INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Allegis Group, Inc. Retirement Savings Plan Three and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Allegis Group, Inc. Retirement Savings Plan Three (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements – modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements – modified cash basis referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements – modified cash basis referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Allegis Group, Inc. Retirement Savings Plan Three and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Allegis Group, Inc. Retirement Savings Plan Three's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Allegis Group, Inc. Retirement Savings Plan Three's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Allegis Group, Inc. Retirement Savings Plan Three's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Allegis Group, Inc. Retirement Savings Plan Three and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Allegis Group, Inc. Retirement Savings Plan Three (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements – modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements – modified cash basis referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements – modified cash basis referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Allegis Group, Inc. Retirement Savings Plan Three and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Allegis Group, Inc. Retirement Savings Plan Three's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Allegis Group, Inc. Retirement Savings Plan Three's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Allegis Group, Inc. Retirement Savings Plan Three's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLEGIS GROUP, INC. RETIREMENT SAVINGS PLAN THREE

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2024, and 2023 and For the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN

The following description of the Allegis Group, Inc. Retirement Savings Plan Three (the Plan or Plan Three) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 2018. The Plan is a deferred compensation profit sharing plan covering eligible employees of the Allegis Group, Inc. and affiliated participating companies (collectively, the Company) who have adopted the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated January 1, 2024.

Plan Restructure

Effective January 1, 2018, the Allegis Group, Inc. Retirement Savings Plan (the Original Plan) was restructured and renamed the Allegis Group, Inc. Retirement Savings Plan Two (Plan Two), and the accounts of participants eligible for Allegis Group, Inc. Retirement Plan One (Plan One) and Allegis Group, Inc. Retirement Plan Three spun off to form Plan One and Plan Three, respectively. All accounts for internal employees were transferred to Plan One, and all external employees either remained in Plan Two, or were transferred to Plan Three based on eligibility requirements.

In order to determine the correct plan assignment (Plan One, Plan Two or Plan Three) for participants, eligibility shall be determined as of (i) the first day of the Plan year if the employee is employed by the Company on such date, or, if not, (ii) the employee's first day of employment during the Plan year.

Annually, participant plan assignments are re-evaluated based upon the participant meeting certain eligibility requirements of each Plan. As of January 1st of the Plan year, if a participant's current plan assignment changes due to a change in their eligibility (internal vs. external, compensation or job title) making him or her eligible for a different plan than that of which they are currently enrolled in, the participant's prior account balance is transferred to the new plan along with any future contributions. If a participant's classification changes post January 1, he or she will remain in the existing plan until the following January 1 at which time he or she will be re-evaluated. Net transfers out of the Plan totaled \$1,257,721 and are included on the accompanying statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024.

Any person classified as working or providing services in a capacity other than an employee, leased employees, non-resident aliens with no U.S. source income, individuals working abroad not on a U.S. payroll, interns, employees subject to a collective bargaining agreement that does not provide for Plan participation and any individual employed in Puerto Rico are not eligible to participate in the Plan. Upon eligibility determination, existing participant accounts are transferred to the respective plan.

Employees become eligible to enter the Plan on the first pay period beginning on or after the first day of the month occurring at least 30 days after employment commences.

Participant Contributions

Participants may contribute from 1% to 100% of their annual compensation, as defined by the Plan, on a pre-tax or post-tax (Roth) basis, not to exceed the maximum allowable contribution under Section 402(g) of the Internal Revenue Code (the Code), which was \$23,000 for the year ended December 31, 2024. A participant’s Roth elective contributions are allocated to a separate account maintained for such contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions, subject to the limitation imposed by the Code, which was \$7,500 for the year ended December 31, 2024. Participants are permitted to make pre-tax rollover contributions to the Plan.

Participant Contributions – cont’d.

Certain employees, as defined by the Plan document, will be automatically enrolled in the Plan upon meeting eligibility requirements. Unless the participant elects otherwise, he or she will be auto-enrolled at a pre-tax deferral rate of 3%. This percentage will increase annually on January 1st for all participants in increments of 1% up to a maximum of 15% after the first full year of participation. Employees of Corporate-Owned Communities meeting eligibility requirements will be automatically enrolled at a pre-tax deferral rate of 1%. This percentage will increase annually on January 1st for all participants in increments of 1% up to a maximum of 15% after the first full year of participation.

