INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Extremity Healthcare, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Extremity Healthcare, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statements of net assets available for benefits as of July 11, 2024 and December 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the period ended July 11, 2024 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 11, 2024 and December 31, 2023, and for the period ended July 11, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Notes 1 and 2 to the financial statements, the Board of Directors approved a plan of liquidation on April 21, 2021, and management determined liquidation is imminent. As a result, the Financial Statements are presented using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always

detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EXTREMITY HEALTHCARE, INC. 401(k) PLAN

Notes to Financial Statements

July 11, 2024 and December 31, 2023

Note 1 - Description of plan:

The following description of the Extremity Healthcare, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan sponsor is Extremity Healthcare, Inc. (the Company, Plan Administrator, or Plan Sponsor). The Plan was a defined contribution plan covering substantially all employees of the Company who had completed at least six months of service, were at least 21 years of age, were not employees covered by a collective bargaining agreement, leased employees, or non-resident aliens who do not receive any earned income from the employer which constitutes U.S. source income. Employees are eligible to participate in the Plan on the first day of the month coincident with meeting the age and service requirements. The Plan Sponsor handled governance of the Plan and determined the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan termination and liquidation

The Company was acquired by Upperline Health, Inc. on April 6, 2021, and due to the sale, the Company approved a termination of the Plan effective April 21, 2021. On April 21, 2021, the Plan moved to liquidation basis status, and all participant accounts became fully vested. On July 30, 2021 and August 6, 2021, semi-monthly and bi-weekly participants, respectively, were no longer allowed to contribute to the Plan. Remaining participant accounts were distributed in July 2024.

Contributions

Through August 6, 2021, participants could contribute up to 100% of annual compensation, as defined in the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically-enrolled participants had their deferral rate set at 2% of eligible compensation and their contributions invested in a designated default investment fund until changed by the participant.

Notes to Financial Statements - Continued

July 11, 2024 and December 31, 2023

Note 1 - Description of plan - continued:

Contributions - continued

Prior to June 19, 2019, the Company made safe harbor matching contributions equal to 100% of the first 3%, plus 50% on the next 2% of annual compensation that a participant contributed to the Plan. Between June 19, 2019 and January 1, 2020, the Company replaced the safe harbor contribution with a discretionary matching contribution. On January 1, 2020, the Company amended the plan to reinstate the safe harbor matching contribution. Effective May 1, 2020, the Plan changed from a safe harbor match to a discretionary match. The Company could also make discretionary profit sharing contributions. As of August 6, 2021, participants were no longer allowed to contribute to the Plan and Company contributions ceased.

Contributions were subject to certain Internal Revenue Service (IRS) limitations. Participants directed the investment of their contributions into various investment options offered by the Plan.

Participant accounts

Each participant's account is credited with the participant's contributions and discretionary matching contributions, as well as allocations of any discretionary profit sharing contributions and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Vesting

Prior to the Plan termination participants were immediately vested in their contributions and safe harbor matching contributions plus actual earnings thereon.

Participants became vested in the Company's discretionary matching or profit sharing contributions in accordance with the following schedule:

| <u>Completed Years of Service</u> | <u>Percentage Profit Sharing Contributions Vested</u> | <u>Percentage Matching Contributions Vested</u> |
|---|---|---|
| Less than 2 | 0% | 0% |
| 2 | 20% | 20% |
| 3 | 40% | 40% |

Vesting - continued

| <u>Completed Years of Service</u> | <u>Percentage Profit Sharing Contributions Vested</u> | <u>Percentage Matching Contributions Vested</u> |
|---|---|---|
| 4 | 60% | 60% |
| 5 | 80% | 80% |
| 6 | 100% | 100% |

Effective April 21, 2021, participants were immediately vested in all contributions as a result of Plan termination.

