Symbral Retirement Plan

Ms. Rhonda Seegobin

1738 Elton Road Suite 200

Silver Spring, Maryland 20903

We are pleased to confirm our understanding of the services we are to provide for Symbral Retirement Plan ("the Plan") for the year ended December 31, 2024 in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974. **We plan to complete the Audit engagement by December 20<sup>th</sup>, 2025 and issue a final Audit report.**

### **Audit Scope and Objectives**

You have requested that we perform an ERISA Section 103(a)(3)(C) audit and report on the financial statements of Symbral Retirement Plan employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of years and the related statements of changes in net assets available for benefits for the year then ended, and the disclosures (collectively, the "financial statements"). As part of our audit, we will report on the supplemental schedules required

by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules) for the year ended December 31, 2024, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements and ERISA-required supplemental schedules are required to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration (EBSA) of the DOL.

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information), the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

We will conduct our audit in accordance with GAAS. Those standards require that we are independent and that we fulfill our other ethical responsibilities relevant to the audit. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent

financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Plan and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risks of material misstatement as part of our audit planning:

According to GAAS, significant risks include management override of controls and GAAS presumes that revenue recognition is a significant risk. Accordingly, we have considered these as significant risks.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments except those certified to by the trustee, and certain other assets and liabilities by correspondence with financial institutions and other third parties. We will also request written representations from your attorneys as part of the engagement.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We will communicate with management and those charged with governance certain matters as required by GAAS, including reportable findings identified during the audit of the Plan's financial statements as a result of testing relevant plan provisions.

As part of our audit, we will perform certain procedures as required by GAAS directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including whether management has performed relevant IRC compliance tests and has corrected or intends to correct failures. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to, nor is it intended to, determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures in accordance with GAAS. Accordingly, our opinion will state whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Our ERISA Section 103(a)(3)(C) audit of the financial statements does not relieve you of your responsibilities.

## **Responsibilities of Management for the Financial Statements**

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America. You are also responsible for making drafts of financial statements, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties, parties in interest, and all related-party and party-in-interest relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence. You are also responsible for maintaining a current plan instrument, including all plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP. You are also responsible for providing to us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the

Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. You are responsible for the presentation of the BRISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements, including their form and content, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under BRISA. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for any nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

### **Other Services**

You have not engaged us to prepare the Plan's Form 5500 filing with the DOL. Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to dating our auditor's report. The purpose of this procedure is to identify material misstatements, if any, with the audited ERISA plan financial statements. These procedures are not sufficient, nor are they intended to ensure that the form is completely and accurately prepared.

### **Engagement Administration, Fees, and Other**

We understand that your personnel will prepare all schedules, analyses, and confirmations we request and will locate any invoices or other documents selected by us for testing.

The audit documentation for this engagement is the property of T&S CPA Services LLC and constitutes confidential information. However, we may be requested to make certain audit documentation available to the U.S. Department of Labor pursuant to authority given to it by law. If requested, access to such audit documentation will be provided under the supervision of T&S CPA Services LLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the U.S. Department of Labor. The U.S. Department of Labor may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Mr. Suraj Navaratne. is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

We estimate that our fees for the audit and other services will range from \$5,000 to \$7,000. You will also be billed for travel and other out-of-pocket costs such as report production, postage, confirmation service provider fees, etc. Additional expenses are estimated to be minimal. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter, and our fees will be

adjusted accordingly. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

You agree that in the event our firm or any of its employees or agents is called as a witness or requested to provide any information whether oral, written, or electronic in any judicial, quasi-judicial, or administrative hearing or trial regarding information or communications that you have provided to this firm, or any documents and workpapers prepared by T&S CPA Services LLC in accordance with the terms of this agreement, you agree to pay any and all reasonable expenses including fees and costs for our time at the rates specified in our engagement letter, as well as any legal or other fees that we incur as a result of such appearance or production of documents.

It is our policy to keep records related to this engagement for seven years. However, T&S CPA Services LLC will return original client records to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

By your signature below, you acknowledge and agree that upon the expiration of the seven-year period T&S CPA Services LLC shall be free to destroy our records relating to this engagement.

To ensure that T&S CPA Services LLC's independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement leader before entering into any substantive employment discussions with any of our personnel.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you concerning the scope of the additional services and the estimated fee. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

### **Reporting**

We will issue a written report upon completion of our audit of the Plan's financial statements and ERISA-required Plan Management of the Plan. Circumstances may arise in which our report may

differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to further modify our report, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our report will include other modifications, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the engagement, we may decline to issue a report or withdraw from this engagement.

We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Sincerely,

T&S CPA Services LLC