Company Matching Contributions

The Company contributes annually to the Plan on behalf of each non-highly compensated eligible participant who is: (1)(A) in the case of employees of Allegis employers, has an employee classification of “INT” (internal employees) or employees who are assigned to the benefits program “F/T” or “MSF” in the payroll records of the employer, (B) in the case of employees of Maxim employers, is classified by the employer as “team member,” or (C) is an employee of a Sparrows Point employer; (2) are employed by the Employer in the category in (1) on each day of the Plan year commencing after January 7 (for this purpose, employment shall not be deemed to have terminated by an Authorized Leave of Absence); and (3) are employed by the Employer on the Valuation Date. Notwithstanding the foregoing, (1) if a Participant whose employment is terminated during a Plan year due to a layoff is rehired by the Employer during the same Plan year but no later than the 60th day following the date of his layoff, or (2) if a Participant whose employment terminates for any reason is rehired within 7 days, he shall be entitled to a matching contribution for the Plan year if he is otherwise eligible for such matching contribution. Notwithstanding the above, the following Employees are not eligible for a Matching contribution: (A) non-resident aliens with no U.S. source income (B) employees included in a unit of employees covered by a collective bargaining agreement with the Employer that does not expressly provide that such employees are eligible for a Matching contribution, and (C) employees of a Corporate-Owned Community.

For employees of Allegis Employers, the Company contribution amount shall be equal to 100% of the first \$1,000 of the participant’s elective contributions for the Plan Year. If the participant is eligible to receive the Allegis Standard Profit Sharing or Enhanced Profit Sharing contribution, the Company contribution amount shall be 50% of the lesser of (i) the participant’s elective contributions for the plan year and (ii) 6% of the participant’s eligible compensation for the plan year.

Prior to January 1, 2024, for employees of Maxim Healthcare Services, the Company contribution amount was equal to 100% of the first \$500 of participant contributions and 50% of the next \$500 of participant contributions, up to a maximum of \$750.

Company Matching Contributions – cont'd

Effective January 1, 2024, for employees of Amergis Healthcare Staffing, if the participant is eligible for the Investment Growth Plan or the Key Investment Growth Plan, the Company contribution shall be 100% of the first \$1,000 of the participant's elective contributions for the plan year. If the aforementioned criteria is not met, the Company contribution shall be 50% of the lesser of (i) the participant's elective contributions for the plan year and (ii) 6% of the participant's eligible compensation.

Effective January 1, 2024, for employees of Maxim Healthcare Staffing Services, if the participant is (i) eligible for the Investment Growth Plan or the Key Investment Growth Plan, or (ii) is in a commission-based position, the Company contribution shall be 100% of the first \$1,000 of the participant's elective contributions for the plan year. If the aforementioned criteria is not met, the Company contribution shall be 50% of the lesser of (i) the participant's elective contributions for the plan year and (ii) 6% of the participant's eligible compensation.

For employees of Tradepoint Atlantic, LLC and Sparrows Point, LLC, the Company contribution amount is equal to 100% of the first \$500 of participant contributions and 50% of the next \$500 of participant contributions, up to a maximum of \$750.

The Company contribution amount for employees of Erickson, a participating employer in the Plan, is 100% of a participant's elective contributions up to a maximum of 3% of the participant's eligible compensation calculated on an annual basis. Employees are required to complete 1,000 hours of service in the Plan year to receive a Company contribution.

The Company may contribute a separate discretionary matching contribution on behalf of each eligible highly compensated participant, not to exceed the amount contributed to the non-highly compensated eligible participants.

Although participants in Plan Three are not eligible to receive matching contributions based on their eligibility status, participants may still receive such contributions into the Plan as the Plan reports on a modified cash basis. Therefore, the matching contributions received by the Plan for the year ended December 31, 2024, relate to the matching contributions determined during 2023, when a participant may have been previously eligible to receive such contributions. Matching contributions including QNEC contributions of \$23,775 paid into the Plan totaled \$31,775 for the year ended December 31, 2024.

1. DESCRIPTION OF THE PLAN – cont'd.

Bonus Contributions

The Plan provides for bonus contributions that TEKsystems, Inc. (TEKsystems) may contribute at its discretion on behalf of its non-highly compensated eligible participants. Participants eligible to receive a bonus contribution are classified consultants who are employed by TEKsystems on each day of the Plan year commencing after January 7th of the Plan year. However, those participants who began employment after January 7th may become eligible for a bonus contribution on the first entry date occurring on or after they complete ten months of employment. Participants must be employed on the valuation date, as defined by the Plan, to receive an allocation. Bonus contributions are allocated to participant accounts based upon a formula which includes the participant's billable hours worked during the year and a base award as determined by TEKsystems. Although participants in Plan Three are not eligible to receive bonus contributions based on their eligibility status, participants may still receive such contributions into the Plan as the Plan reports on a modified cash basis.

