## Independent Auditors' Report

The Plan Administrator and Human Resources of  
Life Bridge Dental 401(k) Plan

### *Opinion on the 2024 Financial Statements*

We have audited the accompanying financial statements of Life Bridge Dental 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of August 30, 2024, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of August 30, 2024, and the changes in its net assets available for benefits for the period then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### *Basis for Opinion on the 2024 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2024 financial statements.

### *Responsibilities of Management for the 2024 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditors' Responsibilities for the Audit of the 2024 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2023 Financial Statements***

We performed an audit of the 2023 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In our report dated September 25, 2024, we indicated that in our opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

### (1) Description of plan

The following description of the Life Bridge Dental 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan was a defined contribution plan maintained under Section 401(k) of the Internal Revenue Code (IRC) and covered substantially all employees of Life Bridge Dental, PLLC (the "Plan Sponsor") who were age twenty-one or older and had completed three months of service (participants). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective August 30, 2024, the Life Bridge Dental 401(k) Plan merged into the Tend Dental, Inc. 401(k) Plan ("Tend Dental Plan").

#### (b) Contributions

Prior to August 30, 2024, participants could voluntarily make qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the IRC or could be made after-tax in the form of a Roth contribution. Participants directed the investment of their contributions into various investment options offered by the Plan. Participant contributions were permitted up to 90% of eligible compensation subject to certain IRC limitations.

The Plan Sponsor made safe harbor matching contributions equal to the sum of 100% of the amount of the participant's elective deferrals of the first 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceeded 3% of the participant's compensation, but did not exceed 5% of the participant's compensation.

The Plan also provided that the Plan Sponsor could contribute each year additional discretionary profit sharing contributions to the Plan; however, these annual contributions by the Plan Sponsor were not required. During 2024 and 2023, no discretionary contributions were made by the Plan Sponsor.

Plan Sponsor and participant contributions could not exceed the maximum amount allowable for federal income tax purposes.

# LIFE BRIDGE DENTAL 401(K) PLAN

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(c) Participant accounts

Each participant's account was credited or charged with the participant's contributions, Plan Sponsor contributions, allocations of investment earnings or losses and administrative expenses. Allocations was based on a participant's compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

(d) Vesting

Participants were immediately vested in their elective salary deferral and the Plan Sponsor's safe harbor matching contributions plus actual earnings (losses) thereon. Participants were 20% vested in the Plan Sponsor's discretionary profit sharing contributions after two years of service, with vesting increasing an additional 20% each year thereafter, until participants were 100% vested after six years of credited service. On termination of service due to death, permanent disability, or retirement a participant was automatically fully vested in his or her account.

(e) Notes receivable from participants

Participants could borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants were permitted two outstanding notes receivable at any given time. The notes receivable from participants were secured by the balance in the participant's account and bore interest at fixed rates ranging from 5.25% to 10.50%, which were commensurate with local prevailing rates as determined at the time the loan was taken. Principal and interest were collected ratably through payroll deductions in installments over a period not to exceed five years. A loan used to purchase a participant's primary residence could be repaid over a period not to exceed thirty years.

(f) Payment of benefits

On termination of service due to death, permanent disability, retirement, or other reasons a participant could elect to receive either a lump-sum payment or installments over a specified period equal to his or her vested account balance.

(g) Forfeited accounts

If a participant terminated employment prior to being fully vested in the discretionary contributions thereon for any reason except death, disability, or qualification for retirement, then the unvested contribution was forfeited. Such forfeitures were utilized to reduce administrative expenses or to reduce Plan Sponsor contributions. For the period ended August 30, 2024, and year ended December 31, 2023, there were no forfeitures utilized. At August 30, 2024, and December 31, 2023, there were \$0 and \$10, respectively, in forfeited nonvested accounts.

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and were excluded from these financial statements. All reasonable expenses of administration that were incurred by the Plan were charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses were included in net appreciation in fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments were stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend income was recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the plan agreement.

(d) Payment of benefits

Benefits were recorded when paid.

