## Independent Auditors' Report

**The Board of Trustees of  
Valley Home Care, Inc. 401(k) Savings Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Valley Home Care, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Emphasis of Matter – Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**The Board of Trustees of  
Valley Home Care, Inc. 401(k) Savings Plan**

Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Board of Trustees of  
Valley Home Care, Inc. 401(k) Savings Plan**

Page 4

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Valley Home Care, Inc. 401(k) Savings Plan

Notes to Financial Statements  
December 31, 2024  
(modified cash basis)

### 1. Description of Plan

The following summary of certain provisions of Valley Home Care, Inc. 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan established under section 401(k) of the Internal Revenue Code (the "IRC") for the benefit of all eligible employees of Valley Home Care, Inc. (the "Employer" or "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

#### ***Eligibility***

All eligible employees (as defined in the Plan document) may participate in the Plan immediately upon employment with the Employer. Upon attainment of the age of 21 and completion of one year of service with the Company, participants become eligible for Employer contributions. Employees hired prior to January 1, 2007 are not eligible for Employer contributions.

#### ***Assets Held for Investment***

All Plan assets are held with Lincoln Financial Group Trust Company, Inc. ("Lincoln" or the "trustee"). Among other duties, Lincoln is responsible for the custody of the Plan's assets and for the payment of benefits to eligible participants. Plan contributions are invested in certain funds offered by Lincoln as designated by the Plan participants.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### ***Contributions***

Each year participants may contribute up to 75% of their eligible compensation to the Plan on a pre-tax basis, up to a maximum allowed by the IRC. In order to make a salary deferral, a minimum of 1% of the eligible compensation for a payroll period must be contributed. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan has an auto-enrollment feature that requires all newly eligible employees to contribute 4% of their eligible compensation to the Plan on a pre-tax basis, unless they affirmatively elect otherwise.

## Valley Home Care, Inc. 401(k) Savings Plan

Notes to Financial Statements  
December 31, 2024  
(modified cash basis)

### 1. Description of Plan (*continued*)

#### **Contributions (*continued*)**

The Employer may elect, at its discretion, to make matching or non-elective contributions to the Plan. Participants are eligible to receive Employer contributions if they have completed more than 1,000 hours and attained the age of 21. During 2024, the Employer matched 100% of each eligible participant's contributions (excluding rollovers) up to 2% of eligible compensation and made a discretionary contribution equal to 2% of each participant's eligible compensation.

Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and an insurance investment contract as investment options for participants.

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate as reported in the Wall Street Journal at the time of the loan. The interest rate is fixed for the duration of the loan. Principal and interest is paid ratably through biweekly payroll deductions. The maximum loan payment period is five years, unless the loan is for the purchase of a principal residence, in which case the term may be up to fifteen years.

#### **Payment of Benefits**

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in annual installments, or defer receiving payment until age the participant reaches the required minimum distribution age. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or have a payment made as a "direct rollover" to an Individual Retirement Account ("IRA") or to another employers' qualified plan.

In-service withdrawals are allowed upon attainment of age 65.

Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

## Valley Home Care, Inc. 401(k) Savings Plan

Notes to Financial Statements  
December 31, 2024  
(modified cash basis)

### 1. Description of Plan (*continued*)

#### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Employees vest in the Employer contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
0-2	0%
3 or more	100%

#### ***Forfeited Accounts***

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$64,768 and \$56,998. Balances in forfeited accounts are used to reduce administrative expenses first and leftover amounts are used to reduce future Employer contributions. In 2024, Employer contributions were reduced by \$10,254 from forfeited nonvested accounts.

#### ***Plan Expense Account***

The Plan and Lincoln Retirement Services Company, LLC entered into a Recordkeeping Service Agreement whereby quarterly credits will be made to the Plan Expense Account equal to 0.0450% annually of the Plan's total assets, which will be used to pay Plan expenses. In order for the Plan to receive credits as a result of this arrangement, and to use these credits to reduce Plan administrative expenses, the Plan created a Plan Expense Account, which is invested in the Lincoln Stable Value Fund within the Plan. The Plan Expense Account balance was \$10,033 and \$12,254 as of December 31, 2024 and 2023. During 2024, \$2,463 of funds from the expense account were used to reduce Plan expenses.

### 2. Summary of Accounting Policies

#### ***Basis of Accounting and Use of Estimates***

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP.

The preparation of financial statements requires management to make estimates that affect the reported amounts of assets and liabilities and the changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

## Valley Home Care, Inc. 401(k) Savings Plan

Notes to Financial Statements  
December 31, 2024  
(modified cash basis)

### 2. Summary of Accounting Policies *(continued)*

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance. If a participant ceases to make loan repayments and the plan administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment is recorded, when a distributable event occurs.

#### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

#### ***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value based on quoted market prices, except for its fixed income annuity accounts, which are stated at contract value. Contract value represents contributions made under the contract, plus interest credited, less benefits paid and expenses. The mutual funds are valued at the daily closing price as reported by the fund. These funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at the price and are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 15, 2025.

### 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Lincoln Financial Group Trust Company, Inc., a qualified institution.

### 4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	<u>2024</u>	<u>2023</u>
Mutual funds - level 1	<u>\$ 37,492,698</u>	<u>\$ 30,978,042</u>

The Lincoln Stable Value Fund is recorded at contract value on the statements of net assets available for benefits, which amounted to \$2,515,733 and \$3,418,407 at December 31, 2024 and 2023. The Plan offers investments in YourPath target date and risk portfolios. These portfolios primarily consist of iShares index mutual funds from BlackRock. Each portfolio also includes the Lincoln Stable Value Account as part of the portfolio allocation to reduce market volatility. The Lincoln Stable Value portion is carried at contract value and across all portfolios the total is \$3,334,617 and \$2,777,391 at December 31, 2024 and 2023.

### 5. Fixed Annuity Contract with Insurance Company

The Plan invests in a fully benefit-responsive fixed annuity contract with The Lincoln National Life Insurance Company ("LNLIC"). LNLIC maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. LNLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting. The fixed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

### 5. Fixed Annuity Contract with Insurance Company (*continued*)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by LNLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: Standard & Poor's (A+ as of July 2024), Moody's Investors (A2 as of September 2024), A.M. Best (A as of February 2025) and Fitch Ratings (A+ as of July 2024).

The Lincoln Stable Value Fund represents approximately 13% and 17% of the net assets available for benefits as of December 31, 2024 and 2023.

### 6. Party-in-Interest Transactions

The fixed income annuity is managed by LNLIC. LNLIC is related to the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustee for administrative expenses amounted to \$23,601 for the year ended December 31, 2024.

A Plan Expense Account is maintained by Lincoln Retirement Services Company, LLC which receives payments from Lincoln pursuant to a written agreement with the Company. Under the agreement, the Company can use the amounts in the account to pay for administrative expenses incurred by the Plan or for such purposes as determined by the Company. These transactions are considered allowable party-in-interest transactions. There were no payments received for the year ended December 31, 2024.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Employer, who may also be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

### 7. Expenses

Administrative expenses are predominantly paid directly by the Company, and excluded from these financial statements, and not by the Plan. For expenses paid by the Plan, monthly asset charges are deducted from the participant's accounts. Certain fees related to loan processing and transfer of funds are also paid by participants. Fees paid by the Plan for investment management services are included in net appreciation in value of investments.

### 8. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participant accounts under the Plan will become fully vested and nonforfeitable.

### 9. Income Tax Status

The Internal Revenue Service has determined and informed the plan document preparer by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by the taxing jurisdictions for periods since 2021; however, there are currently no examinations for any tax periods in progress.

### 10. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