Therefore, the bonus contributions received by the Plan for the year ended December 31, 2024, relate to the bonus contributions determined during 2023, when a participant may have been previously eligible to receive such contributions. Bonus contributions paid into the Plan totaled \$2,138 for the year ended December 31, 2024.

Allegis Profit Sharing Contributions

The Plan provides for an Allegis profit sharing contribution that certain participating Allegis companies may contribute at their discretion on behalf of non-highly compensated eligible participants. Participants eligible to receive an Allegis profit sharing contribution are those internal employees set forth below, employed on each day commencing after January 7th of the Plan year by a participating Allegis company. Those participants who are employed after January 7th may become eligible for a profit-sharing contribution on the first day of the month following a participant's eligibility, if they complete six months of employment. Participants eligible to receive a profit sharing contribution allocation include all employees who (A) are classified as "internal employees", (B) are employed on the U.S. payroll; and (C) are employed on the valuation date, as defined by the Plan, by the participating Allegis company making the Allegis profit sharing contribution. The following companies are included: (i) Actalent, Inc., (ii) Actalent Scientific, LLC, (iii) Actalent Services, LLC, (iv) Aerotek, Inc., (v) Aerotek Aviation, LLC, (vi) Aerotek Scientific, LLC, (vii) Allegis Global Solutions, Inc., (viii) Allegis Group, Inc., (ix) Allegis Partners, LLC, (x) Aston Carter, Inc. Allegis Profit Sharing Contributions – cont'd.

Notwithstanding the foregoing, the following employees are not eligible for an Allegis profit sharing contribution: (A) contract employees; (B) employees who are hired on a temporary basis for a period of less than one year; (C) non-resident aliens with no U.S. source income; (D) employees who are employed in a sales or recruiting capacity, or as a contracts manager, sales manager or account manager, or employees who receive commission; (E) employees included in a unit of employees covered by a collective bargaining agreement with the employer that does not expressly provide that such employees are eligible for a profit sharing contribution; (F) employees of Allegis Group, Inc. or any subsidiaries thereof who are in an “enhanced profit sharing position”; (G) employees eligible for the Management Incentive Plan (formerly known as the Retention Bonus Plan); (H) employees who have received a grant of any size whether vested or nonvested, under the Allegis Group Incentive Investment Plan, the Allegis Group Incentive Growth Plan, the Allegis Group Incentive Plan for key employees, the MLA Incentive Investment Plan, or the MarketSource Incentive Investment Plan; and (I) employees who have received a grant of any size, whether vested or non-vested of incentive appreciation rights under the Allegis Group Incentive Appreciation Rights Plan, the MarketSource Incentive Appreciation Rights Plan, or the MLA Incentive Appreciation Rights Plan.

Allegis profit sharing contributions are allocated to participant accounts based on the participant's hours of service and years of employment as of the last day of the Plan year. There were no such contributions to the Plan based upon the makeup of eligible employees in the Plan in the current year.

Maxim Profit Sharing Contributions

The Plan provides for a Maxim profit sharing contribution that certain participating Maxim companies may contribute at their discretion on behalf of non-highly compensated eligible participants. In the case of a participant that is classified as a “part time employee” during a Plan year, and who later is reclassified as a “full time employee” during the Plan year, the participant shall be treated as a “full time employee” for such Plan year only if the reclassification occurs on or before June 30th of such Plan year. Participants eligible to receive a Maxim profit sharing contribution allocation consist of all employees who (A) are classified as “team members” of Maxim Healthcare Services, Inc. or any of its participating subsidiaries; (B) are employed on the U.S. payroll; and (C) are employed on the valuation date, as defined by the Plan, by the participating Maxim company making the profit sharing contribution. Notwithstanding the foregoing, the following employees are not eligible for a Maxim profit sharing contribution: (A) “caregivers”; (B) employees who are compensated through commissions, including but not limited to those who are employed in a sales or recruiting capacity, such as an account manager or recruiter; (C) employees who are hired on a temporary basis for a period of less than one year; (D) non-resident aliens with no U.S. source income; (E) employees included in a unit of employees covered by a collective bargaining agreement with an employer that does not expressly provide that such employees are eligible for a profit sharing contribution; or (F) employees who participate in the Maxim Healthcare Services, Inc. Incentive Investment Plan. Employees who have vested in 1,500 or more incentive appreciation rights in the Maxim Healthcare Services, Inc.

