FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR’S REPORT

Board of Trustees
Hanford Employee Welfare Benefit Plan

Members of the Board:

Opinion

We have audited the accompanying financial statements of Hanford Employee Welfare Benefit Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

HANFORD EMPLOYEE WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

A. Formation of Plan

The Hanford Employee Welfare Benefit Plan (the Plan), filed as Hanford Employee Welfare Trust, provides benefits to the eligible employees of Hanford Site Contractors. The Plan was established on January 1, 2000, and is administered by the Board of Trustees (Trustees). Prior to January 1, 2000, the benefits offered through this Plan were administered by Fluor Hanford. All sponsoring employers are prime contractors or subcontractors for the Department of Energy (DOE) at the Hanford Site in Richland, Washington.

B. General

The following description is provided for general information purposes only. Participants should refer to the Plan documents for complete information regarding all of the Plan's definitions, benefits, eligibility, and other matters. The Plan is a health and welfare plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In January 2021, the Plan's daily operational and plan administrative activities were transitioned from Mission Support Alliance LLC (MSA) to Hanford Mission Integration Solutions LLC (HMIS).

C. Benefits

The Plan currently provides comprehensive health benefits, life insurance coverage, long-term and short-term disability benefits, dependent care flexible spending accounts, and medical flexible spending accounts for employees.

Health, disability, and life insurance benefits are provided as either fully insured or claims based. Fully insured programs are administered by Kaiser Permanente Options Health Care, CIGNA, and Willamette Dental, Inc. Claims based benefits are administered by UnitedHealthcare, CIGNA, Express Scripts, Inc., and Delta Dental of Washington. Annual open enrollments offer participants the opportunity to change their coverage elections.

The Plan provides COBRA and/or Displaced Worker Medical Benefits (DWMB), which are administered by Health Equity/WageWorks, to participants.

D. Eligibility

Both full and part time (in excess of 20 hours a week) regular employees are eligible for benefits. Employees terminated due to a reduction in force are also eligible for some Plan benefits for a limited period of time under the DWMB provisions.

E. Plan Sponsors

The Plan Sponsors include Northwind Solutions, LLC; Central Plateau Cleanup Co.; CH2M Hill Plateau Remediation Company Closeout office; Mission Support Alliance, LLC Closeout office; Washington River Protection Solutions, LLC; Hanford Mission Integration Solutions, LLC; Advanced Technologies & Laboratories; and Navarro Research & Engineering.

A sponsor may withdraw from participation in the Plan by giving 30 days written notice of intent to the Trustees.

HANFORD EMPLOYEE WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Payment of Benefits

Certain health and life benefit options provided to participants are self-funded by the Plan and are the responsibility of the Plan sponsors. As such, the Plan makes payment on these claims and these claims are reflected as health care claims benefit expense on the statements of changes in net assets available for benefits.

Alternatively, certain health options provided to participants are administered by outside insurance companies. The premiums paid for these options are paid by the Plan and are reflected as premium payments on the statements of changes in net assets available for benefits. Payment of the premiums transfers the risk of benefit payment to the insurance company.

G. Contributions

Employees contribute amounts as determined by the Plan. Plan sponsor contributions are calculated by applying an annual rate to their base payroll. The rate is determined annually as necessary to adequately fund the Plan.

H. Other

The Trustees have the right under the Plan to modify the benefits provided to active employees, and participants receiving COBRA and/or DWMB. The Trustees have the right to amend and/or modify the Plan with a majority vote, subject to ERISA provisions.

I. Expenses

Some administrative and professional fees relating to the direct management of the Plan's assets and benefit payments are funded by the Plan on behalf of the sponsoring companies.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of the Plan's financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Significant estimates include management's determination of the allocation of sponsor contributions, participant contributions and rebates receivable and administrative expenses between the Plan and the Hanford Retiree Welfare Benefit Plan (Retiree Plan). Allocations are based on overall costs incurred or specific costs such as claims or pharmacy benefits paid.

C. Risks and Uncertainties

The actuarial present value of postemployment benefit obligations is based on certain assumptions pertaining to interest rates and medical cost trend rates, which are subject to change.

