### PLAN ADMINISTRATOR ARMHR 401(k) RETIREMENT PLAN

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of **ARMHR 401(k) RETIREMENT PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ARMHR 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from its qualified institutions as of December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

---

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ARMHR 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ARMHR 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

---

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ARMHR 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ARMHR 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

---

## **Auditor’s Responsibilities for the Audit of the Financial Statements – Continued**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

---

**Other Matter – Supplemental Schedule Required by ERISA – Continued**

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 1 – DESCRIPTION OF PLAN**

---

As of January 1, 2024, the Plan was renamed from the Onondaga Employee Leasing Inc. 401(k) Tax Savings Plan to the Armhr 401(k) Retirement Plan and the sponsorship of the Plan was transferred from Onondaga Employee Leasing Services, LLC to Armhr, LLC.

The following description of the ARMHR 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is a multiple-employer, defined contribution plan covering all employees from participating employers (the “Employers” or “Companies”), who meet certain eligibility requirements as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator oversees governance of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

**Participant Contributions**

Participants may make voluntary, pretax contributions and Roth contributions in the form of salary reductions subject to certain limitations under the terms of the Plan and Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. These contributions belong to the participant and cannot be forfeited for any reason. Roth contributions are allowed.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 1 – DESCRIPTION OF PLAN – Continued**

---

**Employer Contributions**

Affiliated employers, at their discretion, may elect to make various types of employer contributions to the Plan, as permitted under the Plan document. These provisions include matching contributions based on the participant's salary reduction contributions and safe harbor contributions designed to satisfy the nondiscrimination requirements of Sections 401(k) and 401(m) of the Internal Revenue Code. Under the Plan, participating employers may elect one or more of the following contribution provisions:

Safe Harbor Contribution: The employer may elect to make an “ADP test safe harbor contribution” for the plan year. If this contribution type is elected, the Plan automatically satisfies the ADP and, if applicable, the ACP safe harbor requirements when the only matching contribution made is either (1) a basic matching contribution [traditional or Qualified Automatic Contribution Arrangement (QACA)] or (2) an enhanced matching contribution (traditional or QACA) that does not provide a match on elective deferrals exceeding 6% of compensation.

Safe Harbor Matching Contribution: The employer may elect to make a matching contribution on behalf of eligible participants. For example, under the traditional basic safe harbor matching formula, the Employer contributes 100% of each participant's elective deferrals up to 3% of compensation, plus 50% of elective deferrals that exceed 3% but do not exceed 5% of compensation.

Enhanced or QACA Matching Contribution: Alternatively, an employer may elect an enhanced matching contribution formula that provides a match at least as generous as the basic formula, or a QACA safe harbor matching contribution consistent with automatic enrollment provisions under the Plan.

Each affiliated employer determines its contribution election annually in accordance with the Plan provisions. During the years ended December 31, 2024 and 2023, the Plan sponsor made employer matching contributions of approximately \$786,000 and \$319,000, respectively. During the years ending December 31, 2024 and 2023, the Companies made safe harbor matching contributions to the Plan of approximately \$899,000 and \$366,000, respectively.

In addition, each affiliated employer may also make an additional profit sharing contribution to employees. The profit sharing contributions are determined by each affiliated employer, rather than at the Plan level. There were approximately \$8,000 and \$-0- of discretionary profit sharing contributions for the Plan years ended December 31, 2024 and 2023, respectively.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 1 – DESCRIPTION OF PLAN – Continued**

---

**Participant Accounts**

Each participant's account is credited with the participant's contributions, and an allocation of (a) the employer's contributions, (b) rollover contributions, and (c) Plan earnings or losses. Participant accounts are charged with an allocation of administration expenses, if applicable. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their pre-tax, Roth and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the employers' nonelective profit-sharing and matching contribution portions of participant accounts is based on years of continuous service. Each affiliated employer selects a vesting schedule under the Plan, and participants become vested in accordance with the schedule elected by their employer.

Employers may elect one of several vesting options, including immediate (100%) vesting or graded or cliff vesting schedules, provided the elected schedule meets the minimum requirements of the Internal Revenue Code. For example, an employer may elect a 6-year graded schedule under which a participant becomes vested as follows: 0% after one year of service, 20% after two years, 40% after three years, 60% after four years, 80% after five years, and 100% after six years of service.

The Plan also permits certain employers to apply the same vesting schedule to matching contributions, or to elect 100% immediate vesting for such contributions, depending on their selected plan provisions.

**Notes Receivable from Participants**

The availability and terms of participant loans are determined by each affiliated employer in accordance with its respective adoption agreement under the Plan. Each affiliated employer may elect whether to permit participant loans and, if so, establish specific loan provisions such as the number of loans permitted, minimum loan amount, and repayment terms. Generally, loans are subject to a maximum equal to the lesser of \$50,000 or 50% of a participant's vested account balance. Loan terms typically range from one to five years, or longer if used for the purchase of a primary residence. Loans are secured by the participant's account balance and bear interest at a fixed rate determined at the time of issuance based on prevailing market rates. Principal and interest are generally repaid through payroll deductions.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 1 – DESCRIPTION OF PLAN – Continued**

---

**Payment of Benefits**

On termination of service due to death, disability, separation of employment, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. A participant may, upon attainment of age 59½, elect to receive all or a portion of their vested account balance while still employed. Normal retirement age is 59½.

