## INDEPENDENT AUDITOR'S REPORT

October 3, 2025

To the Board of Directors of  
LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) (Schedule I) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## INDEPENDENT AUDITOR'S REPORT

### Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# LIFEWORKS COMMUNITY ACTION, INC. PROFIT SHARING 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### 1. THE PLAN

The following description of the LifeWorks Community Action, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a profit sharing 401(k) plan established for all employees of LifeWorks Community Action, Inc. (the Company or Employer) that is designed to provide retirement benefits to eligible employees. The Plan is administered by management of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Eligibility**

Participants are eligible to make salary deferrals to the Plan when they are at least 21 years of age and have completed one full year of service.

#### **Contributions**

Participants may contribute a percentage of their annual compensation subject to certain IRS limitations. Contributions are remitted and are invested in accordance with the provisions of the Plan. Participants who have attained age 50 before the end of the Plan year are permitted to make catch-up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollovers).

Each plan year, the Company, in its sole discretion, determines the amount of the employer matching or profit-sharing contribution, if any. Such contributions are determined by each employee classification. A participant must be employed on the last working day of the Plan year and have at least one year of service to be eligible for an allocation of the employer discretionary contributions. Allocations of the Company's contribution are based on the ratio that each participant's compensation bears to the compensation of all eligible participants for the Plan year.

#### **Vesting**

Participants are immediately fully vested in their voluntary contributions and rollover contribution accounts, plus actual investment earnings and losses thereon. Employer contributions, if any, vests with the participant according to the following schedule:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2             | 0%                       |
| 2                       | 20%                      |
| 3                       | 40%                      |
| 4                       | 60%                      |
| 5                       | 80%                      |
| 6 or more               | 100%                     |

In addition, upon retirement, termination of employment due to disability, or death before retirement, the participant will be fully vested, regardless of the years of service.

## 1. THE PLAN (Continued)

### **Forfeitures**

Forfeitures of any nonvested portions of accumulated balances for terminated employees are allocated to the remaining participants in the same manner as employer contributions. No forfeitures were allocated to eligible participants for both years ending December 31, 2024 and 2023. At December 31, 2024 and 2023, the forfeited nonvested accounts totaled \$27,529 and \$4,919, respectively.

### **Participant Accounts**

Contributions made by the participants and the employer are reported to the Plan's record keeper and are allocated to the respective participant's account. Each participant's account is credited with the participant's contributions, the employer's contribution, the periodic allocation of investment earnings, and plan expenses. Investment earning allocations are based on participant account balances. Participants select the investments in which their contributions will be allocated by the Plan's record keeper.

### **Investment Options**

During the years ended December 31, 2024 and 2023, the Plan offered a money market fund and several mutual funds. If participants do not direct the investment of their applicable Plan accounts, then their accounts will be invested in accordance with the default investment alternatives established under the Plan.

### **Payment of Benefits**

Upon termination, retirement, death, or permanent disability, a participant is entitled to receive an amount equal to the value of the participant's vested interest in their account or they can elect to leave their account balance in the Plan. A participant with a vested account balance equal to or less than \$1,000 may be required to receive a lump-sum distribution of his or her vested account funds in the Plan. Benefits are recorded when paid.

### **Hardship Withdrawals**

Prior to age 59 ½, a participant may withdraw only his or her participant contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

### **Notes Receivable from Participants**

Participants may borrow against contributions that are part of their vested account balance equal to or lesser than \$1,000. Participants are restricted to one loan outstanding at any time. In no event may a participant's total outstanding loan balance exceed the lesser of one-half of the participant's account balance or \$50,000 (reduced by the highest outstanding loan balance in the previous 12 months). During the repayment period of a loan, the Plan's record keeper reallocates the repayment amounts among the investment funds in the same proportion as current investment allocations.

Interest is charged on loans at annual rate equivalent to the prime rate, as published on the last business day of the month preceding the month in which the loan application is submitted and approved, plus 1%. The rate charged may not exceed the maximum rate allowed by state law.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

### **Use of Estimates**

U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein during the reporting period and disclosure of contingencies at the date of the financial statements. Accordingly, actual results could differ from those estimates.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of assets available for benefits.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to see an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and qualified institutions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Fair Value Measurements**

The Plan has financial instruments which are recorded at fair value in the accompanying statements of assets available for benefits. The Plan makes estimates regarding the valuation of assets measured at fair value in the financial statements. These assets include the investments in mutual funds and money market fund.

### Fair Value Measurement - Definition and Hierarchy

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan uses various valuation techniques in determining fair value. U.S. GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Fair Value Measurements (Continued)

#### Fair Value Measurement - Definition and Hierarchy (Continued)

- Level 1 – Valuation based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

The Plan's investments in mutual funds and money market fund are valued utilizing Level 1 inputs.

- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

The Plan has no investments valued utilizing Level 2 inputs.

- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan has no investments valued utilizing Level 3 inputs.

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. A description of where the Plan's investments fall within the hierarchy is provided in Note 4.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 3. CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Saratoga National Bank and Trust Company, the Plan custodian, has certified that the following data included in the financial statements and accompanying supplemental schedule is complete and accurate as of December 31, 2024 and 2023, and for the years then ended:

The following is a description of the valuation methodology used for assets measured at fair value:

*Mutual funds and money market funds* – Valued at the closing price reported on national exchanges and are available for withdrawal with one day notice.

There were no changes in valuation techniques during 2024 or 2023.

#### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account.

#### 6. TAX STATUS

The Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. A prototype document was used by the Plan to obtain its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax-exempt status for Plan participants. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

## **7. PARTY-IN-INTEREST TRANSACTIONS**

Plan investments are managed by Glens Falls National Bank and Trust Company, the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have loans and the Plan qualify as party-in-interest transactions.

## **8. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 3, 2025, which is the date the financial statements were available to be issued.