Forfeitures

Forfeitures of terminated participant accounts were used to reduce Company contributions or pay Plan expenses. At July 11, 2024 and December 31, 2023, there was no forfeiture balance. During the period ended July 11, 2024, \$824 of forfeitures were used to pay Plan expenses. The remaining forfeiture balance of \$818 was fully distributed by July 2024 to participant accounts due to Plan termination.

Payment of benefits

A participant was entitled to receive a lump-sum amount equal to the vested value of his or her account upon attainment of age 59½, termination of service, retirement, disability, or death. A participant could request a withdrawal from the Plan while still under the employment of the Company for reasons of financial hardship in accordance with the Plan document. The Plan allowed for in-service withdrawals related to rollover contributions into the Plan.

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Due to the acquisition by Uppertime Health, Inc, the Company approved a liquidation of the Plan as of April 21, 2021, and management determined that liquidation of the Plan's assets was imminent. As a result, the Plan's financial statements have been prepared

on the liquidation basis, in accordance with U.S. GAAP. This basis is appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amount.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers and Ascensus Trust Company (Ascensus).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Company reserves the right to elect to pay, or have the Plan pay, administrative costs in the future. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Recent accounting pronouncements

The AICPA Financial Reporting Executive Committee (FinREC) approved enhanceive accounting updates related to accounting for revenue sharing arrangements in accordance with Financial Accounting Standards Board (FASB) ASC No. 606, Revenue from Contracts with Customers. Revenue sharing amounts are not considered revenue under ASC No. 606 due to the fact that they are intended to reduce administrative costs for the plan and not paid to the plan for delivering or producing goods, rendering services or undertaking other activities for the investment manager. A plan should consider all relevant facts and circumstances, including the terms of the agreement to determine the appropriate presentation of revenue sharing amounts. The presentation should be applied on a consistent basis and the plan should consider whether the presentation of revenue sharing amounts is a significant accounting policy that should be disclosed in the notes to the financial statements. If significant, the notes to the financial statements include a description of revenue sharing arrangements including how such arrangements are presented in the financial statements. The adoption did not have a material impact to the Plan's financial statements.

Recent legislative developments

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the period ended July 11, 2024 and year ended December 31, 2024. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and is awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan period ended July 11, 2024 and year ended December 31, 2023.

Subsequent events

The Plan has evaluated subsequent events through October 8, 2025, which is the date these financial statements were available to be issued. All other subsequent events requiring recognition as of July 11, 2024, have been incorporated into these financial statements.

Note 3 - Investments and information certified by the trustee:

Ascensus is the trustee for the Plan. Ascensus held the Plan's investment assets and executed investment transactions. Management has determined that Ascensus is a qualified institution and the information prepared and certified by Ascensus meets the requirements of ERISA Section 103(a)(3)(C). Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at July 11, 2024 and December 31, 2023, and net appreciation in fair value of investments, and interest and dividends for the period ended July 11, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ascensus.

Note 4 - Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Note 4 - Fair value measurements - continued:

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value.

- Shares of registered investment companies are valued at year end by obtaining quoted prices on nationally recognized securities exchanges.
- Interest-bearing cash is valued at quoted prices based on the short-term nature of the investment.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of July 11, 2024, no assets remained in the Plan. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

| | Assets at Fair Value as of December 31, 2023 | | | |
|---------------------------------|--|-------------|-------------|----------------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered investment companies | \$ 15,168,962 | \$ - | \$ - | \$ 15,168,962 |
| Interest-bearing cash | 377,474 | - | - | 377,474 |
| Total assets at fair value | <u>\$ 15,546,436</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 15,546,436</u> |

Note 5 - Related-party transactions:

Certain Plan investments are shares of registered investment companies and interest-bearing cash managed by an affiliate of Ascensus. Ascensus is the trustee as defined by the Plan and; therefore, these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation.

Note 6 - Tax status:

The underlying pre-approved plan has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and; therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed tax positions taken by the Plan, and has concluded that, as of July 11, 2024 and December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
