## INDEPENDENT AUDITOR'S REPORT

October 15, 2025

To the Plan Administrator of the  
Nixon Peabody LLP Retirement Savings Plan II:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Nixon Peabody LLP Retirement Savings Plan II (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) modified cash basis as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Other Matter - Supplemental Schedule Required by ERISA (Continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# NIXON PEABODY LLP RETIREMENT SAVINGS PLAN II

## NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2024 AND 2023

---

### 1. DESCRIPTION OF PLAN

The following description of the Nixon Peabody LLP Retirement Savings Plan II (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is an age-weighted profit sharing plan covering all non-attorney employees, Class 1 counsel, and partners of Nixon Peabody LLP (the Firm) who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Administration

The Plan is sponsored by the Firm and is administered by the Pension Committee. Fidelity Management Trust Company (Fidelity) is the custodian and trustee of the Plan's assets. Fidelity Workplace Services, LLC (FWS) is the recordkeeper of the Plan's assets.

#### Eligibility

All non-attorney employees and Class 1 counsel, who meet certain eligibility requirements are eligible to participate with respect to participant contributions on the first day of the month coincident with or following the first day of active employment. Partners of the Firm who meet certain eligibility requirements are eligible to participate solely with respect to employer profit sharing contributions. With respect to Firm contributions, participation is allowed on January 1 or July 1 following the completion of one year of service.

#### Participant Contributions

Active participants may make voluntary pre-tax or after-tax contributions in the form of salary reductions up to 75% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). In addition, any employee who has attained age 50 by the Plan year-end is eligible to make catch up contributions, subject to certain limitations of the IRC. Participants may direct the investment of their contributions and all Firm contributions and related earnings thereon into various investment options offered by the Plan, including self-directed brokerage accounts. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

#### Employer Profit Sharing Contributions

The Plan provides for a profit sharing contribution on behalf of the Firm to the accounts of active participants in an amount which corresponds to the participant's age and compensation level as follows:

<u>Age as of January 1</u>	<u>Percent of Compensation Up to Social Security Wage Base</u>	<u>Percent of Compensation Over the Social Security Wage Base</u>
Under 45	5.0%	10.0%
45 - 49	6.0%	11.7%
50 - 54	8.0%	13.7%
55 and over	10.0%	15.7%

## 1. DESCRIPTION OF PLAN (Continued)

### **Employer Matching Contributions**

The Plan provides for an employer matching contribution to the accounts of eligible active participants. The amount of the employer matching contribution is equal to the lesser of 2% of compensation or 50% of the aggregate amount contributed by each participant during a Plan year.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Firm's contribution, and an allocation of the participant's share of the Plan's income/loss and administrative expenses. Allocations are based on participant earnings/losses, or account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Administrative Expenses**

Certain administrative expenses associated with the Plan are paid by Plan participants by deduction from their accounts by a combination of allocation of expense based on percentage of assets and per participant charges. Fidelity provides for a revenue credit program whereby fees paid to Fidelity in excess of agreed upon totals may be added to eligible participant accounts. Such credits are reported as offsets to deductions for administrative expenses. Administrative expenses are shown net of revenue sharing credits on the statements of changes in net assets available for benefits (modified cash basis). Administrative expenses not paid by the Plan are paid by the Firm.

### **Vesting**

Participants have a 100% vested interest in their entire account balance at all times.

### **Payment of Benefits**

Upon termination of employment, death, disability, or retirement, a participant or his/her beneficiary may elect to receive either a lump sum amount equal to the value of the participant's total account balance or periodic payments.

### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from participant accounts. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

### **Notes Receivable from Participants**

Participants are allowed to borrow up to the lesser of 50% of their vested account balance, or \$50,000 reduced by the excess of: (1) the participant's highest outstanding loan balance during the preceding one year period or (2) the participant's loan balance outstanding on the date of the loan. The loans bear interest at a rate determined by the Pension Committee, as defined by the Plan document. The period of repayment for loans may not exceed five years, unless the loan is used for the purchase of a principal residence, in which case the loan repayment term may be up to ten years.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

Accounting principles generally accepted in the United States of America require accrual basis accounting for contributions, interest, dividends, and expenses (except for benefits paid to participants). The Plan records such items on a modified cash basis of accounting, however, the modified cash basis of accounting is an acceptable financial statement presentation method under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under the modified cash basis of accounting, contributions, investment interest and dividends are recognized when received. Benefit payments and other expenses, such as trustee's fees, are recorded when paid.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Purchases and proceeds from sales are recorded on a trade-date basis. Dividends and interest income are recorded when received.

