INDEPENDENT AUDITORS' REPORT

To the Pension Administrative Committee

Welcome, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audits of RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RCR ENTERPRISES, L.L.C. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

As of and for the Years Ended December 31, 2024 and 2023

1. Description of Plan:

The following description of the RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan's provisions.

General

RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan (the "Plan") was adopted by the Board of Directors of Richard Childress Racing Enterprises, Inc. January 1, 1999. The Plan is a combination profit sharing plan and Section 401(k) savings plan covering all eligible employees of Richard Childress Racing Enterprises, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a successor to the Richard Childress Racing Enterprises, Inc. Profit Sharing Plan which was established January 1, 1987. Due to a reorganization of Richard Childress Racing Enterprises, Inc. and its subsidiaries, the Plan's name was changed to RCR Administrative Services, L.L.C. 401(k) Profit Sharing Plan during 2003. Due to a reorganization of all subsidiaries of RCR Enterprises, L.L.C., the Plan's name was changed January 1, 2009 to RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan to more clearly reflect the nature of the parent company's operations as a whole.

The Plan is sponsored by RCR Enterprises, L.L.C. (Plan Sponsor). Employees are eligible to participate in the Plan upon attainment of age twenty-one (21) and the completion of three (3) months of service. Employees eligible to participate may voluntarily contribute to his/her own account in the Plan through elective compensation deferrals under Section 401(k) or through any other manner approved by the Administrative Committee of the Plan. Effective April 1, 2014, the Plan was amended to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated fund until changed by the participant. The contribution rate for automatically enrolled participants increases to 4% after three (3) years and 5% after four (4) years. Effective July 1, 2023, the Plan was amended to allow ROTH elective deferrals. Employer contributions are discretionary and are determined by RCR Enterprises, L.L.C. at the end of each Plan year. There were no employer contributions for Plan years ended December 31, 2024 and 2023.

Effective July 1, 2019, the Plan was amended to remove all exclusions from the definition of compensation. Prior to July 1, 2019, specific exclusions were overtime, half-time, and race pay wages.

Effective March 27, 2020, the Plan was amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The CARES Act contains several provisions that temporarily impact 401(k) plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for loan payments.

Effective January 1, 2023, the RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan and the ECR Technologies, LLC Retirement Plan merged with the RCR Enterprises, L.L.C. 401(k) Profit Sharing Plan as the surviving plan. Prior to the merger, ECR Technologies, LLC, a subsidiary of RCR Enterprises, L.L.C., maintained a separate retirement plan for employees. During the year ended December 31, 2023, net assets totaling \$9,115,472 were transferred to the Plan.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution and an allocation of (a) the employer's contribution and (b) Plan earnings. Allocations are based on participant contributions or account balances, as defined. Each participant is entitled to the benefit that can be provided from the participant's vested account.

RCR ENTERPRISES, L.L.C. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan (Continued):

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching contributions and earnings thereon is based upon years of continuous service. The Plan Sponsor's contributions shall be fully vested and nonforfeitable upon death, total and permanent disability, termination of the Plan, or upon reaching normal retirement age defined as sixty-five (65) years of age. If participant termination occurs prior to these events, the participant vests in the Plan Sponsor's contributions as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may receive the vested balance of his/her account in the form of a lump-sum payment. For a distribution to any participant over fifty-nine and one-half (59½) years of age, the participant may elect to receive a single sum payment.

In certain hardship situations, as described in the Plan Agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participants' withdrawals are limited to the amount of the participant's elective deferral contributions.

Forfeitures

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$0 and \$15, respectively. Forfeitures of \$15 and \$45, respectively, for the years ended December 31, 2024 and 2023 were used to offset administrative expenses paid by the Plan Sponsor. No forfeitures were allocated to participant accounts during the years ended December 31, 2024 and 2023.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may change their investment options at any time.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and present net assets available for benefits and changes in those net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the years.

RCR ENTERPRISES, L.L.C. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies (Continued):

Notes Receivable from Participants

The Plan allows participant loans within the parameters of the Plan document which follows Internal Revenue Service rules as to amounts, payback periods, etc.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

The Plan's administrative expenses are paid by the Plan and Plan Sponsor (and are excluded from these financial statements), as provided by the Plan document. Certain administrative functions are performed by the employees of the Plan Sponsor. No such employee receives compensation from the Plan.