Maxim Profit Sharing Contributions

Incentive Appreciation Rights Plan shall become ineligible for the profit sharing contribution beginning with the Plan year following the Plan year in which they met such vesting thresholds.

Maxim profit sharing contributions are allocated to participant accounts based on the participant's hours of service and years of employment as of the last day of the Plan year. Maxim profit sharing contributions paid into the Plan totaled \$4,000 during the year ended December 31, 2024.

Amergis Profit Sharing Contributions

The Plan provides for a Amergis Profit Sharing contribution. Amergis may make a profit sharing contribution on behalf of each of its participants who is (A) eligible for the Amergis profit sharing contribution and (B) is a non-highly compensated employee. Certain eligible participants who satisfy all of the following requirements: (A) are classified as "team members" of Amergis; (B) are employed on the U.S. payroll; and (C) are employed by Amergis on the valuation date, as defined by the Plan. Notwithstanding the foregoing, the following employees are not eligible for an Amergis profit sharing contribution: (A) employees classified as "caregivers"; (B) employees who are compensated through commissions, including but not limited to those who are employed in a sales or recruiting capacity, such as an account manager or recruiter; (C) employees who are hired on a temporary basis for a period of less than one year; (D) non-resident aliens with no U.S. source income; (E) employees included in a unit of employees covered by a collective bargaining agreement with the employer that does not expressly provide that such employees are eligible for an Amergis profit sharing contribution; and (F) employees who participate in the Amergis Healthcare Staffing, Inc. Investment Growth Plan or the Investment Growth Plan for Key Employees.

Amergis profit sharing contributions are allocated to participant accounts based on the participant's years of employment as of the last day of the Plan year. There were no such contributions to the Plan based upon the makeup of eligible employees in the Plan in the current year.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by each participant. Any earnings, losses, and administrative expenses are allocated to a participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The notes are collateralized by the participant's vested account balance. Employees may only have one note outstanding at any time. Note repayments are to be made at least quarterly with interest based on interest rates comparable to those offered by financial institutions at the time of note origination. Notes receivable for reasons other than the purchase of a primary residence must be repaid within five years. Notes receivable for the purchase of a home must be repaid within ten years. Notes receivable initiated prior to the Plan restructure follow the loan terms under the predecessor plan.

Payment of Benefits

Upon termination of service or attainment of age 59 ½, a participant or their beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions will be made in a lump-sum equal to the value of the participant's vested interest in their account or as installment payments pursuant to the required minimum distribution rules. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed, which are vested, may be withdrawn for a qualified hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½. If a participant's vested account balance upon termination is less than \$1,000 and no distribution election is made by the participant, the balance can be distributed at any time without participant consent. Distributions are subject to the applicable provisions of the Plan agreement. As of December 31, 2024 and 2023, there were \$323,979 and \$257,963, respectively, of net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not been paid as of year-end.

Effective January 1, 2024, in accordance with the SECURE 2.0 Act (SECURE 2.0), the Plan elected to permit distributions of up to \$22,500 for expenses incurred as a result of a federally declared disaster, in accordance with the permanent disaster rules established under SECURE 2.0. Such federally declared disaster distributions are not subject to the 10 percent additional tax and are taken into account as gross income over three years, subject to specific repayment options. A formal amendment incorporating all SECURE 2.0 provisions is expected to be adopted no later than December 31, 2026, in accordance with Internal Revenue Service (IRS) guidelines. As of October 15, 2025, the Plan has not been formally amended for these provisions.

Vesting

Participants are immediately vested in participant, rollover, and Company matching contributions plus earnings thereon. Those participants who were previously internal employees, making them eligible to receive Company profit sharing and discretionary contributions, are 100% vested in those contributions plus earnings thereon. Participants vest in bonus contributions and earnings thereon based upon years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants, who were previously internal employees that were eligible for Corporate-Owned Community matching contributions in the Plan One, as defined by the Plan document, vest in those contributions and earnings thereon based upon years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Notwithstanding the above, an employee who transfers directly from a Corporate-Owned Community to an Erickson employer, prior to full vesting under the above table, shall be 100% vested in his Corporate-Owned Community matching contribution account.

