Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CBIZ CPAS P.C

(2) EIN: 43-1947695

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount

COMMUNITY MANAGEMENT HOLDINGS 401(k) SALARY REDUCTION PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the **Community Management Holdings 401(k) Salary Reduction Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY MANAGEMENT HOLDINGS 401(k) SALARY REDUCTION PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(1) Description of the Plan

The following description of the **COMMUNITY MANAGEMENT HOLDINGS 401(k) SALARY REDUCTION PLAN** (the "Plan", formerly known as the Capital Consultants Management Corporation 401(k) Salary Reduction Plan and Trust) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is administered by a trustee and an administrator appointed by Community Management Holdings TopCo, LLC (the "Company"), the Plan's Sponsor. The Company is the new holding company of Capital Consultants Management Corporation effective November 2024, which is the former Plan Sponsor prior to the reorganization.

- A. General** – The Plan was established in 1990 and is a defined contribution plan covering all employees of the Company who have attained the age of 21. The Plan allows participants to enroll on the first day of the month following 60 days of employment. The Plan also allows employees to automatically defer 2% of pretax annual participant compensation with an auto-escalation of 1% each anniversary of enrollment in the automatic deferral provision up to a maximum of 5%, as defined in the Plan, unless the participant elects an alternate salary deferral percentage or elects not to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, and the Internal Revenue Code ("IRC").
- B. Contributions** – Participants may contribute between 1% and 100% of their annual earnings, as defined in the Plan, on a pre-tax or after-tax basis in whole percentage increments. Roth elective deferrals are treated in the same manner as pre-tax elective deferrals for all Plan purposes. Contributions may be made to the Plan up to the maximum allowed by the IRC Section 401(k) limits. Participants may change their contribution amount monthly.

The Company may make discretionary matching contributions to the Plan. For 2024, the Company elected to match participant deferrals equal to 25% of participant contributions up to the first 15% of the participant's eligible compensation. At its discretion, the Company may also make additional matching contributions, qualified non-elective contributions, and discretionary contributions to the Plan in amounts determined by the Company each plan year. Additional matching contributions are available to all active participants at any time during the year. Qualified non-elective contributions are available only for non-highly compensated employees. Both qualified non-elective contributions and discretionary contributions may be made only for participants who have completed 1,000 hours of service during the latest accrual service period ending on or before the last day of the plan year and who were employed on the last day of the plan year. No additional matching contributions, qualified non-elective contributions, or discretionary contributions were made for 2024.

Rollover contributions are accepted by the Plan from another qualified plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

- C. Participant accounts** – Each participant's account is credited with the participant's contributions, Company matching contributions, other discretionary Company contributions, and allocation of Plan earnings, and is charged with an allocation of investment management expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting** – Participants are immediately vested in their voluntary contributions and any qualified non-elective contributions plus actual earnings thereon. Participants are 33% vested in all other Company contributions after the first year of plan participation and vest an additional 33% each year until fully vested after three years of service. Participant accounts become 100% vested if the employee reaches normal retirement age (65), becomes disabled, or dies.

COMMUNITY MANAGEMENT HOLDINGS 401(k) SALARY REDUCTION PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(1) Description of the Plan (continued)

- E. Notes receivable from participants** – Participants may borrow against their vested account balances a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. A maximum of two loans may be outstanding at a time. Loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. The loans must be repaid in no less than quarterly installments over a period of five years unless the loan was used to purchase a personal residence upon which the five-year period may be extended at the discretion of the Plan administrator. Loans are considered a directed investment from the participant's account under the Plan. Notes receivable bear interest at the Prime rate plus 1%.
- F. Payment of benefits** – In general, distributions from the Plan will be made in one lump sum payment in cash. If the value of a participant's vested benefit is more than \$5,000 on termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum payment amount equal to the value of his or her account, elect to roll his or her investment into another qualified plan or account, or elect to receive annual installments over a certain period, and in no event exceeding the life expectancy of the participant as determined at the time of distribution. The Plan provides for the payment of benefits in amounts up to the entire vested balance in a participant's account upon one of the following:
- a. Termination of employment
 - b. Death or disability of participant
 - c. Attainment of age 59½
 - d. Demonstrated hardship
 - e. Early retirement upon attainment of age 55 and with five years of vested service
- G. Termination of the Plan** – Although the Company has not expressed an intention to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.
- H. Forfeitures** – Forfeited employer matching contributions are available to pay administrative expenses, reduce matching contributions, and restore previously forfeited amounts of eligible employees. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$82,337 and \$15,531, respectively. During 2024, no forfeitures were utilized to pay administrative expenses of the Plan or to reduce matching contribution.
- I. Administrative expenses** – Expenses related to investment management fees are paid by the Plan. Certain expenses related to maintenance of participant accounts and Plan administration are paid by the Company.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

The Financial Accounting Standards Board ("FASB") sets accounting principles generally accepted in the United States of America ("U.S. GAAP") to ensure consistent reporting. References to U.S. GAAP are to the *FASB Accounting Standards Codification* ("FASB ASC").