Common collective trust investments are reported at fair value using net asset value (NAV) as a practical expedient. The common collective trust is invested in short-term bonds and other fixed income securities. The NAV of the fund is principally derived from the contractual terms of the underlying contracts. The fund purchases third-party wrap contracts designed to maintain a constant NAV and to provide for the payment of participant-directed withdrawals and exchanges at book value under most circumstances. The NAV of the fund is then calculated daily and posted by Fidelity.

Self-directed brokerage accounts are primarily invested in cash, money market funds, certificates of deposits, mutual funds, common stock, U.S. government and agency obligations, and corporate bonds. Cash and certificates of deposits are stated at fair value which approximates cost. Mutual funds, money market funds, common stocks, and U.S. government and agency obligations are stated at fair value, based on quoted market prices. Corporate bonds are valued at fair value, determined by matrix pricing using known, observable inputs for similar assets, including interest rates and maturity dates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Fair Value Measurement**

Accounting Standards Codification (ASC) 820 framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 Inputs - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

The Plan's investments in certificates of deposit, money market funds, mutual funds, common stocks, and U.S. government and agency obligations, are primarily valued utilizing Level 1 inputs. Investments in cash and certificates of deposit are valued at fair value which approximates cost.

- Level 2 Inputs - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

The Plan's investments in corporate bonds are primarily valued utilizing Level 2 inputs.

- Level 3 Inputs - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan has no investments valued utilizing Level 3 inputs.

Management determines the fair value measurement valuation policies and procedures. At least annually, management: (1) determines if the current valuation techniques used in fair value measurements are still appropriate, and (2) evaluates and adjusts the unobservable inputs used in the fair value measurements based on current market conditions and third-party information.

There were no changes in the valuation methodology used during 2024 and 2023.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

### **Benefit Payments**

Benefits are recorded when paid.

### **Estimates**

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

## 3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by Fidelity, the trustee and custodian, and is included in the financial statements and accompanying schedule as of and for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Investments	<u>\$ 202,186,817</u>	<u>\$ 183,225,201</u>
Notes receivable from participants	<u>\$ 1,853,029</u>	<u>\$ 1,884,882</u>
Interest income on notes receivable from participants	<u>\$ 142,654</u>	<u>\$ 121,784</u>
Investment income	<u>\$ 25,668,519</u>	<u>\$ 28,325,885</u>
Schedule of Assets (Held at End of Year)	Schedule I	

## 4. FAIR VALUE MEASUREMENT

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$190,192,447	\$ -	\$ -	\$190,192,447

Common collective, trust fund, measured using net asset value as practical expedient				<u>7,026,911</u>
Total investments				<u>\$202,186,817</u>

#### 4. FAIR VALUE MEASUREMENT (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$167,358,432	\$ -	\$ -	\$167,358,432
Common stocks	1,844,247	-	-	1,844,247
Cash/Money market	1,643,697	-	-	1,643,697

Certificates of deposit	<u>378,042</u>	<u>-</u>	<u>-</u>	<u>378,042</u>
Total investments at fair value	<u>\$171,603,020</u>	<u>\$ 3,917,171</u>	<u>\$ -</u>	175,520,191
Common collective, trust fund, measured using net asset value as practical expedient				<u>7,705,010</u>
Total investments				<u>\$183,225,201</u>

The investment strategy of the common collective trust fund is to preserve principal while earning interest with the goal of maintaining a stable net asset value of \$1 per share. Transactions out of the common collective trust fund can be made any business day. The fund does not have any unfunded commitments.

#### 5. PARTY-IN-INTEREST TRANSACTIONS

Fidelity is the trustee and custodian of the Plan's assets. FWS is the recordkeeper of the Plan's assets. As such, transactions between Fidelity, FWS, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

#### 6. TRANSFERS OF PLAN ASSETS

Participant accounts totaling \$40,843 and \$475,028 were transferred from the Plan to the Nixon Peabody LLP Retirement Savings Plan I and Nixon Peabody LLP Retirement Savings Plan for Associate Attorneys in 2024 and 2023, respectively. There were no amounts transferred into the plan in 2024 and 2023.

#### 7. TAX STATUS

The Plan is exempt from Federal income taxes under the provisions of Section 501(a) of the IRC. The plan administrator received a favorable determination letter from the Internal Revenue Service dated August 27, 2013. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**8. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Firm has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will remain fully vested.

**9. RECONCILIATION TO FORM 5500**

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2024 and 2023.

**10. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 15, 2025, which is the date the financial statements were available to be issued.
