REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator and Plan Sponsor
Acorns Grow 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed an audit of the financial statements of Acorns Grow 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedules required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other matter – auditor's report on the 2023 financial statements

Predecessor auditors performed an audit of the 2023 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Acorns Grow 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of Acorns Grow 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Acorns Grow Inc. and participating affiliates (the “Plan Sponsor” or “Employer”). The Plan and Trust, of which it is a part, are intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (“SECURE 2.0”) was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. The most recent Plan document reflects the adoption of certain provisions of the SECURE 2.0, as applicable.

Effective November 1, 2024, the Plan Sponsor changed the recordkeeper and custodian from American Trust Company (“American Trust”) to Empower Trust Company, LLC (“Empower”).

Eligibility

Employees of the Plan Sponsor who have completed three months of service, are 18 years of age, and are not covered by a collective bargaining agreement, non-resident aliens, Puerto Rico-based employees or independent contractors, are eligible to participate in the Plan.

Contributions

Under the terms of the Plan, participants may make pre-tax contributions to the Plan between 1% to 92% of their eligible compensation prior to November 1, 2024 and between 1% to 100% after November 1, 2024, subject to the limitations in the IRC. The Plan also allows for Roth contributions and for catch up contributions for participants who are 50 and older, which are also subject to the limitations in the IRC. Participants are automatically enrolled in the Plan at a deferral percentage rate of 6% of compensation unless they affirmatively elect to not participate in the automatic contribution arrangement. This percentage is automatically increased by 1% on the one-year anniversary of the automatic enrollment date up to 15% which continues at this rate until changed by the employee.

The Plan Sponsor may make non-safe harbor matching contributions to participants up to an annual limit of \$3,000. A participant must be employed on the last day of the Plan Year to receive a non-safe harbor matching contribution, unless they terminate due to retirement, disability, or death during the year. The Plan Sponsor may also make discretionary profit-sharing contributions to the Plan. The Sponsor made non-share harbor matching contributions of \$784,396 to the Plan during the year ended December 31, 2024.

Participant Accounts

Individual accounts are maintained for each participant. Each participant’s account is credited with the participant’s contributions, employer contributions and allocations of plan earnings, and charged with distributions and an allocation of plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Vesting

Participants are fully vested in their pre-tax contributions, Roth contributions, non-safe harbor matching contributions, and discretionary profit-sharing contributions at all times.

Participant Investment Options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Participants are limited to one loan outstanding. Loans are secured by the balance in the participant's account. Loans bear interest at prime plus 1% fixed on the first business day of the month in which the loan is requested. Principal and interest are paid ratably through bi-monthly payroll deductions. Any outstanding balance of a loan at the time of any distribution due to death, retirement or termination of employment shall be deducted from the amount which would otherwise have been payable to the participant. Loan terms range up to five years but may be extended if the proceeds are to be used to purchase a primary residence. Interest rates on outstanding loans receivable from participants ranged from 4.25% to 9.50% at December 31, 2024 and 2023.

Payment of Benefits

Participants are entitled to receive a distribution of their vested account in the Plan upon termination of their employment; retirement; death or disability and termination of the Plan without the establishment of a successor Plan. A participant may elect to receive a lump sum amount equal to the value of his or her account, or a series of cash payments, in substantially equal installments. Hardship withdrawals are permitted from the Plan if certain conditions are met.

If the total vested value is below \$1,000 in a participant's account at the time of termination, then a distribution will be made to the participant regardless of whether they consent to receive it. If the total vested value is greater than \$1,000, but less than \$5,000, the participant has the option of either 1) rolling over their balance into a qualified individual retirement account, or 2) receiving a distribution. If the vested value is greater than \$5,000, the participant may remain in the Plan. Effective January 1, 2024, the Plan has adopted the SECURE 2.0 provision which increased this limit from \$5,000 to \$7,000.

The Plan also provides for minimum required distributions per Internal Revenue Service ("IRS") regulations by April 1 of the calendar year following the later of the calendar year in which the participant reaches age 73 or the calendar year the participant retires. In addition, participants may elect in-service withdrawals of their vested account balances after reaching age 59½.

Termination of the Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The Plan's significant accounting policies are as follows:

Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of plan assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully-benefit responsive investment contract). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, the custodian and insurance carrier. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans are deemed distributions once they are in default and recorded as distributions.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and some are paid out of the Plan, which are included in these financial statements. Investment-related expenses are included as a reduction in the net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Investments at fair value recorded in the statements of net assets available for benefits are categorized based on the inputs to valuation techniques as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Collective Trust Funds - Valued at the net asset value ("NAV") of shares held by the Plan at year end based on information reported by the custodian. The NAV, as provided by the custodian, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. As of December 31, 2024, the collective trust funds were fair valued utilizing NAV as a practical expedient. The redemption notice period could be up to 12 months if the entire interest in the fund is redeemed. The collective trust funds have a daily redemption frequency for participant-directed transactions. There were no unfunded commitments of the collective trust funds as of December 31, 2024.

Mutual Fund: Valued at the daily closing price as reported by the fund. The mutual fund held by the Plan is an open-ended mutual fund that is registered with the Securities and Exchange Commission. The fund is required to publish its NAV and to transact at that price. The mutual fund held by the Plan is deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Acorns Grow 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Investments measured at fair value of a recurring basis consisted of the following types of instruments as of December 31, 2024 and 2023:

	Fair Value Measurements as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual fund	\$ 3,891	\$ -	\$ -	\$ 3,891
Investments at NAV				27,858,413
Total assets, at fair value				\$ 27,862,304

	Fair Value Measurements as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,702,653	\$ -	\$ -	\$ 22,702,653
Total assets, at fair value				\$ 22,702,653

NOTE 4 - TAX STATUS

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service. The pre-approved plan document had an opinion letter dated August 14, 2020. The opinion letter stated that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since the opinion letter was used issued; however, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the IRC, and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and the ERISA-required supplemental schedule – schedule of assets (held at end of year) related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust as of December 31, 2023 and for the period from January 1, 2024 through October 31, 2024, and Empower as of December 31, 2024, and for the period from November 1, 2024 through December 31, 2024.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments managed by Mercer Investments, LLC who, as of December 31, 2024, serves as the Plan Administrator. These transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as allowable party-in-interest transactions.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 9, 2025, the date the financial statements were available to be issued.

Effective January 1, 2025, the requirement to be employed as of the end of the plan year to receive a non-safe harbor matching contributions matching contribution was removed.

There were no other subsequent events identified that require recognition or additional disclosure in these financial statements.
