## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
Wynden Stark LLC 401(k)  
Profit Sharing Plan & Trust (Internal)  
Austin, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

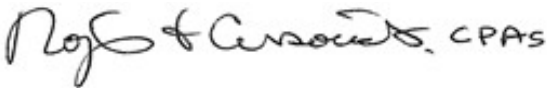

The supplemental Schedule H, Line 4(I) - Schedule of Assets (Held at End of Year) as of the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**WYNDEN STARK LLC 401(k)  
PROFIT SHARING PLAN & TRUST (INTERNAL)  
Austin, Texas**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 1. DESCRIPTION OF THE PLAN**

The following description of the Wynden Stark LLC 401(k) Profit Sharing Plan & Trust (Internal) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General.** The Plan is a defined contribution plan sponsored by Wynden Stark LLC covering all eligible employees who have reached 21 years of age, and have completed six months of service. Entry date is the first day of the quarter that falls on or after the date of eligibility. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Participant Contributions.** Each year, participants may make pretax salary deferral contributions up to the lesser of 92% of their eligible compensation or the maximum amount allowed under the Internal Revenue Code. Effective August 26, 2024, the Plan amended the deferral limit to 85% of eligible compensation. Participants may specify either a dollar amount or a percentage of their compensation to be contributed each payroll period, provided that the amount does not exceed the deferral limit. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Employer Contributions.** The Employer may make a discretionary matching contribution of participants' deferrals up to 4% of participants' eligible compensation. The Employer may make discretionary profit sharing contributions. These contributions are allocated pro-rata based on each participant's compensation as a percentage of total compensation for all qualifying participants.

**Participant Accounts.** The trustee maintains a separate account for each participant and each type of contribution. Each participant may select from a series of investment options designated by the trustee and Plan administrator for their individual contributions.

**Vesting.** Participants are fully vested in their own contributions, as well as employer profit-sharing and employer matching contributions.

**Participant Loans.** Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The loans must be repaid within 5 years, or 15 years if the loan proceeds will be used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear an interest rate to be determined by the trustees. Principal and interest is paid ratably through payroll deductions. The loan will be deemed a distribution if the participant terminates employment with the Company prior to repaying the loan.

**Payment of Benefits.** Upon termination due to death, retirement, disability, or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a joint and survivor annuity, a life annuity if participant is not married, or installments over a period not longer than the participant's assumed life expectancy, or the purchase of a different form of annuity.

See accompanying independent auditors' report.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 2. SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the plan are reported on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition:**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustees. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Investment Contract:**

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Participants may direct the investment of their 401(k) contributions into the Plan.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are collected through payroll withholding, or through final distribution from participant's balance after termination based upon the terms of the Plan. Notes receivable at December 31, 2024, were \$41,698.

Benefits are recorded when paid. There were no benefits requested before year-end that were not paid.

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2024, expenses paid by the Plan amounted to \$31,100 in fees which were primarily for the administration and management of the Plan's investments.

There are no reconciling differences, in the statement of net assets available for benefits and the statement of changes in net assets available for benefits, between the financial statements and the Form 5500, other than those detailed in Note 11.

See accompanying independent auditors' report.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 3. COMPLIANCE WITH ERISA**

The Employee Retirement Income Security Act of 1974 (ERISA) required certain standards be incorporated into certain employee retirement plans. The Plan is based upon a Prototype Non-Standardized Profit Sharing Plan with CODA through FMR LLC. The Prototype Plan has obtained an Internal Revenue Service determination letter dated June 30, 2020.

**NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of December 31, 2024 and 2023;
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024;
- Investment information included in the footnotes and supplemental schedule of assets (held for investment purposes at end of year) as of December 31, 2024 and 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE 5. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurement and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date.

**Level 2** - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets or inputs (other than quoted prices) that are observable or that are derived principally from or corroborated by observable market data through correlation or other means.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See accompanying independent auditors' report.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used for the year ended December 31, 2024. During the year ended December 31, 2024, there were no transfers of financial instruments into or out of Level 3.

Common stocks, preferred stocks and exchange traded funds: Value at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds: Valued at closing price reported on the active market on which the individual funds are traded. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities & Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed activity traded. The Plan can redeem these investments daily, and there are currently no redemption restrictions on these investments.

The following table summarizes assets measured at fair value on a recurring basis as of December 31, 2024:

<u>Assets</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	<u>\$5,467,304</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$5,467,304</u>
Total investments at fair value	<u>\$5,467,304</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>5,467,304</u>
Investments at net asset value*				<u>180,705</u>
Total investments				<u>\$5,648,009</u>

\*In accordance with Subtopic 820-10, certain investments that were measured at net asset value (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of the net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See accompanying independent auditors' report.

PROFIT SHARING PLAN & TRUST (INTERNAL)

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 6. INCOME TAX**

The IRS has informed FMR LLC, the prototype plan sponsor of the Plan, in an opinion letter dated June 30, 2020, that the form of the Plan is acceptable under the requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code and the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants account balances become 100% vested and non-forfeitable.

**NOTE 8. SUBSEQUENT EVENTS**

The Plan Administrator has evaluated subsequent events through October 14, 2025, the date of this report, and has determined that there were no significant subsequent events to recognize or disclose in these financial statements.

