Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CROWE, LLP

(2) EIN: 35-0921680

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Hub International Limited 401(k) Savings Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hub International Limited 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule(s) related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

HUB INTERNATIONAL LIMITED 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Hub International Limited (the “Company” or “Plan Sponsor”) 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering eligible employees of the Company and its subsidiaries. The Plan was adopted effective January 1, 2002 and was most recently amended on January 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligibility: All employees age 18 and older are eligible to participate in the Plan beginning on the first day of the month that immediately follows or coincides with the date the employee has completed 30 days of eligibility service and is classified as an Eligible Employee. An Eligible Employee is an employee classified by the Company, in accordance with its payroll records, as a non-union employee, unless covered by a collective bargaining agreement that provides for coverage under the Plan. An employee is not eligible to participate in the Plan if the employee is not treated by the Company as a “common law employee,” even if a court or administrative agency determines that the employee is a “common law employee” of the Company. Eligibility service starts from date of hire to date of termination. If an employee terminates but is rehired before the employee has been absent from work for 12 months, the employee is credited with eligibility service for the period that the employee was absent from work. If the employee transferred from other employment to employment as an Eligible Employee, the employee will be able to participate in the Plan beginning on the transfer date if the employee already attained age 18 and completed 30 days of eligibility service. If employment terminates and the employee is later reemployed as an Eligible Employee, the employee will be eligible to participate beginning on reemployment date if the employee was eligible to participate at the time employment was terminated.

Contributions: Participants may elect to make before-tax contributions or Roth contributions from 1% to 75% of eligible compensation (as defined in the Plan document), subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified plans. The Plan permits in-plan Roth conversions and after-tax contributions. The Plan allows for catch-up contributions in accordance with Internal Revenue Code Section 414(v).

The Company currently matches 50% of participant contributions up to 6% of eligible compensation, resulting in a maximum match of 3% of eligible compensation. The contribution period for purposes of calculating the amount of regular Employer Matching Contributions is the Plan year. The Board of Directors of the Company reserves the right to declare a profit-sharing contribution and determine the percentage of participant contributions that will be matched by the Company. There were no profit-sharing contributions declared in 2024.

The Plan provides for an automatic enrollment feature. Upon date of hire, employees may enroll in the Plan and choose their deferral rate and investment options. If any employee fails to enroll in the Plan by the 1st of the month following 30 days of eligible service, they will be automatically enrolled in the Plan at a contribution rate of 3% of their pre-tax eligible compensation until such election is modified or suspended. In order for employees to opt-out of the Plan, they must change their contribution rate to 0%.

Administrative Expenses: Transaction charges for loans, benefit payment transactions and certain professional fees are paid by the Plan by reducing the balances of those participants initiating the transactions or through reduction of forfeiture balances. Most other expenses are paid by the Company.

HUB INTERNATIONAL LIMITED 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and Plan earnings and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Investment Options: Participants elect to have their contributions allocated among various investment options offered by the Plan. The Plan currently offers various mutual funds, collective trust funds, and a self-directed brokerage account.

Vesting: Participants are immediately vested in their elective deferrals including Roth 401(k) deferrals and rollover contributions, plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of continuous service. Company matching and profit-sharing contributions are vested according to the following schedule. In order to qualify as a year of service, an employee must have at least 1,000 hours of service.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Payment of Benefits: Upon termination of employment, normal retirement, disability, or death, a participant or their beneficiaries may elect to receive payment of the fully vested portion of their accounts in a number of ways including a single lump-sum payment in cash, a direct rollover distribution, installment payments over time, or a combination of any of the three. If a participant's vested account balance in the Plan exceeds \$5,000, the participant or designated beneficiary must consent to any distribution. If a participant's vested balance is \$5,000 or less, the account will be distributed to the participant without consent as a lump-sum payment in cash.

Beginning at age 59½ participants may make qualified withdrawals from their accounts. Participants may also make withdrawals in the case of financial hardship.

Forfeitures: If a participant terminates employment with the Company and is not 100% vested in the value of the Company matching contributions at that time, the participant forfeits the non-vested portion of the participant's account. Participant forfeitures of Company matching contributions are used to offset future Company matching contributions or pay administrative expenses of the Plan. During 2024, \$329,669 of forfeited Company matching contributions were used to offset Plan administrative expenses. As of December 31, 2024, \$850,000 of forfeited Company matching contributions were applied to offset employer contributions receivable reflected in the financial statements. Forfeitures available to offset future Company matching contributions and administrative expenses as of December 31, 2024 and 2023 were \$899,423 and \$812,617, respectively.

HUB INTERNATIONAL LIMITED 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants: Loans are made available to participants on a reasonably equivalent basis. Participants may borrow from their vested account balance a minimum loan amount of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participants are limited to having no more than one loan advanced in any plan year and no more than one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate similar to the interest rate charged for a loan made under similar circumstances by persons in the business of lending money. The term of the loan may not exceed five years unless the loan is for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions. If an employee terminates, the outstanding loan balance is due immediately.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Payment of Benefits: Benefit payments are recorded when paid.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks as well as the risks associated with ongoing global events. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Reclassifications: Certain items in the prior year footnote disclosures were reclassified to conform to current presentation. Reclassifications had no effect on prior year net assets available for benefits.

NOTE 3 – RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company matching and profit-sharing contributions and earnings thereon.

NOTE 4 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and Empower Annuity Insurance Company of America as of and for the year ended December 31, 2024.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 inputs) and gives the lowest priority to unobservable inputs (Level 3 inputs). The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2:* Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3:* Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. Transfers between hierarchy measurement levels are recognized by the Plan as of the beginning of the reporting period.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds: The fair values of mutual fund investments are based upon the closing net asset value per share of the mutual fund on the day of the valuation as reflected on a national securities exchange (Level 1 inputs).

Self-directed Brokerage Accounts: The fair values of investments in self-directed brokerage accounts are determined by obtaining quoted market prices from a nationally recognized exchange (Level 1 inputs).

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Account: The fair value of the Plan's interest in the pooled separate account (PSA) is based upon the NAV per unit as determined by the pooled separate account as of the valuation date. The PSA is valued on the basis of the relative interest of each participating investor at the fair value of the underlying assets. The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying investment assets held through sub accounts of a separate account of an insurance company. The investments are redeemable at the NAV on a daily basis. There are no unfunded commitments related to this investment.

Collective Trust Funds: The fair value of the Plan's interest in collective trusts is based upon the NAV per unit as determined by the collective trusts as of the valuation date. They are valued on the basis of the relative interest of each participating investor at the fair value of the underlying assets. The NAV is used as a practical expedient to estimate fair value. There are no unfunded commitments with respect to these investments. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis which are held directly by the Plan are summarized below.

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

- * Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Other administrative expenses are paid by the Plan to Empower Trust Company, LLC, and therefore, qualify as party-in-interest transactions. The Plan invests in a self-directed brokerage account that holds shares of common stock of Morgan Stanley and mutual funds managed by Morgan Stanley. As Morgan Stanley provides investment advisory services to the Plan, these investments and related investment income represent party-in-interest transactions. The Plan also invests in a pooled separate account managed by Empower Annuity Insurance Company of America, and therefore, qualifies as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions. Investment management and transaction fees are charged to the Plan by investment managers, with these fees being reflected in the investment income reported by the Plan. These investment management fees and fees paid to other service providers qualify as party-in-interest transactions.

NOTE 7 – TAX STATUS

The Internal Revenue Service issued an opinion letter dated November 14, 2022, indicating that the non-standardized pre-approved plan adopted by then Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is currently being operated in accordance with the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.