HANFORD EMPLOYEE WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Risks and Uncertainties (Continued)

Due to the changing nature of these assumptions and the uncertainties inherent in the assumption process, it is at least reasonably possible changes in these assumptions in the near term could have a material effect on the financial statements.

D. Cash

Pursuant to the contractor's agreement with the DOE, the Plan does not maintain investments in interest-bearing accounts. Therefore, Plan assets are maintained in a noninterest-bearing cash account. Sufficient cash proceeds are maintained within the accounts to fund the daily cash requirements of both the Plan and the Retiree Plan. The Plan maintains its cash in bank accounts in amounts that, at times, may exceed the federally insured limit of \$250,000 per bank. The Plan has not experienced any losses in such accounts.

The Plan funds certain claim payments via wire transfer to accounts used by benefit providers for such payments on a check-cleared basis. At December 31, 2024 and 2023, the Plan had not completed such wire transfers to cover outstanding payments, resulting in drafts payable in these accounts. These amounts have been reflected as other liabilities on the statements of net assets available for benefits.

E. Contributions Receivable

Contributions receivable represents the amount owed by Plan sponsors to fund health care costs incurred through the end of the calendar year.

F. Accounts Payable

Accounts payable represents amounts owed by the Plan for medical, dental, and prescription benefits unpaid as of the end of the Plan year.

G. Other Liabilities

Other liabilities represents amounts owed to Plan participants for health care and dependent care flexible account claims at the end of the calendar year. Also included are amounts contributed by Plan sponsors in excess of benefit costs incurred for the year and credits due to Plan sponsors for rate stabilization reserves used, as applicable. These amounts are credited to Plan sponsors and/or used to offset future Plan sponsor contribution requirements. Participant prepaid medical premiums used to offset future participant premium contribution requirements are also included in other liabilities.

H. Benefit Obligations

Benefits obligations have been disclosed for medical claims and disability benefits. The obligation for medical claims is calculated by the insurer based on the estimated value of claims incurred but not reported. A postemployment benefit obligation has been recognized for health and welfare benefits for individuals currently on long-term disability. These benefit obligations represent the actuarial present value of the cost of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from participants. The obligations represent the amounts that are expected to be funded by contributions from the Plan sponsors and from existing assets of the Plan.

HANFORD EMPLOYEE WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

H. Benefit Obligations (Continued)

Obligations for medical claims incurred but not reported as of December 31, 2024 and 2023, are estimated by the insurers (see Note 5).

I. Premium Rate Stabilization Reserve

The Plan has a rate stabilization reserve with an insurance company, which can be used to offset renewal rates in the subsequent year. There were no rate stabilization reserve credits as of December 31, 2024 and 2023. The reserve is nonrefundable should the insurance contract terminate.

J. Plan Termination

The Trustees or management of the Plan sponsors have not expressed any intent to discontinue its contributions. In the event such discontinuance results in the termination of the Plan, the net assets of the Plan would be available for the exclusive use of the participants, but the manner and timing of allocation is left to the discretion of the Trustees.

K. Subsequent Events

Management has evaluated subsequent events through October 14, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan established under the Trust holds the Plan's assets and pays benefits in accordance with the Hanford Employee Welfare Trust Agreement. Although the Plan is a taxable entity under the Internal Revenue Code, the Plan administrator understands that the Plan had no taxable income during the years ended December 31, 2024 and 2023. Accordingly, no provision or liability for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - RELATED PARTY AND FUNDING OF BENEFIT OBLIGATIONS

The DOE requires that funding for postemployment benefits be provided on a pay-as-you-go basis, and the contractor sponsors of the Plan have adopted this policy. Therefore, the Plan Sponsors fund the Plan on a pay-as-you go basis and are subsequently reimbursed for the costs through their separate contracts with the DOE. Prior to the change in plan sponsor, MSA, provided funding to the Plan through a letter of credit arrangement with the DOE on behalf of all other Plan Sponsors to meet cash requirements. The Plan refunded MSA, for its contributions on behalf of other Plan Sponsors. As a participating employer, MSA, was also responsible for funding Plan contributions for its own employees. Effective with the change in plan sponsor to HMIS, there is no longer a letter of credit funding arrangement.
