## **Independent Auditor's Report**

To the Participants and Plan Sponsor of the Elite Fast Trans Inc 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Elite Fast Trans Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Elite Fast Trans Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate. Opinion In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by3 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elite Fast Trans Inc 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elite Fast Trans Inc 401(k) Plan's ability to continue as a going concern for a year after the date of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether

the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Elite Fast Trans Inc 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elite Fast Trans Inc 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedules of Portfolio Appraisal – Orig[inal] Cost Basis, and IRS Form 5500 including Schedule H, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by4 and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to the Elite Fast Trans Inc 401(k) Plan financial statements

### 1. DESCRIPTION OF PLAN

**General** - The following brief description of the Elite Fast Trans, Inc 401(k) Plan (the "Plan") is provided for general information purposes only. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the Plan document for more complete information.

The Plan was adopted effective January 1, 2023. The purpose of the Plan is to provide eligible employees with an opportunity to accumulate savings on a tax-advantage basis. The Plan was amended on October 25, 2023.

**Plan Administration** - The Plan's assets are held by Human Interest ( the "Custodian"). Participant contributions and Elite Fast Trans Inc (the "Company") matching contributions are remitted to the Custodian. The assets are held in a master trust fund, and the "Trustee" invests cash received, interest, and dividend income, and makes distributions to participants. The Plan is administered by the Company.

The master trust fund is maintained by Matrix Trust Company, who is a registered financial institution that is regulated, supervised, and subject to periodic examination by federal agencies. Matrix Trust Company has certified that the activity and balances provided to the Company is complete and accurate, pursuant to 29 CFR 2502.103-5(c).

**Eligibility** - All employees of the Company who have attained age 18 are also participants, after 3 months of service requirement.

**Contributions** - Eligible employees are able to make contributions to the Plan via wage deferral agreements. The annual maximum contribution per participant is limited to \$23,000 for 2024. After 2024, the dollar limit may increase for cost-of-living adjustments. In addition, participants age 50 and over are allowed to make catch-up contributions in the amount of \$7,500. Participants may also contribute distributions from other qualified plans ("rollovers"). Participants have the option to allocate their account balances between various investment options as made available by the Plan.

**Vesting** - Participants are 100% vested in their contributions and actual earnings thereon. Vesting for employer made contributions are based upon years of service. Participants become fully vested in the employer contributions as follows:

<b>Years of Service</b>	<b><u>Vested Percentage</u></b>
Less than 2	0%
2 or more	100%

**Forfeited Accounts** -At December 31, 2024, forfeited nonvested accounts totaled \$0. These accounts will be used to reduce future Company contributions.

**Payment of Benefits** - If termination of service due to death, disability or retirement, a participant may elect to be paid in the form of a single lump sum. In-service and hardship withdrawals are also available.

**Administrative Expenses** - Investment management fees and other transaction-based fees are paid by the Plan. Administrative fees for accounts of separated employees and beneficiaries are paid by the former employees or beneficiaries. All other expenses are paid by the Company.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** -The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**Use of Estimates** -The preparation of financial statements in conformity with U.S. GAAP requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates and are subject to change in the near term.

**Investment Valuation and Income Recognition** - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought, sold and held during the year.

**Fair Value Measurement** - The fair value measurements hierarchy prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority ("Level 1") to unadjusted quoted prices in active markets for identical assets and liabilities and the lowest priority ("Level 3") to unobservable inputs. Fair value measurements primarily based on observable market information are given a "Level 2" priority.

**Payment of Benefits** - Benefits paid to participants are based on vested participant account balances as of the date of distribution and are recorded on the date of distribution. At December 31, 2024, there were no benefit payments requested that were awaiting payment.

**Risks and Uncertainties** - The Plan utilizes various investment securities including mutual funds and money market funds. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of

risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**Subsequent Events** – The Trustees determined as of October 14, 2025 there were no subsequent events requiring disclosure.

### **3. FAIR VALUE MEASUREMENTS**

Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. These are considered Level 1 investments. In addition to the cash of \$3,070 at December 31, 2024, and the loan balance of \$1,346, they are the interest the Plan has in the master trust.

	<b>Level 1</b>
Mutual Funds	\$ 228,713
Money Market	<u>3</u>
Total	\$ 228,716

### **4. FEDERAL INCOME TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust were designed in accordance with the applicable regulations of the IRC therefore the Plan and related trust are considered to be tax exempt Therefore, no provision for income taxes has been included in the Plan's financial statements. The plan is subject to routine audits by taxing jurisdictions and there are currently no audits in progress.

### **5. RELATED-PARTY TRANSACTIONS**

All money contributed by the Plan is held by the trust fund. The Trustee is responsible for the safekeeping of the trust fund and must hold and invest Plan assets (unless the investment of assets is subject to Participant or other direction) in a prudent manner and in the best interest of you and your beneficiaries. The Trustee is the Owner of the Company. The Company is responsible for the day-to-day administration and operation of the Plan. Therefore, these transactions qualify as parties in interest transactions.

During the year contributions totaling \$6,095 were made towards the Trustee's Plan account, and the Trustee's account balance in the Plan was \$11,928 as of December 31, 2024.

### **6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The reconciliation of net assets available for benefits and changes in net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 is as follows:

	<b>2024</b>
Statement of net assets available for benefits:	
Net assets available for benefits per the financial statements	\$ 233,132
Net assets available for benefits per Form 5500	
Statement of changes in net assets available for benefits: Increase in net assets per the financial statements	233,132
Net Income per Form 5500	123,121