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(e) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between August 30, 2024, and October 13, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including the fair value of investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, dividend income, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company ("Reliance"). The financial information described above was not certified as of August 30, 2024, and for the period from January 1, 2024 through August 30, 2024.

(4) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# LIFE BRIDGE DENTAL 401(K) PLAN

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at August 30, 2024, and December 31, 2023.

- (i) *Mutual funds*: Valued at the net asset value (NAV) of shares held by the Plan at year-end in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level the Plan's assets within the fair value hierarchy as of December 31, 2023.

LIFE BRIDGE DENTAL 401(K) PLAN

Notes to the Financial Statements

August 30, 2024 and December 31, 2023

Fair Value Measurements as of  
December 31, 2023 Using the Following Inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total assets in the fair value hierarchy - mutual funds	\$ <u>3,492,100</u>	\$ _____ -	\$ _____ -	\$ 3,492,100
Investment measured at NAV, as a practical expedient (a)				<u>55,595</u>
Investments, at fair value				\$ <u>3,547,695</u>

(a) Certain investments were measured at NAV as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table describes the investment for which the fair value is measured using the NAV as a practical expedient as of December 31, 2023. There were no participant redemption restrictions for this investment; the redemption notice period was applicable only to Plan level transactions.

<u>Description</u>	<u>Fair Value 12/31/2023</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective trust fund	\$ 55,595	N/A	Daily	12 months

(5) Income tax status

The Plan adopted a non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on October 6, 2020, which stated the pre-approved plan was in compliance with the applicable requirements of the IRC. The Plan itself had not received a opinion letter from the IRS stating that the Plan was qualified under section 401(a) of the IRC. The Plan was required to operate in conformity with the IRC to maintain its qualification. However, the plan administrator believed that the Plan was designed and operated in compliance with the applicable provisions of the IRC.

GAAP required plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator analyzed the tax positions taken by the Plan, and concluded that as of August 30, 2024, and December 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(6) Party-in-interest transactions

As described in Note 1, the Plan paid expenses to various service providers which qualify as party-in-interest transactions. The Plan held notes receivable from participants which also qualify as party-in-interest transactions.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023:

Net assets available for benefits per the financial statements	\$ 3,622,239

## Independent Auditors' Report

The Plan Administrator and Human Resources of  
Life Bridge Dental 401(k) Plan

### *Opinion on the 2024 Financial Statements*

We have audited the accompanying financial statements of Life Bridge Dental 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of August 30, 2024, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of August 30, 2024, and the changes in its net assets available for benefits for the period then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### *Basis for Opinion on the 2024 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2024 financial statements.

### *Responsibilities of Management for the 2024 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditors' Responsibilities for the Audit of the 2024 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2023 Financial Statements***

We performed an audit of the 2023 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In our report dated September 25, 2024, we indicated that in our opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

### (1) Description of plan

The following description of the Life Bridge Dental 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan was a defined contribution plan maintained under Section 401(k) of the Internal Revenue Code (IRC) and covered substantially all employees of Life Bridge Dental, PLLC (the "Plan Sponsor") who were age twenty-one or older and had completed three months of service (participants). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective August 30, 2024, the Life Bridge Dental 401(k) Plan merged into the Tend Dental, Inc. 401(k) Plan ("Tend Dental Plan").

#### (b) Contributions

Prior to August 30, 2024, participants could voluntarily make qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the IRC or could be made after-tax in the form of a Roth contribution. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan also provided that the Plan Sponsor could contribute each year additional discretionary profit sharing contributions to the Plan; however, these annual contributions by the Plan Sponsor were not required. During 2024 and 2023, no discretionary contributions were made by the Plan Sponsor.

Plan Sponsor and participant contributions could not exceed the maximum amount allowable for federal income tax purposes.

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(c) Participant accounts

Each participant's account was credited or charged with the participant's contributions, Plan Sponsor contributions, allocations of investment earnings or losses and administrative expenses. Allocations was based on a participant's compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

(d) Vesting

Participants were immediately vested in their elective salary deferral and the Plan Sponsor's safe harbor matching contributions plus actual earnings (losses) thereon. Participants were 20% vested in the Plan Sponsor's discretionary profit sharing contributions after two years of service, with vesting increasing an additional 20% each year thereafter, until participants were 100% vested after six years of credited service. On termination of service due to death, permanent disability, or retirement a participant was automatically fully vested in his or her account.