**NOTE 9. RISKS AND UNCERTAINTIES**

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$5,745,936	\$2,889,623

## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
Wynden Stark LLC 401(k)  
Profit Sharing Plan & Trust (Internal)  
Austin, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WYNDEN STARK LLC 401(k) PROFIT SHARING PLAN & TRUST (INTERNAL)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4(I) - Schedule of Assets (Held at End of Year) as of the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**WYNDEN STARK LLC 401(k)  
PROFIT SHARING PLAN & TRUST (INTERNAL)  
Austin, Texas**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 1. DESCRIPTION OF THE PLAN**

The following description of the Wynden Stark LLC 401(k) Profit Sharing Plan & Trust (Internal) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General.** The Plan is a defined contribution plan sponsored by Wynden Stark LLC covering all eligible employees who have reached 21 years of age, and have completed six months of service. Entry date is the first day of the quarter that falls on or after the date of eligibility. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Participant Contributions.** Each year, participants may make pretax salary deferral contributions up to the lesser of 92% of their eligible compensation or the maximum amount allowed under the Internal Revenue Code. Effective August 26, 2024, the Plan amended the deferral limit to 85% of eligible compensation. Participants may specify either a dollar amount or a percentage of their compensation to be contributed each payroll period, provided that the amount does not exceed the deferral limit. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Employer Contributions.** The Employer may make a discretionary matching contribution of participants' deferrals up to 4% of participants' eligible compensation. The Employer may make discretionary profit sharing contributions. These contributions are allocated pro-rata based on each participant's compensation as a percentage of total compensation for all qualifying participants.

**Participant Accounts.** The trustee maintains a separate account for each participant and each type of contribution. Each participant may select from a series of investment options designated by the trustee and Plan administrator for their individual contributions.

**Vesting.** Participants are fully vested in their own contributions, as well as employer profit-sharing and employer matching contributions.

**Participant Loans.** Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The loans must be repaid within 5 years, or 15 years if the loan proceeds will be used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear an interest rate to be determined by the trustees. Principal and interest is paid ratably through payroll deductions. The loan will be deemed a distribution if the participant terminates employment with the Company prior to repaying the loan.

**Payment of Benefits.** Upon termination due to death, retirement, disability, or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a joint and survivor annuity, a life annuity if participant is not married, or installments over a period not longer than the participant's assumed life expectancy, or the purchase of a different form of annuity.

See accompanying independent auditors' report.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 2. SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the plan are reported on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition:**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustees. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Investment Contract:**

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Participants may direct the investment of their 401(k) contributions into the Plan.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are collected through payroll withholding, or through final distribution from participant's balance after termination based upon the terms of the Plan. Notes receivable at December 31, 2024, were \$41,698.

Benefits are recorded when paid. There were no benefits requested before year-end that were not paid.

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2024, expenses paid by the Plan amounted to \$31,100 in fees which were primarily for the administration and management of the Plan's investments.

There are no reconciling differences, in the statement of net assets available for benefits and the statement of changes in net assets available for benefits, between the financial statements and the Form 5500, other than those detailed in Note 11.

See accompanying independent auditors' report.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 3. COMPLIANCE WITH ERISA**

The Employee Retirement Income Security Act of 1974 (ERISA) required certain standards be incorporated into certain employee retirement plans. The Plan is based upon a Prototype Non-Standardized Profit Sharing Plan with CODA through FMR LLC. The Prototype Plan has obtained an Internal Revenue Service determination letter dated June 30, 2020.

**NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of December 31, 2024 and 2023;
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024;
- Investment information included in the footnotes and supplemental schedule of assets (held for investment purposes at end of year) as of December 31, 2024 and 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE 5. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurement and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date.

**Level 2** - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets or inputs (other than quoted prices) that are observable or that are derived principally from or corroborated by observable market data through correlation or other means.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See accompanying independent auditors' report.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used for the year ended December 31, 2024. During the year ended December 31, 2024, there were no transfers of financial instruments into or out of Level 3.

Common stocks, preferred stocks and exchange traded funds: Value at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds: Valued at closing price reported on the active market on which the individual funds are traded. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities & Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed activity traded. The Plan can redeem these investments daily, and there are currently no redemption restrictions on these investments.

The following table summarizes assets measured at fair value on a recurring basis as of December 31, 2024:

<u>Assets</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	<u>\$5,467,304</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$5,467,304</u>
Total investments at fair value	<u>\$5,467,304</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>5,467,304</u>
Investments at net asset value*				<u>180,705</u>
Total investments				<u>\$5,648,009</u>

\*In accordance with Subtopic 820-10, certain investments that were measured at net asset value (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of the net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See accompanying independent auditors' report.

PROFIT SHARING PLAN & TRUST (INTERNAL)

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 6. INCOME TAX**

The IRS has informed FMR LLC, the prototype plan sponsor of the Plan, in an opinion letter dated June 30, 2020, that the form of the Plan is acceptable under the requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code and the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants account balances become 100% vested and non-forfeitable.

**NOTE 8. SUBSEQUENT EVENTS**

The Plan Administrator has evaluated subsequent events through October 14, 2025, the date of this report, and has determined that there were no significant subsequent events to recognize or disclose in these financial statements.

**NOTE 9. RISKS AND UNCERTAINTIES**

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

See accompanying independent auditors' report.

NOTE 10. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$5,745,936	\$2,889,623
Refund of excess contributions	-	25,258
Employee contributions receivable	<u>( 55,718 )</u>	<u>( 40,460 )</u>
