The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern of within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Plan Administrator and Participants
Triangle Credit Union 401(k) Savings Plan

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRIANGLE CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan

The Triangle Credit Union 401(k) Savings Plan (the Plan) is a defined contribution plan that is available to all employees of Triangle Credit Union (the Credit Union). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Credit Union is the administrator of the Plan.

On December 29, 2022, the *Setting Every Community Up for Retirement Enhancement Act of 2022* (SECURE 2.0 Act) was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Applicable provisions outlined in the SECURE 2.0 Act will be adopted if elected and/or required. Plan amendments for these changes are not yet required.

The following description provides only general information about the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Eligibility and Entry Date

Employees who are at least age 18 are eligible for participation in the Plan on the first day of the month coinciding with or next following the completion of three months of employment.

Contributions

Participants may elect to contribute a pre-tax salary deferral of 1% to 100% of eligible compensation, subject to Internal Revenue Service (IRS) limits. The Plan includes an auto-enrollment provision whereby all newly eligible employees who do not make a separate election are automatically enrolled to defer 3% of their pre-tax annual compensation into the Plan. This amount will increase annually by 1% up to the maximum percentage of 6%. Upon being automatically enrolled into the Plan, participants may elect an alternative deferral amount or elect to ultimately not defer into the Plan.

The Plan also allows Roth contributions by participants. Roth contributions amounted to approximately \$138,000 and \$156,000 in 2024 and 2023, respectively.

Participants select the investments in which their accounts are invested.

The Plan allows rollover contributions from other IRS qualified retirement plans.

The Credit Union may make a discretionary matching contribution of up to 6% of employee contributions. There were no discretionary matching contributions in 2024 or 2023.

The Plan has a discretionary profit sharing contribution to be determined by the Credit Union each year. Any profit sharing contribution is allocated or divided among eligible participants (as defined in the Plan) for the profit sharing in the ratio of the participant's compensation to total compensation of all eligible participants. In 2024 and 2023, there were no profit sharing contributions.

Vesting

If employment is terminated for reasons other than death, disability or retirement, then participants are entitled to receive only their vested percentage of their account balance.

TRIANGLE CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan (Continued)

Participants are always 100% vested in employee salary deferrals, rollover and Roth contributions. Vesting attributable to employer matching and profit sharing contributions is determined per the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20
3	40
4	60
5	80
6 or more	100

Forfeitures

Forfeitures are to be used to pay any administrative expenses, and any remaining forfeitures will be used to reduce any employer contribution. At December 31, 2024 and 2023, there was no balance in the forfeiture account. During 2024 and 2023, no forfeitures were used to pay administrative expenses or to reduce any employer contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and a proportionate allocation of any Credit Union contributions and plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Loans are allowed in accordance with rules and regulations outlined in a written loan policy. Participant loans are limited to no more than 50% of a participant's vested account balance, or \$50,000, if less. Interest rates ranged from 4.25% to 10.50% as of December 31, 2024, with various maturities through November 2031.

Normal Retirement Age

Normal retirement age is 65.

Participant Withdrawals

The Plan provides for participants to withdraw their funds at any time after reaching normal retirement age (65) or attainment of age 59.5 if certain employment requirements are met. The Plan also provides for withdrawals in the event of death, disability, hardship or termination.

TRIANGLE CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer matching and profit sharing contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments in pooled separate accounts are stated at estimated fair value, which has been determined based on the net asset value of the underlying funds as a practical expedient.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options, including pooled separate accounts with a life insurance company. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Contributions

Participant contributions are recorded in the period in which payroll deductions are made.

Payment of Benefits

Benefits are recorded when paid.

TRIANGLE CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. **Summary of Significant Accounting Policies (Continued)**

Administrative Expenses

Certain expenses, including participant loan fees, are paid from participants' investment funds. Fees for recordkeeping services and investment management are paid by the Plan participants through the Plan investment returns. Other administrative expenses relating to the Plan are paid by the employer.

Notes Receivable From Participants

Notes receivable from participants are carried at the unpaid principal balance plus any accrued but unpaid interest.

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by the Plan Administrator to determine whether such events should be recognized or disclosed in the financial statements. The Plan Administrator has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.

