitted to invest all amounts (Company safe harbor contributions and participant contributions) in any of the investment alternatives available under the Plan. Participants may change their elected salary deferral rate at any time. Participants may choose from several funds held in Pooled Separate Accounts. The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$271,097 in 2024. Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), presents a summary of assets held for investment at December 31, 2024 and is incorporated herein by reference.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's financial statements and supplemental schedules include unaudited information that was prepared by the Plan custodian, Empower. The custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

CHAMPION MANAGEMENT 401(K) PLAN

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED) – Continued

- Investments from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2024.
- Net appreciation in fair value of investments as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024.
- Information contained in the Schedule of Assets (Held at End of Year) at December 31, 2024, as shown on Schedule H, Line 4i.

NOTE 5 – TAX STATUS

The Plan adopted a pre-approved profit-sharing plan, which received its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan recognizes the tax benefit from uncertain tax positions only if it is "more likely than not" the tax position will not be sustained on examination by the taxing authorities. To the extent the Plan's assessment of such tax positions change, the change will be recorded in the period in which the determination is made. No adjustments were required for the year ended December 31, 2024. The Plan's Form 5500 for the years ended December 31, 2023, 2022, and 2021 remain subject to examination by the taxing authorities. The 2024 Form 5500 has not yet been filed.

CHAMPION MANAGEMENT 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, each Company has the right under the Plan to discontinue its contributions at any time and to terminate its Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company of America (Empower). Empower is the Custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standard Board (“FASB”), authoritative guidance for fair value measurements, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The guidance also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 8 – FAIR VALUE MEASUREMENTS – Continued

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: The fair value is based on net asset value (“NAV”) per unit, as calculated by the custodian of the Pooled Separate accounts, as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan did not have any investments within the fair value hierarchy at December 31, 2024.

Pooled separate accounts were valued at the net asset value (NAV) of shares held by the Plan at year end. This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023.

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

NOTE 9 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a fully benefit-responsive investment contract (Fixed Account) with Empower totaling \$18,927 and \$28,017 as of December 31, 2024 and 2023, respectively. Empower maintains the contributions in a general account. The Fixed Account qualifies as a fully benefit-responsive investment contract because it meets all of the following criteria:

- I. The investment contract is affected directly between the Fixed Account and the Issuer and prohibits the Fixed Account from assigning or selling the contract or its proceeds to another party without the consent of the Issuer.

CHAMPION MANAGEMENT 401(K) PLAN

NOTE 9 – INVESTMENT CONTRACT WITH INSURANCE COMPANY – Continued

2. The contract Issuer is obligated to (i) repay principal and interest, or (ii) apply prospective crediting rate adjustments with an assurance the crediting rate will not be less than zero.
3. The terms of the investment contract require all permitted participant-initiated transactions with the Fixed Account to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those transactions allowed by the underlying defined-contribution plan, such as withdrawals for benefits, loans or transfers to other funds within the Plan.
4. An event that limits the ability of the Fixed Account to transact at contract value with the Issuer (for example, premature termination of the contracts by the Fixed Account, plant closings, Plan termination, bankruptcy, mergers and early retirement incentives) and that also limits the ability of the Fixed Account to transact at contract value with the participants in the Fixed Account must be probable of not occurring.
5. The Fixed Account itself must allow participants reasonable access to their funds.

Investment contracts held in the Fixed Account are recorded at their contract value. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined in the group annuity contract. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, plant closings, layoffs, Plan termination, bankruptcies, mergers, and early retirement incentive programs. Upon occurrence of any of these events, a market value adjustment or withdrawal restrictions may apply. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

The Issuer may terminate the contract for reasonable cause, including if the contract owner breaches the contract in some way, if the Plan ceases to meet the requirements of the appropriate Code sections, and if, after a reasonable amount of time, the account has not grown sufficiently. The Plan Sponsor was not aware of any events that would have limited the Plan to transact at contract value as of December 31, 2024 and 2023 and through the date of this filing.

NOTE 10 – OPERATIONAL ERROR – COMPENSATION USED FOR CONTRIBUTIONS

As disclosed in the 2023 financial statements, certain payroll earning codes were excluded from compensation used to calculate participant deferrals and employer matching contributions. An estimate of \$12,114 was recorded as corrective contributions receivable at December 31, 2023. As of December 31, 2024, this amount remained outstanding and will be allocated to affected participant accounts as soon as administratively practicable.

During 2025, the Plan Sponsor determined that similar payroll earning code exclusions affected the 2024 plan year. Management is evaluating the impact and intends to correct the matter in accordance with applicable IRS and Department of Labor correction guidance. The amount of any corrective contributions related to 2024 has not been determined as of the date the financial statements were available to be issued; accordingly, no accrual has been recorded for 2024.

NOTE 11 – DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental schedule, certain deferrals for the Plan year ended December 31, 2023, were not remitted to the Plan within the timeframe required by the Department of Labor. As the audit for the 2023 Plan year was not issued until January 15, 2025, the delinquent contributions related to 2023 had not been corrected as of December 31, 2024, and remain outstanding on the supplemental schedule. The Company intends to remit all associated lost earnings to the affected participants.

NOTE 12 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date the financial statements were available to be issued, which corresponds with the date of the independent auditors' report.

Subsequent to December 31, 2024, the Plan Sponsor continued evaluating the payroll earning code issue described in NOTE 10 and is proceeding with a correction consistent with applicable IRS/DOL guidance, which may include additional contributions to affected participant accounts and related earnings. The amount of any such correction for 2024 has not yet been determined as of the date the financial statements were available to be issued.

No other material subsequent events have occurred since December 31, 2024 that required recognition or disclosure in these financial statements.
