Independent Auditor's Report

To the Participants and Plan Administrator of
American Board of Family Medicine, Inc. Savings & Profit Sharing Plan
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of American Board of Family Medicine, Inc. Savings & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter-Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN BOARD OF FAMILY MEDICINE, INC. SAVINGS & PROFIT SHARING PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the American Board of Family Medicine, Inc. Savings & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and became effective January 1, 1985 and was restated effective May 1, 2021. The Plan covers all eligible employees of American Board of Family Medicine, Inc. (the Plan Sponsor and Administrator).

Eligibility

Employees are eligible to participate in the Plan once they have reached the age of 18. Eligible participants can enter the Plan immediately upon becoming eligible. At that time, participants can begin deferring compensation into the Plan, and become eligible for both the employer matching and profit sharing contributions. Additionally, participants must work 1,000 hours and be employed on the last day of the Plan year to be eligible for the employer profit share contributions.

Contributions

Participants may contribute up to the maximum allowable annual contribution as defined by the Plan. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan Sponsor may, at its discretion, make a matching contribution each Plan year on behalf of eligible participants equal to a discretionary percentage of the participant's elective deferrals. The Plan Sponsor may also elect to contribute a discretionary profit sharing contribution, to be determined by the Plan Sponsor, not limited to current or accumulated net profits. During the year ended December, 31, 2024, the Plan Sponsor did not make a contribution to the Plan. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participants are automatically enrolled in an elective deferral contribution of 5% of compensation, unless the participant affirmatively elects a different percentage or elects not to make an elective deferral contribution.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's contributions and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan adoption agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

AMERICAN BOARD OF FAMILY MEDICINE, INC. SAVINGS & PROFIT SHARING PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants are vested immediately in their contributions and rollover contributions plus actual earnings thereon. Participants are vested in the Plan Sponsor's matching and profit sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 2	0%
2 to 3	50%
3 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

Participant Loans

Participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime rate on the first business day of the month when the funds are borrowed. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$5,000 (excluding amounts attributable to rollover contributions) may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in his or her account, or a single sum payment of a portion of the participant's vested interest in his or her account. On termination of service, a participant whose vested account balance is not greater than \$5,000 (excluding amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment.

Forfeited Accounts

All forfeitures are applied to Plan Sponsor matching and profit sharing contributions. There were no forfeited nonvested accounts as of December 31, 2024 and 2023, nor did any forfeitures occur during 2024.

AMERICAN BOARD OF FAMILY MEDICINE, INC. SAVINGS & PROFIT SHARING PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan adoption agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

As of December 31, 2024, there was outstanding payments of approximately \$118,000 to persons electing to withdraw from the Plan prior to December 31, 2024.

2. Summary of Significant Accounting Policies, continued

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of distributions and notes receivables from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 15, 2025, the date that the financial statements were available to be issued.

3. Information Certified or Provided by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by the Ascensus, LLC (Ascensus), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor's not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the ERISA-required supplemental schedule.

The following table presents the fair value of assets in the Plan that were certified by Ascensus.

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 16,881,551	\$ 15,845,994
Money market funds	<u>1,383,362</u>	<u>608,627</u>
Total investments	<u>\$ 18,264,913</u>	<u>\$ 16,454,621</u>
Notes receivable from participants	\$ 164,527	\$ 167,859

Ascensus also certified to the completeness and accuracy of \$2,162,911 of net realized and unrealized appreciation in the fair value of investments, \$302,281 of interest and dividends related to the investments, and \$14,852 of interest on notes receivable from participants for the year ended December 31, 2024.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at cost which approximates fair value.

There have been no changes in the valuation methodologies used at December 31, 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
<u>2024</u>				
Investments measured at fair value:				
Mutual funds	\$ 16,881,551	\$ -	\$ -	\$ 16,881,551
Money market funds	1,383,362	-	-	1,383,362
Total investments in fair value hierarchy	\$ 18,264,913	\$ -	\$ -	\$ 18,264,913
<u>2023</u>				
Investments measured at fair value:				
Mutual funds	\$ 15,845,994	\$ -	\$ -	\$ 15,845,994
Money market funds	608,627	-	-	608,627
Total investments in fair value hierarchy	\$ 16,454,621	\$ -	\$ -	\$ 16,454,621

4. Fair Value Measurements, continued

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

5. Related Party and Party-in-Interest Transactions

Ascensus is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of \$53,503 for the year ended December 31, 2024 are comprised of fees paid by the Plan to independent parties-in-interest for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Ascensus based on investment account values. These fees range from 0.04% to 1.28% of the investment account value. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a prototype Plan document sponsored by Ascensus. Ascensus received an opinion letter from the IRS, dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
