INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
USW Local 1660-01 Health Fund

Opinion

We have audited the accompanying financial statements of USW Local 1660-01 Health Fund (the "Fund"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of USW Local 1660-01 Health Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of USW Local 1660-01 Health Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of the Board of Trustees for the Financial Statements

The Fund's Board of Trustees is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Fund's Board of Trustees is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about USW Local 1660-01 Health Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

The Fund's Board of Trustees is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Fund, and determining that the Funds transactions that are presented and disclosed in the financial statements are in conformity with the Fund's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of USW Local 1660-01 Health Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by the Fund's Board of Trustees, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about USW Local 1660-01 Health Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

USW LOCAL 1660-01 HEALTH FUND

NOTES TO FINANCIAL STATEMENTS

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization - USW Local 1660-01 Health Fund (the "Fund"), formed on February 1, 2017, provides health care coverage (meant exclusively to mean medical coverage) to substantially all active full-time employees (as well as dependents) who are members of the Steelworkers Union Local 1660-01 (the "Union"), are employed by participating employers and elect to obtain coverage through the Fund. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Fund is a multiemployer welfare benefit fund which utilizes a trust as its operating vehicle. Wheatland Tube, a division of Zekelman Industries, is the only participating employer as of December 31, 2024 and 2023. The collective bargaining agreement provides for specified monthly employer contributions to the Fund for Union employees as follows for the years ended December 31, 2023 and 2024 and the years ending December 31, 2025 and 2026:

	<u>Eligible enrolled employees</u>	<u>Eligible employees who waive coverage</u>
2023	\$ 2,000	\$ 1,500
2024	2,100	1,600
2025	2,200	1,700
2026	2,250	1,750

Eligible employees who waive coverage receive \$500 per month for each month that they waive coverage. Employee contributions are generally deducted by the employer from payroll and remitted to the Fund. Employee contributions are determined by the Union and are subject to increase if health care costs exceed the Company contributions. In February 2024, the employee contribution rate per pay period was reduced from \$88.16 to \$25.

Medical coverage is provided by way of the Steelworkers Health and Welfare Fund, which has a group insurance contract with Highmark Blue Cross Blue Shield.

The collective bargaining agreement also provides for service fees (see Note 2) and administration expenses of the Fund to be paid by Wheatland Tube. Insurance and accounting fees are paid by the Fund.

The activities of the Fund are controlled by a five-member Board of Trustees comprised of Union officials. The Fund has no employees.

Emerson Rogers, LLC, the broker of record, serves as the Fund's consultant and uses AMCA Systems, LLC as a subcontractor for third party administration.

Basis of Accounting - The accounts of the Fund are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP involves estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. However, these financial statements do not include estimates.

Cash and Cash Equivalents - At December 31, 2024 and 2023, the Fund had cash at a financial institution, which exceeded federally insured amounts, as well as a money market account at another financial institution.

Contributions - The Fund recognizes as income billings for the period to which the coverage pertains. It is the Fund's practice to bill in the period to which the coverage pertains. Participating employers generally pay their billed amounts (which consist of the employer contribution as well as amounts withheld from employees for their share of the coverage) by the middle of the month to which coverage pertains. If a participating employer does not pay its monthly billed amount, the Fund can terminate health care coverage.

During the year ended December 31, 2023, the Fund received \$20,453 of contributions from Wheatland Tube in excess of Wheatland Tube's required contributions. This amount was reflected as a deferred contribution at December 31, 2023 and was applied against Wheatland Tube's contribution requirements for the year ended December 31, 2024.

Subsequent Events - The Trustees have evaluated subsequent events through October 9, 2025, the date which the financial statements were available to be issued.

2. ADMINISTRATION AND SERVICES AGREEMENT

The Fund contracted with Emerson Rogers, LLC to provide strategic benefit planning, benefit design, administrative, funding, compliance and communication services, whether directly or through the engagement of other professionals and consultants. Service fees, which are based on 3% of total premiums collected by the Fund, are reimbursed by the employer under the terms of the collective bargaining agreement.

3. PLAN TERMINATION

Although it has not expressed any intention to do so, the Board of Trustees has the right to modify the benefits provided to active employees and to terminate the Fund subject to the provisions set forth in ERISA.

4. INCOME TAX AND LMRA STATUS

The Fund is a trust that is operated in accordance with ERISA and is tax exempt under Internal Revenue Code Section 419A. The Trustees believe that the Fund has operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Fund's financial statements. U.S. GAAP prescribes a comprehensive model for the financial statement recognition, measurement, presentation, and disclosure of uncertain tax positions taken or expected to be taken in income tax returns. Management believes that there is no liability related to uncertain tax positions at December 31, 2024 or 2023. The Fund is no longer subject to income tax examinations for years before December 31, 2021.

The Fund shall also be continued and operated in a manner necessary to remain exempt from Section 302(c)(5)(B) of the Labor Management Relations Act (LMRA) pursuant to the application of Section 302(g) of the LMRA.

5. RELATED PARTIES

Neither the participating employer or the Trustees, who are responsible for the administration of the Fund, receive compensation from the Fund.
