Independent Auditors' Report

Retirement Plan Trustee Oversight Committee
Campagna-Turano Bakery, Inc. Incentive 401(k) Savings Plan and Trust
Berwyn, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Campagna-Turano Bakery, Inc. Incentive 401(k) Savings Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Transamerica Trust Company as of December 31, 2024 and for the period from July 1, 2024 to December 31, 2024, and Reliance Trust Company as of December 31, 2023 and for the period from January 1, 2024 to June 30, 2024 stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to

our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule (Schedule H, line 4i – Schedule of Assets Held for Investment) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

A. DESCRIPTION OF PLAN:

The following brief description of the Campagna-Turano Bakery, Inc. Incentive 401(k) Savings Plan and Trust (the Plan) is provided for general information purposes only. Interested parties should refer to the Summary Plan Description for more complete information.

1. *General.* The Plan is a defined contribution plan covering eligible employees of Campagna-Turano Bakery, Inc. and Affiliates (the Company). The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. (ERISA).
2. *Plan Administration.* The Plan is administered by the Campagna-Turano Bakery, Inc. Retirement Plan Trustee Oversight Committee (the Administrator). In 2023 and part of 2024, Transamerica Retirement Solutions, LLC and Reliance Trust Company (the Trustees) are responsible for the custody and management of the Plan's assets. In July 2024, Transamerica Trust Company replaced Reliance Trust Company as custodian.
3. *Eligibility.* To become a participant, an employee must have reached the age of eighteen (18) and have completed three months of service. On June 1, 2024, the service requirement was reduced to two months of service. Plan entry dates are quarterly.
4. *Auto Enrollment.* The Plan includes an auto-enrollment provision whereby newly eligible employees are automatically enrolled in the Plan unless they elect not to participate in the Plan. At the next plan entry date after an employee becomes eligible to participate in the 401(k) plan, the Company automatically withholds 3% of an employee's eligible compensation as 401(k) contributions and their contributions invested in a designated balanced fund until changed by the participant. Participants may also change their deferral rate and the Plan also allows for contributions to be made on an after-tax basis.
5. *Contributions.* The Employer Match policy is 50% of the first 6% of deferrals for eligible participants at the end of the year. The total amount may be no larger than the maximum amounts deductible under the Internal Revenue Code.

The Company will make a safe harbor non-elective contribution for each safe harbor participant in an amount equal to 3% of compensation (or such higher percentage of compensation as may be elected by the Company) for the plan year.

For 2024, participants may elect to make contributions to the Plan in amounts which do not exceed \$23,000 (additional catch-up contributions of \$7,500 are allowed if the participant is over 50 years old).

6. *Participant Accounts.*
 - a. That portion of each participant's account which is attributable to elective contributions, qualified safe harbor contributions, and qualified non-elective contributions shall be deemed fully vested at all times.

**CAMPAGNA-TURANO BAKERY, INC. INCENTIVE 401(K) SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

A. DESCRIPTION OF PLAN (CONTINUED):

6. *Participant Accounts (Continued)*

- b. That portion of each participant's account which is attributable to company contributions, other than elective contributions, qualified matching contributions, and qualified non-elective contributions, shall be deemed fully vested upon the first to occur of the below-listed events:

- (1) Upon total and permanent disability.
- (2) Upon reaching normal retirement age.
- (3) Upon death.

- c. Upon the termination of employment with the Company prior to the occurrence of the above-listed events, the vested percentage of the company matching contribution of such participant in such account shall be determined by the greater of the following schedule:

<u>Participant's Years of Service</u>	<u>Vested Percentage</u>
0 Year	0%
1 Year	33%
2 Years	66%
3 Years or More	100%

Employee contributions and safe harbor contributions are fully vested upon contribution. For a year to count towards vesting requirements an employee must complete at least 1,000 hours of service.

7. *Notes Receivable from Participants.* Participant notes receivable consist of original principal amounts and accrued interest thereon. A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to 260 weeks, unless the loan is used to buy a principal residence. The loans are secured by the borrower's vested interest in their assets of the Plan and bear interest at the prime rate (7.50% at December 31, 2024) plus 1%. Principal and interest are paid through payroll deductions. Each note is evidenced by a demand note bearing interest at market rates.
8. *Payments of Benefits.* Payments of benefits to terminated participants (or their beneficiaries) are made in accordance with terms described in the Plan.
9. *Forfeited Accounts.* Forfeited non-vested accounts totaled \$79,755 and \$47,176 for the Plan years 2024 and 2023, respectively. These amounts were used for employer's contributions.