(e) Notes receivable from participants

Participants could borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants were permitted two outstanding notes receivable at any given time. The notes receivable from participants were secured by the balance in the participant's account and bore interest at fixed rates ranging from 5.25% to 10.50%, which were commensurate with local prevailing rates as determined at the time the loan was taken. Principal and interest were collected ratably through payroll deductions in installments over a period not to exceed five years. A loan used to purchase a participant's primary residence could be repaid over a period not to exceed thirty years.

(f) Payment of benefits

On termination of service due to death, permanent disability, retirement, or other reasons a participant could elect to receive either a lump-sum payment or installments over a specified period equal to his or her vested account balance.

(g) Forfeited accounts

If a participant terminated employment prior to being fully vested in the discretionary contributions thereon for any reason except death, disability, or qualification for retirement, then the unvested contribution was forfeited. Such forfeitures were utilized to reduce administrative expenses or to reduce Plan Sponsor contributions. For the period ended August 30, 2024, and year ended December 31, 2023, there were no forfeitures utilized. At August 30, 2024, and December 31, 2023, there were \$0 and \$10, respectively, in forfeited nonvested accounts.

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and were excluded from these financial statements. All reasonable expenses of administration that were incurred by the Plan were charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses were included in net appreciation in fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments were stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend income was recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the plan agreement.

(d) Payment of benefits

Benefits were recorded when paid.

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

(e) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between August 30, 2024, and October 13, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including the fair value of investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, dividend income, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company ("Reliance"). The financial information described above was not certified as of August 30, 2024, and for the period from January 1, 2024 through August 30, 2024.

(4) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# LIFE BRIDGE DENTAL 401(K) PLAN

## Notes to the Financial Statements

August 30, 2024 and December 31, 2023

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at August 30, 2024, and December 31, 2023.

- (i) *Mutual funds*: Valued at the net asset value (NAV) of shares held by the Plan at year-end in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level the Plan's assets within the fair value hierarchy as of December 31, 2023.

Fair Value Measurements as of  
December 31, 2023 Using the Following Inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total assets in the fair value hierarchy - mutual funds	\$ <u>3,492,100</u>	\$ _____ -	\$ _____ -	\$ 3,492,100
Investment measured at NAV, as a practical expedient (a)				<u>55,595</u>
Investments, at fair value				\$ <u>3,547,695</u>

(a) Certain investments were measured at NAV as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table describes the investment for which the fair value is measured using the NAV as a practical expedient as of December 31, 2023. There were no participant redemption restrictions for this investment; the redemption notice period was applicable only to Plan level transactions.

<u>Description</u>	<u>Fair Value 12/31/2023</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective trust fund	\$ 55,595	N/A	Daily	12 months

(5) Income tax status

The Plan adopted a non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on October 6, 2020, which stated the pre-approved plan was in compliance with the applicable requirements of the IRC. The Plan itself had not received a opinion letter from the IRS stating that the Plan was qualified under section 401(a) of the IRC. The Plan was required to operate in conformity with the IRC to maintain its qualification. However, the plan administrator believed that the Plan was designed and operated in compliance with the applicable provisions of the IRC.

GAAP required plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator analyzed the tax positions taken by the Plan, and concluded that as of August 30, 2024, and December 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Party-in-interest transactions

As described in Note 1, the Plan paid expenses to various service providers which qualify as party-in-interest transactions. The Plan held notes receivable from participants which also qualify as party-in-interest transactions.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023:

Net assets available for benefits per the financial statements	\$ 3,622,239
Participant contributions receivable	(11,234)
Plan Sponsor contributions receivable	<u>(3,170)</u>
Net assets available for benefits per the Form 5500	<u>\$ 3,607,835</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the period ended August 30, 2024, and year ended December 31, 2023:

	<u>2024</u>	<u>2023</u>
Change in net assets available for benefits per the financial statements	\$ 1,078,017	\$ 1,567,268