3. **Tax Status**

The Plan adopted a non-standardized pre-approved plan sponsored by CCH Incorporated and the Credit Union was informed by a letter dated June 30, 2020 from the IRS that the form of the Plan was acceptable under Section 401(a) of the Internal Revenue Code (IRC). Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has evaluated the Plan's tax positions and concluded there are no uncertain tax positions that require adjustment to the financial statements.

4. **Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of the unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan does not hold any investments subject to leveling as the pooled separate investments are valued at net asset value.

TRIANGLE CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled Separate Accounts

The Plan's interests in these accounts are valued based on the net asset values used as a practical expedient to estimate fair value and are based on the quoted market value of the underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table discloses the unfunded commitment and redemption terms of the pooled separate accounts held by the Plan as of December 31, 2024:

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

4. **Fair Value Measurements (Continued)**

- (a) This asset class is generally comprised of a combination of fixed income and equity investment options. These investment options may include balanced, asset allocation, target-date, and target-risk investment options. Although typically lower risk than investment options that invest solely in equities, all investment options in this category have the potential to lose value.
- (b) This asset class is comprised of investment options that invest in stocks or shares of ownership in companies with their principal place of business or office outside the United States. These investment options often carry more risk than U.S. equity investment options but may have the potential for higher returns. They may be an appropriate choice for long-term investors who are seeking the potential for growth. All investment options in this category have the potential to lose value.
- (c) This asset class is generally comprised of investment options that invest in stocks, or shares of ownership in large, well-established U.S. companies. These investment options typically carry more risk than fixed income investment options but have the potential for higher returns over long time periods. They may be an appropriate choice for long-term investors who are seeking the potential for growth. All investment options in this category have the potential to lose value.
- (d) This asset class is generally comprised of investment options that invest in stocks or shares of ownership in small to medium sized U.S. companies. These investment options typically carry more risk than larger U.S. equity investment options but have the potential for higher returns. They may be an appropriate choice for long-term investors who are seeking the potential for growth. All investment options in this category have the potential to lose value.
- (e) This asset class pursues income opportunities from government, corporate, emerging market and high-yield sources. It has flexibility to invest in a broad range of fixed-income securities in both developed and emerging market countries. The fund's investments may include U.S. and non-U.S. corporate debt securities and sovereign debt securities. It may invest, without limitation, in either U.S. dollar-denominated or non-U.S. dollar-denominated fixed-income securities.
- (f) This asset class will invest at least 80% of its net assets, plus the amount of any borrowing for investment purposes (calculated at the time of any investment), in equity securities of real estate investment trusts (REITs) and real estate companies. It may also invest a portion of its assets in other types of securities. These securities may include short-term securities, bonds, notes, securities of companies not principally engaged in the real estate industry and other similar securities. The fund is non-diversified.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

5. **Information Certified by the Custodian**

The Plan's investments and notes receivable from participants, related investment and interest income and investment and loan transactions, including net appreciation of investments were certified as complete and accurate, as of and for the years ended December 31, 2024 and 2023 by John Hancock Life Insurance Company (John Hancock). Plan Management has determined that John Hancock meets the requirements of a qualified institution as defined by the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, in accordance with the request of the Plan's Administrator, and as allowed under 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, this information was not subjected to auditing procedures by the Plan's independent auditors, except for comparing such information certified by the custodians to the information included in the Plan's financial statements and supplemental schedule.

6. **Related-Party Transactions and Party-in-Interest Transactions**

Compass Retirement Consulting Group provides administrative services for the Plan. John Hancock, provided custodial services for the Plan and provided advisory services for the pooled separate accounts. Therefore, the related pooled separate investments in the Plan qualify as party-in-interest transactions. The Plan incurred \$29,072 and \$30,895 in expense related to custodial and advisory services during the years ended December 31, 2024 and 2023, respectively.

Notes receivable from participants and interest on notes receivable from participants also qualify as party-in-interest transactions.

7. **Reconciliation of Financial Statements to Form 5500**

Notes receivable from participants are reflected as a receivable on the financial statements which is different from the Form 5500 presentation. On the Form 5500, notes receivable are classified as investments under the caption "participant loans."