**Hardship Withdrawals**

Hardship withdrawals may be permitted and subject to certain limitations imposed by the Internal Revenue Service and the provisions specified in the Plan document. The availability of hardship withdrawals is optional and determined by each affiliated employer in accordance with the Plan's adoption agreement.

**Forfeitures**

Upon termination, participant's non-vested account balances are forfeited. The outstanding balance of forfeited non-vested contributions totaled \$18,030 and \$102,241 at December 31, 2024 and 2023, respectively. These accounts will be used to reduce future Plan expenses, with the remainder used to offset employer contributions. Forfeitures used to offset Plan expenses in 2024 and 2023 amounted to \$-0- and \$773, respectively. Forfeitures used to reduce employer contributions were \$63,407 and \$-0- for the years ended December 31, 2024 and 2023, respectively.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

---

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued**

---

**Investments Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and trust company. See Note 4 for discussion of fair value measurements.

Purchases or sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

**Payment of Benefits**

Benefit payments are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are excluded from administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Subsequent Events**

Plan management has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 3 – CERTIFIED INVESTMENT INFORMATION**

---

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained certifications from the custodians of the Plan that the information provided by them is complete and accurate.

Effective January 1, 2024, Matrix Trust Company became the new custodian of the Plan’s investments. Accordingly, the Plan’s investments held by Matrix Trust Company from January 1, 2024 through December 31, 2024 were certified by Matrix Trust Company.

The Plan’s investments held by Transamerica Financial Life Insurance Company, Inc. at December 31, 2023 and for period January 1, 2024 through January 10, 2024 were certified by Transamerica Financial Life Insurance Company, Inc.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by the respective custodians as of and for the years ended December 31, 2024 and 2023:

	<b>2024</b>	<b>2023</b>
Investments, at Fair Value	<u>\$ 45,042,782</u>	<u>\$ 23,159,929</u>
Notes Receivable from Participants	<u>\$ 480,938</u>	<u>\$ 263,818</u>
Investment Income	<u>\$ 3,657,843</u>	<u>\$ 3,006,095</u>
Interest Income on Notes Receivable from Participants	<u>\$ 27,704</u>	<u>\$ 16,019</u>

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 4 – FAIR VALUE MEASUREMENTS**

---

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 4 – FAIR VALUE MEASUREMENTS – Continued**

---

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

***Cash and Cash Equivalents:*** Valued at cost plus interest which approximates fair value.

***Mutual Funds:*** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Pooled Separate Accounts:*** Valued at the net asset value of units held based on the fair value of the underlying investments held by the fund adjusted for capital gains/losses and dividends which are automatically reinvested and reduced for administrative fees as reported by the investment manager of the fund.

***Stable Value Fund:*** Valued at the net asset value, based on the fair values of the underlying investments reported by the custodians of the fund. Fair values for the underlying assets were based on either quoted prices in active markets or observable inputs or quotations from inactive markets.

***Common/Collective Trust:*** Units of the fund are valued each day on which the New York Stock Exchange (NYSE) is open for trading in accordance with the valuation procedures established by the trustee. The NAV per unit is calculated as of the close of trading on the NYSE (generally, 4:00 p.m. U.S. Eastern time). The NAV per unit is computed by dividing the total assets of the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the fund and included in the determination of unit values.

***Self-Directed Brokerage Accounts:*** Valued at the daily closing price as reported by the underlying investment fund. Fair values for the underlying assets were based on either quoted prices in active markets or observable inputs or quotations from inactive markets.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

**NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

---

Matrix Trust Company and Transamerica Financial Life Insurance Company, Inc. were the custodians of the Plan's assets. As such, transactions between the custodians and the Plan qualify as party-in-interest transactions. Transactions involving participant loans also qualify as party-in-interest transactions.

As described in Note 2, the Plan sponsor paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA and are exempt from prohibitive transaction rules.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**NOTE 6 – PLAN TERMINATION**

---

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their account balances.

**NOTE 7 – TAX STATUS**

---

The Internal Revenue Service has determined and informed the Companies by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 – NET TRANSFER OF ASSETS FROM OTHER PLANS**

---

During 2024 and 2023, the Companies lost a number of clients and acquired additional ones. The clients who left the Companies transferred the assets from the Plan to other qualified pension plans. The new clients transferred the assets of their previously sponsored pension plans to the Plan. The balance of those transfers is included in the Net Transfer of Assets from Other Plans on the statements of changes in net assets available for benefits, totaling \$12,857,618 and \$(3,974,516) during 2024 and 2023, respectively.

**NOTE 9 – RISKS AND UNCERTAINTIES**

---

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