Forfeitures

Forfeitures shall be used to fund Company contributions; provided however that the Plan Sponsor, acting in its capacity as an employer and not in a fiduciary capacity, may direct the administrator to use such forfeitures to pay administrative expenses of the Plan rather than to fund Company contributions. When forfeitures are used to fund Company contributions, such use shall reduce the contributions required by the Participating Companies to fund such contributions, and shall not increase the Company contributions that would otherwise be allocated to Participants. Forfeitures become available to the Plan as of the earlier of the last day of the Plan year in which a former employee incurs five consecutive one-year breaks in service or a distribution of their entire vested account balance occurs. The forfeitures account totaled \$69,567 and \$7,703 as of December 31, 2024 and 2023, respectively.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid with assets of the Plan unless the Company, at its discretion, elects to pay them. The majority of Plan expenses were paid with Plan assets, with a portion of the expenses paid through an allocation of the Plan's ERISA account/budget. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, certain additions are not recorded until the cash is collected and certain deductions are not recorded until the obligation is disbursed.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect participant account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

ALLEGIS GROUP, INC. RETIREMENT SAVINGS PLAN THREE

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2024, and 2023 and For the Year Ended December 31, 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd.

Fair Value Measurement – cont'd

The following is a description of the valuation methodologies used for investments measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the fund is traded.

Interests in common/collective trusts: Valued at the net asset value (NAV) of shares as a practical expedient held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 32,119,233	\$ -	\$ -	\$ 32,119,233
Total assets in the fair value hierarchy	32,119,233	-	-	32,119,233
Interests in common/collective trusts ^(a)	n/a	n/a	n/a	217,241,918
Total investments, at fair value	\$ 32,119,233	\$ -	\$ -	\$ 249,361,151

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 30,873,705	\$ -	\$ -	\$ 30,873,705
Total assets in the fair value hierarchy	30,873,705	-	-	30,873,705
Interests in common/collective trusts ^(a)	n/a	n/a	n/a	190,225,885
Total investments, at fair value	\$ 30,873,705	\$ -	\$ -	\$ 221,099,590

^(a) In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits – modified cash basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd.

Fair Value Measurement – cont'd

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period and unfunded commitments for the Plan investments, the fair value of which is estimated using the NAV per share as a practical expedient, as of December 31,:

	2024	2023	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Common/Collective Trusts ^(b)	\$ 202,922,568	\$ 174,856,969	Daily	None	None
Common/Collective Trusts - Stable Return Funds ^(c)	14,319,350	15,368,916	Daily	None	None
Total	\$ 217,241,918	\$ 190,225,885			

^(b) Certain funds use an asset allocation strategy designed for investors based on expected retirement age. Other funds invest in equity and debt securities, fixed income securities, and money market funds.

^(c) These funds invest in conventional and synthetic investment contracts issued by insurance companies. Individual assets of the conventional and synthetic investment contracts include domestic fixed income securities and investments in investment companies or collective investment trusts.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 15, 2025, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

3. INVESTMENTS

All investment data, including notes receivable from participants, contained in the accompanying financial statements – modified cash basis as of December 31, 2024 and 2023 and interest and dividend income and net realized and unrealized appreciation in fair value of investments for the year ended December 31, 2024 was obtained or derived from information supplied and certified as complete and accurate by Principal Trust Company (Principal), the Custodian and Trustee of the Plan.

ALLEGIS GROUP, INC. RETIREMENT SAVINGS PLAN THREE

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2024, and 2023 and For the Year Ended December 31, 2024

4. ADJUSTMENTS TO INCOME

Adjustments to income includes amounts remitted back to the Plan in connection with the Plan's Service Agreement with the Custodian and Trustee. During the year ended December 31, 2024, \$71,619 was remitted back to the Plan under this arrangement, and is included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits - modified cash basis.

5. PARTY-IN-INTEREST TRANSACTIONS

The Company provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan invests in shares of common/collective trusts managed by Principal. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

6. INCOME TAX STATUS

The Plan obtained its latest determination letter on January 30, 2020, in which the Internal Revenue Service (IRS) stated the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter, however, the Plan administrator and legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, all contributions to the Plan would cease and all affected participants would become fully vested in their Company contribution accounts.

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2024, and 2023 and For the Year Ended December 31, 2024

8. OPERATIONAL FAILURE

During the year ended December 31, 2024, the Company became aware of certain operational failures with respect to the definition of compensation and payroll data issues related to the calculation of matching contributions for two participating companies in the Plan, Maxim and Amergis. Management is working with the participating companies, Principal and legal counsel to correct these matters in accordance with procedures under the IRS Employee Plans Compliance Resolution System to avoid any penalties to the Plan or Plan Sponsor and preserve the tax status of the Plan. Management is currently working to calculate any potential missed matches due to this error and will make such corrections as soon as administratively feasible including any lost earnings. Such amount is not estimable at this time however the Company does not expect that the correction of the operational failure will result in any material adjustments to the Plan's financial statements.