Fees related to investment management and advisory services are charged directly to the participant's account as defined in the Plan and are included in investment expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Fair Value Measurements:

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements (Continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies - Valued at the daily closing price of shares held by the Plan at year-end.

Interest bearing cash - Valued at the cash value of the investment.

Annuity (fixed account) - Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations.

Interest in pooled separate accounts - Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>Description</u>	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Shares of registered investment companies	\$ 33,746,848	\$ 33,746,848		
Interest bearing cash	4,736,282	4,736,282		
Investments measured at net asset value	220,200			
Annuity (fixed account)	4,340		\$ 4,340	
	<u>\$ 38,707,670</u>	<u>\$ 38,483,130</u>	<u>\$ 4,340</u>	
		<u>Assets at Fair Value as of December 31, 2023</u>		
Shares of registered investment companies	\$ 29,814,938	\$ 29,814,938		
Interest bearing cash	5,508,525	5,508,525		
Investments measured at net asset value	233,320			
Annuity (fixed account)	4,026		\$ 4,026	
	<u>\$ 35,560,809</u>	<u>\$ 35,323,463</u>	<u>\$ 4,026</u>	

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the preceding tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Parties-in-Interest Transactions:

Certain Plan investments are pooled separate accounts and an annuity managed by Variable Annuity Life Insurance Company (VALIC) and Principal Life Insurance Company (Principal). VALIC and Principal are trustees of the Plan and, therefore, transactions with VALIC and Principal qualify as party-in-interest transactions.

Fees paid during the years for investments rendered by parties-in-interest were based on customary and reasonable rates for such services and totaled \$39,238 and \$30,723, respectively, for the years ended December 31, 2024 and 2023. Fees paid during the years for third-party administration services rendered by parties-in-interest were based on customary and reasonable rates for such services and totaled \$57,358 and \$60,689, respectively, for the years ended December 31, 2024 and 2023.

During the years ended December 31, 2024 and 2023, RCR Enterprises, L.L.C. paid all other administrative expenses charged to the Plan and provided the Plan with certain accounting and administrative services for which no fees were charged. RCR Enterprises, L.L.C. is both the Plan Administrator and the Plan Sponsor for the Plan.

NOTES TO FINANCIAL STATEMENTS

6. Income Tax Status:

Effective May 2021, the Plan adopted the Ascensus, LLC Non-standardized Pre-Approved Profit Sharing Plan. This plan received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which stated that the plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not obtained a separate determination letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan has been designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Upon adoption of this plan, all related employers became participating employers of the Plan by the automatic participation feature of this plan. Prior to adoption of this plan, related employers were permitted to participate in the plan only if the related employer chose by completing a participating employer agreement. One related employer, ECR Technologies, LLC, which sponsors the ECR Technologies, LLC Retirement Plan, did not participate in the Plan as it maintained a separate retirement plan. An amendment was signed July 1, 2022 to correct this operational error and the Plan Sponsor has filed the necessary documents with the Internal Revenue Service to reflect this amendment and request a retroactive effective date of the amendment to May 1, 2021.

Due to the favorable opinion letter received, no provision for income taxes has been included in the Plan's financial statements for the years ended December 31, 2024 and 2023.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

7. Plan Termination:

Although it has not expressed any intent to do so, RCR Enterprises, L.L.C. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Terminated Participants Entitled to Distribution:

Ninety-four (94) participants who terminated from the Plan prior to December 31, 2024 are entitled to distribution of their vested account balances totaling \$6,285,536 as of December 31, 2024.

11. Reclassification:

Certain items in the December 31, 2023 financial statements have been reclassified to conform to the December 31, 2024 financial statement presentation.

12. Excess Contributions:

Contributions received from participants for the years ended December 31, 2024 and 2023 are net of payments of \$7,148 and \$2,438, respectively, made in 2025 and 2024 to certain active participants to return to them excess deferral contributions as required to satisfy the relevant provisions of the Plan.

These amounts are also included as a liability in the Plan's statements of net assets available for benefits as "Return of excess contributions" at December 31, 2024 and 2023.

13. Subsequent Events:

Plan management has evaluated all subsequent events through October 15, 2025, the date the financial statements were available to be issued, and concluded that no other material transactions occurred that provided additional evidence about conditions that existed at or after December 31, 2024, that required adjustments to or disclosure in the financial statements.