See Independent Auditors' Report.

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

A. DESCRIPTION OF PLAN (CONTINUED):

10. *In-service Withdrawals.* Participants may be eligible for financial hardship withdrawals to pay medical expenses, the purchase of a residence, expenses of post-secondary higher education or other eligible expenses. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS). The amount withdrawn cannot exceed the amount of hardship. Roth contributions may not be withdrawn on account of financial hardship. Participants may withdraw any or all of their vested account if they are at least 59 ½ and have not terminated employment with the company.

B. SUMMARY OF ACCOUNTING POLICIES:

1. *Basis of Accounting.* The Plan's financial statements are prepared on the accrual basis of accounting, whereby employer contributions and investment income are recorded as additions to net assets in the year to which they pertain.
2. *Investments.* Investments are reported at fair value. Fair value is the price received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

3. *Notes Receivable from Participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Participant loans are recorded on the financial statements as Notes Receivable from Participants at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

4. *Payment of Benefits.* Distributions of benefits are recorded when paid.
5. *Administrative Expenses.* Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses.
6. *Use of Estimates.* The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See Independent Auditors' Report.

C. PLAN CONTRIBUTIONS:

Amounts due from employer consist of the Company contributions.

Employer's contributions are paid to the Plan each year no later than the due date of the Company's federal income tax returns, including extensions thereon. Participant contributions collected by the Company are remitted at the earliest date contributions can be reasonably segregated from the employer's general business assets, but no later than 15 business days following month in which contributions were withheld or received by employer.

D. FAIR VALUE MEASUREMENTS:

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none"> • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p style="text-align: center;">If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair market value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

D. FAIR VALUE MEASUREMENTS (CONTINUED):

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Pooled Separate Accounts (PSAs)*: Pooled separate accounts represent investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The underlying securities in pooled separate accounts, except for the stable value fund, are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan concluded the net asset value as adjusted (for mutual fund dividends, mutual fund splits, and administrative maintenance charges and other items) and reported by the insurance company denotes readily determinable fair value. These pooled separate accounts are classified in Level 1 in the fair value hierarchy.

Included in pooled separate is a stable value fund. The Plan has concluded that the net asset value of the underlying investments as adjusted and reported by the insurance company denotes readily determinable fair value. The stable value fund is classified in Level 2 in the fair value hierarchy.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024

E. TAX STATUS:

The Plan has received a favorable determination letter from the Internal Revenue Service and is qualified for exemption from federal income taxes under Section 401(a) of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

The Company adopted the provisions of Financial Accounting Standards Board Accounting Standards Codification (the FASB ASC) 740-10-25, Accounting for Uncertainty in Income Taxes. Under FASB ASC 740-10-25, an entity must recognize the tax benefit associated with tax position taken for tax return purposes when it is more likely than not that the position will be sustained. The implementation of FASB ASC 740-10-25 had no impact on the Company. Currently, the 2023, 2022, and 2021 tax years are open and subject to examination by the taxing authorities. The Company does not believe there are any material uncertain tax positions and, accordingly, it did not recognize any liability for unrecognized tax benefits.

F. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

G. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reporting in the statement of net assets available for benefits.

H. PARTY-IN-INTEREST TRANSACTIONS:

Reliance Trust Company (replaced in July 2024 by Transamerica Trust Company) and Transamerica Retirement Solutions, LLC are the Trustee and recordkeeper, as defined by the Plan, therefore these transactions qualify as exempt party-in-interest transactions. Total administration fees paid by the Plan totaled \$183,652 and \$176,145 for 2024 and 2023, respectively.

Participants covered under the Plan are considered to be parties-in-interest. Participant loans in the amount of \$2,161,224 and \$1,716,099 at December 31, 2024 and December 31, 2023, respectively, are considered to be party-in-interest investments.

I. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE:

The Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company and Transamerica Trust Company have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Plan assets are held and managed by Reliance Trust Company on behalf of Transamerica Retirement Solutions and Transamerica Trust Company, who invests contributions, interest, and dividend income and makes distributions to participants. Substantially, all the information included in the financial statements has been certified by Reliance Trust Company and Transamerica Trust Company. This information has not been audited by independent accountants.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.