Basis of accounting – The financial statements of the Plan are prepared using the accrual method of accounting in accordance with U.S. GAAP. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

(2) Significant accounting policies (continued)

Management's use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The guaranteed interest account is stated at fair value as it is not fully benefit-responsive. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) in the fair value of investments consists of the unrealized appreciation or depreciation of investments held during the year and the realized gain or loss on investments sold during the year.

Risks and uncertainties – The Plan provides for various investment fund options, which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits – Benefits are recorded when paid.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus accrued interest.

Subsequent events – The Plan's management has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued.

(3) Fair value measurement

FASB ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or collaborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(3) Fair value measurement (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2024 and 2023.

Common and collective trusts: Valued based upon the current fair values of the underlying assets of the funds, or the equivalent of Net Asset Value ("NAV"). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. These investments have no unfunded commitments as of December 31, 2024 and 2023, and can be redeemed daily with no redemption notice period or other redemption restrictions.

Were the Plan to initiate a full redemption of these investment accounts, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed interest account: Valued at the amount Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates. Current interest rates are computed using applicable treasury rates plus 50 basis points.

The guaranteed interest account seeks to preserve capital with relatively stable returns consistent with its comparatively low risk profile and liquidity. The inputs used by the Plan in performing the valuations of the Plan's guaranteed interest account are considered Level 3 measurements. Plan management determines the fair value measurement valuation policies and procedures, including those for Level 3 recurring and nonrecurring measurements. Management assesses and approves these policies and procedures. At least annually, management: (1) determines if the current valuation techniques used in fair value measurements are still appropriate, and (2) evaluates and adjusts the unobservable inputs used in the fair value measurements based on current market conditions and third-party information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) Information certified by the Plan's custodians

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company and John Hancock Retirement Plan Services, LLC, the custodians of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value
- Interest and dividends
- Net appreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Party-in-interest transactions

Certain Plan investments were held in funds managed by John Hancock and Retirement Plan Services, LLC, the custodian of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Principal Life Insurance Company and John Hancock Retirement Plan Services, LLC by the Plan were for investment management and recordkeeping services and totaled \$104,060 for the year ended December 31, 2024, respectively.

(6) Tax status

The Plan has adopted a John Hancock Prototype Plan (the "Prototype Plan"). The Prototype Plan received an opinion letter from the IRS dated June 30, 2020, stating that the Prototype Plan was designed in accordance with applicable sections of the IRC. Management has not obtained an individual determination letter for the Plan. The Prototype Plan has been amended since receipt of the opinion letter. Management and the Plan administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust remains tax-exempt at December 31, 2024. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

(7) **Excess contributions refundable**

The Plan is required to return contributions received during the year in excess of the IRC limits. At December 31, 2023, amounts refundable by the Plan to participants for contributions made in excess of amounts allowed totaled \$23,597. The amounts have been reflected as excess contributions refundable in the accompanying statements of net assets available for benefits and as a reduction of participant contributions in the accompanying statement of changes in net assets available for benefits.

(8) **Reconciliation of financial statements to Form 5500**

The following is a reconciliation of net assets available for benefits as reported in the financial statements to the Form 5500 as of December 31 2023:

Net assets available for benefits as reported in the financial statements	\$ 18,736,161
Add: Excess contributions refundable	<u>23,597</u>
Net assets available for benefits as reported in the Form 5500	<u>\$ 18,759,758</u>

The following is a reconciliation of the net change in net assets available for benefits as reported in the financial statements for the year ended December 31, 2024 to the net income as reported in the Form 5500:

Net change in net assets available for benefits as reported in the financial statements	\$ 3,715,259
Excess contributions refundable, including depreciation in fair value of investments for the year ended December 31, 2023	<u>(23,597)</u>
Net income per the Form 5500	<u>\$ 3,691,662</u>
